NEW Single Sign-On Feature

Parent Portal gives parents *access to real-time information* such as Attendance, Grades and detailed Assignments, Grade History, Email Options, Student Schedules, Honor Roll Information, Account Preferences, Class Registration and Demographic Changes.

The new **Single Sign-On** feature allows parents & guardians to create their own individual Access Account, maintain Account Information, link students to their account and set email preferences.

Instructions for Creating an Account, Linking your Students, Setting your Preferences and Navigating the Parent Portal

To Create an Account:

The screenshot shows the PowerSchool website interface. At the top is the 'PowerSchool' logo. Below it is a 'Login' form with fields for 'User Name' and 'Password', and a 'Submit' button. Below the login form is a 'Create an Account' section with a brief description and a 'Create Account' button. A red arrow points from the 'Create Account' button to the text 'Click on the Create Account Button'.

The Create Parent/Guardian Account page opens. Fill in **all** fields with appropriate information. Enter your first name, your last name, your unique email address, your desired user name, your desired password (must be unique and a minimum of 6 characters).

School/s will issue an Access ID and password for each student to parents/guardians who have legal parental rights.

The screenshot shows the 'Create Parent/Guardian Account' page. The top section is for creating the account, with fields for First Name, Last Name, Email, Desired User Name, Password, and Repeat Password. The bottom section is 'Link Students to Account', which includes a table for linking students. A red oval highlights the first two rows of the table, and a red arrow points to the 'Enter' button at the bottom right.

7			- Choose

In the **Link Students to Account** section, fill in all information accordingly for each of your students. Include **Student's Name, Access ID (as supplied by your school), Access Password (as supplied by your school) and select your relationship with the student.** Click the **enter** button.

If there is an error in the input of information on the **Create Parent/Guardian Account** page, an error page will display, prompting for corrections. If all the data was entered correctly, a resulting **Congratulations!** message appears with the login screen. You may proceed to Login, using the User Name & Password you entered on the **Create Parent/Guardian Account** page.

The screenshot shows a 'Congratulations!' message: 'Congratulations! Your new Parent/Guardian Account has been created. Enter your Username and Password to start using your new account.' Below this is a 'Login' form with fields for 'User Name' (containing 'Lynn') and 'Password' (containing '*****'), and a 'Submit' button. A red arrow points to the 'Submit' button.

Click the submit button
