SOUTH POINTE HIGH SCHOOL HONOR CODE

As a student at South Pointe High School, I recognize the importance of academic honesty. I understand this means I must be honest in all academic areas, including doing my own assignments, whether graded or ungraded, and neither giving nor accepting help in a testing situation. I am a citizen and future leader of this country; therefore, it is important for me to develop a sense of pride in my own accomplishments and awareness that I am ultimately responsible for my actions at all times.

STUDENT I.D. CARDS

All students must have an I.D. card for the school year. All students should have a card for identification purposes, for the use of the library and computer lab, and for participation in events such as the Junior-Senior prom. ***Students are required to have IDs properly visible at all times.*** First-time students to SPHS, as well as upperclassmen who have lost or damaged I.D. cards, must have new ones made. There is no charge for students being issued a card for the first time. Replacement ID cards are \$5.00. Temporary badges are \$1.00 and are available before 8:40 a.m. without consequence. To purchase a replacement ID or temporary badge: see Mrs. Davis-McCoy in the Admin Office. All badges must be paid for upon receipt. Purchases after 8:45 a.m. will be treated as a dress code violation. **Students with no IDs or temporary badges properly displayed will be considered in violation of the dress code.**

Directory Information

The following information is releasable upon request at the discretion of the principal of each school: the student's name, address, telephone number, date and place of birth, photo, subjects' study, participation in officially recognized activities and sports, weight, and height of members of athletics teams, dates of attendance (on both an annual and daily basis), diplomas and awards received, and the most recent/previous educational agency or institution attended by the student. Any parent or guardian of a student attending Rock Hill Schools who would prefer that any of the information designated above not be released without the parent's or guardians' prior consent should notify in writing the Office of the Superintendent, Rock Hill Schools P.O. Drawer 10072, Rock Hill SC 29731 by the Tuesday following Labor Day. If such notice is given, the school attended by the student will be notified.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The school official will arrange for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should contact the school principal, (Dr. Williams), clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.
[**NOTE:** FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance
Office U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-8520

ARRIVAL AND ENTERING THE BUILDING

Students may not enter the building prior to 8:15am. Upon entrance all students should place their cell phones in their purses or bags. No cell phones are allowed to be used during the school day. Students then should report to either the auditorium or the cafeteria to eat breakfast. Students are not permitted to gather in the hallways or walk up and down the halls during this time. At 8:30 the bell will ring for students in the cafeteria to report to their 1st block. The 1st block will begin at 8:45am. As part of our school security procedures, all students entering the building after 8:45 must enter through the main entrance at the front of the building and obtain a tardy pass. All other doors will be locked in accordance with the school safety plan.

Bus Riders - Enter through the doors near the gymnasium

Car Riders - Enter through the doors at the front of the school

Student Drivers - Enter through the doors at the front of the school

Students are reminded that once they arrive on South Pointe's campus, they are not to leave without school personnel permission, until the end of the regular school day. Students who are dropped off as car riders or ride the bus should enter the building as they arrive. These students are not permitted to go to the student parking lot and/or wait in another student's car. Only students with valid parking permits are allowed in the student parking lot. Drivers are reminded they are **never** to use the grassy areas or roadways in front of the school for dropping off or picking up students. Students driving to school must be registered. All student unregistered drivers or vehicles are considered a safety and security concern and are deemed to be trespassing. Such vehicles are subject to tickets, school fines, or being towed. In addition, discipline consequences may occur. **Finally, students are not allowed to transport other students in their vehicle that do not live in their household.**

DISMISSAL

School dismissal is at 3:45 p.m. Students may not leave school unless approved by a parent in writing and authorized by a school administrator. This includes between classes and lunch. Such departures are considered leaving school without permission/skipping and disciplinary actions will occur to include loss of driving privileges. Only parents or guardians authorized in PowerSchool will be allowed to approve or check out a student. Students may not ride home with other students or parents. Such school transportation departures upon dismissal must be communicated by the parent or guardian in writing and approved and authorized by the designated school staff.

During dismissal, students should exit the building through either the doors near the main office or near the gymnasium. Students should not exit through the upstairs gallery or through any other set of doors. Students who are car riders should be picked up in the front of the school. Student parking lots and areas behind the school should not be used for student pick up.

SCHOOL COUNSELING PROGRAM

Students are very fortunate to have qualified counselors at South Pointe High School. Each student has a counselor to serve him/her in many ways through individual and group counseling. Most of our counselors' time is spent in the areas of personal and educational counseling. Career counseling and college selection advice are available. Many college and technical school catalogs, career brochures, and military information are available. In addition, counselors conduct group-counseling activities in the classroom. All matters concerning registration, course selection, grades, scholarship applications, credits, graduation, and counseling are processed through this office.

PROCEDURES TO SEE YOUR COUNSELOR

Students may be counseled on personal or curriculum matters by contacting their counselor. The guidance office operates on an open-door policy; however, there may be occasions when the counselors are not readily available. When a student needs to see their counselor, they should speak with the School Counseling secretary, (Ms. Shearer). If the counselor is unavailable, the student should fill out a conference request form and leave it with the secretary. Counselors will contact the student within 24 hours.

