

LONG-TERM SUBSTITUTE TEACHER PAY SCALE Rock Hill Schools

Individuals who have a valid South Carolina teaching certificate and would like to be considered for long-term substitute assignments will be employed and paid through the Rock Hill Schools. In some circumstances, individuals without a valid teaching certificate may be employed as long-term subs as well.

To be considered for any long-term assignment, individuals must have an application for employment on file with the district.

Valid South Carolina teaching certificate (in field of sub assignment)	Certificate pay for the entire period
Expired South Carolina teaching certificate (in field of sub assignment)	\$130.00 per day
College degree in teaching area with no certification (i.e., math major from an accredited institution assigned as a math sub)	\$130.00 per day
Current South Carolina teaching certificate in related area (NOT in field of sub assignment)	\$130.00 per day