Students should complete a request to meet with their counselor for non-urgent matters. Once assigned, students must have a pass from their teacher to come to see a counselor. Students who come to see the counselor without a pass will be asked to return to class to obtain one. Counselors will not write passes for students who do not enter with one unless the counselor initiated the visit.

TRANSCRIPTS

Current students may request transcripts electronically through Parchment, free of charge. Transcripts can be sent to colleges/universities or to the student for self-review. Students must have an account in order to use Parchment. Information on creating a Parchment account can be found on the SPHS Guidance website under Transcripts/Records Requests.

Seniors will be given an unofficial copy of their final transcript at graduation practice. Seniors should submit a request via Parchment to have a final official copy of their transcript sent to their designated college/university. Instructions on doing so will be provided by school counselors in May of the school year.

Note - May graduates have until July 31st to submit transcript requests free of charge via Parchment. After July 31st, graduates must submit transcript/records requests using Need My Transcript (see below).

Alumni and former students must use the Need My Transcript service to request transcripts and records. There is a fee

to use this service. The link to access this service can be found on the SPHS Guidance website under Transcripts/Records Requests.

GIFTED/TALENTED ACADEMICS

Students identified as academically gifted/talented are served through participation in the Honors, Advanced Placement, dual credit, and International Baccalaureate classes in the areas of advanced math, English, science, social studies, and foreign language. Although admission into these classes is self-selecting, students qualifying as gifted and talented by the South Carolina State Department of Education guidelines are encouraged to participate in these academically advanced classes.

During course selection in grade 10, students are encouraged to select AP, dual credit, STEAM Pathway, and/or International Baccalaureate courses in order to challenge themselves academically. These courses may enable students to prepare for the academic rigor of colleges and universities, as well as possibly receiving credit. **See your school counselor for more information.**

SCHOOL OF CHOICE STUDENTS

Students who are attending South Pointe High School as a STEAM School of Choice student are required to enroll in courses that increase their chances to persist in STEAM after high school. In order to fulfill the requirements to remain in the School of Choice program at South Pointe, students are required to enroll and take one STEAM Pathway course per year.

STEAM Pathways at South Pointe: Biomedical Sciences, Clean Energy, Computer Science, Engineering
STEAM students should take 1 of these courses per year. The link to all SPHS Pathway information can be found here: [STEAM PATHWAYS](#)

SCHOLARSHIPS

A number of scholarships are awarded to deserving seniors each year. Information on scholarships and financial aid is announced and sent to all seniors. Interested students should be alert to announcements, the scholarship handbook, posted flyers, and financial aid workshops. Information may also be found on the school's website.

Students who are applying for scholarships are to submit completed applications, including all letters of recommendation, to the counselor one week before the due date. This time gives the counselor an ample opportunity to review applications for errors and attach requested information. The counselor will mail applications for the student unless otherwise requested.

COLLEGE APPLICATIONS

Students can pick up college applications from the guidance office, or apply on-line. Students should return the completed application, along with three stamps, to the counselor. The counselor will complete the counselor's page, attach a transcript and test scores (at no charge), and mail the application for the student within one week. Students who opt to apply on-line should print the counselor's page (if applicable) and submit it to the counselor with one stamp. The counselor will follow the aforementioned procedure.

In keeping with this philosophy, which mirrors the philosophy of the *Southern Regional Education Board (SREB)* of which we are a part, we recommend that all students complete 4 units of science and social studies. We also encourage students who began taking 9th-grade courses (English I and Algebra I) in 8th grade to take English and Math through their Senior year.

Research has shown that exposure to rigorous coursework throughout the entire high school experience will enhance the transition to the post-secondary environment or the workplace. In addition, participating in rigorous courses such as International Baccalaureate (IB), Advanced Placement (AP) and dual-credit will likely enhance students' SAT and/or ACT scores, increase scholarship opportunities, and make academic transcripts more attractive to colleges.

STANDARDIZED TESTING DATES

South Pointe personnel administer many academic achievement tests during the school year. Information and applications for tests such as the ACT, PSAT, and SAT are available through the Counseling Office.

GENERAL HIGH SCHOOL GRADING GUIDELINES FOR STUDENTS AND FAMILIES

Rock Hill Schools grading guidelines are designed to ensure all students in the district are evaluated using a consistent, fair, and equitable grading system across classrooms and schools. Grading procedures in Rock Hill Schools reflect the following beliefs:

- Grades should reflect student proficiency on grade level standards and competencies, as well as clear learning targets.
- Grades should be balanced and reflect quality over quantity.
- Feedback is critical to student learning and grades alone are not a sufficient form of feedback.

All credit-bearing high school courses will give a final exam which counts 20% of a student's overall grade in the course. This requirement excludes dual credit courses overseen by institutions of higher education.

Major assignments and assessments make up 60% of a student's final quarter grade. Minor assignments and assessments make up 40% of a student's final quarter grade. In Rock Hill Schools, homework is intended to provide students independent practice on skills or previously taught content, and – at the high school level – will be counted as one cumulative minor grade per quarter.

The course teacher will provide students with details regarding the number and type of assignments and assessments, as well as how students and families may access information about grades in the course.

Students and families should contact the course teacher with any questions or concerns about grades.

MINIMUM QUARTER GRADES

- Quarter 1 = 50
- Quarter 2 = Student's actual grade If a student earns an F in a class for a given quarter, that F will be reflected on the student's report card. However, Rock Hill Schools sets a minimum final grade during two quarters at the high school level to ensure failing grades for one or two quarters do not prevent a student from passing the class for the year or semester if the student improves performance and/or works to do so.
- Quarter 3 = 50
- Quarter 4 = Student's actual grade

Final grades for quarter-long courses should reflect the student's actual grade.

Each student's actual grades should be reflected in PowerSchool and on progress reports. Teachers can give zeros during the quarter on major or minor assessments/assignments.

CANVAS LEARNING MANAGEMENT SYSTEM

The Canvas Learning Management System provides real-time access for parents to their child's classes, assignment schedules and instructions. It is important to enroll within your Grade Level Canvas page, School Counselors, clubs and student activity announcements are shared within the grade level Canvas pages. To access

UNIFORM GRADING POLICY FOR ROCK HILL SCHOOL DISTRICT THREE

In 2016, the South Carolina General Assembly and the South Carolina State Board of Education adopted a new ten-point grading scale for high schools. **The uniform grading policy applies to all students taking Carnegie credit courses.**

1. Beginning 2000-2001 and thereafter, course grades on report cards and transcripts in Rock Hill School Districts Three high schools will be numeric, i.e. 93, 79, etc. No Carnegie courses will carry letter grades (A, B, C, D, F), Pass/Fail, or be graded as Satisfactory/Unsatisfactory. The numeric breaks for corresponding letter grades are:

90-100=A; 80-89=B; 70-79=C; 60-69=D; Below 60=F

2. A student's grade point average and rank in class will be figured from a grade point conversion table. The conversion table assigns "quality points" to each numeric grade depending on the grade earned and the category of weight assigned to the course taken. College Prep and Tech Prep courses earn the base weight of one quality point. Honors and dual credit courses earn a one-half quality point more, and Advanced Placement and International Baccalaureate courses earn a full quality point more than the base weight. Earning the specified quality points in IB/AP courses is contingent upon taking the International/National exams for these courses.

3. The formula for figuring Grade Point Average (GPA) is:

GPA = (Quality points X Carnegie units earned) divided by (Carnegie units attempted)

4. Students may not withdraw from a course without administrative recommendation/approval.

5. Students who receive a Failure Due to Absence (F/A) in a course shall be assigned a grade of 50 and 0 quality points. **The grade will be calculated into the student's overall grade point ratio and remains on the student's transcript throughout high school.**

6. **If a student earns a numeric grade lower than 60 (F) in a course, the course may be retaken no later than the summer following the next academic year. Both the original grade earned and the higher grade earned will remain on the transcript with only the higher grade being figured into the overall GPA. The ability to retake a course during the same academic year is based on space availability in the class.**

7. Carnegie unit courses taken prior to the ninth grade can be retaken in the ninth grade if the student earned a numeric grade lower than an 80. **Unless retaken in 9th grade, the grade earned in middle school will be calculated in the student's overall grade point ratio and remains on the student's transcript throughout high school.**

8. If a student transfers from another high school with letter grades, the letter grades will be converted to numeric grades on the following scale:

A = 96 B = 88 C = 80 D = 73 F = 65

9. All students at SPHS follow the State Uniform Grading Policy. This grading scale awards quality points based on the percent (%) grade earned and the type of course taken. The full scale along and other important aspects of the policy are given below. Earning the full extra quality point for IB/AP courses is contingent upon taking the exams for these courses.

CREDIT RECOVERY

The district's credit recovery program consists of a course-specific, skill-based learning opportunity for students who have previously failed to master content or skills required to receive credit in a given course. Students are welcome to access and read Policy IKADD (Content and Credit Recovery, revised 2022) on the district website, but important points are as follows:

- Students must have previously failed a course to be eligible for credit recovery.
- Students must have obtained a grade of 50 or higher in the initial credit course or the student is not eligible for credit recovery and must retake the full course to receive credit.
- School administrators may elect to limit participation based upon parent/legal guardian and/or teacher recommendation.
- Credit recovery courses must be taken in the next available grading period or summer after the initial course was failed.
- Credit recovery course offerings may be limited by the availability of space, facilitators, and appropriate computer-based content and/or due to district budgetary constraints.
- Students are not permitted to remain in a credit recovery course for more than 18 weeks or the equivalent of one semester.
- Student grades in credit recovery courses are designed to be GPA-neutral, meaning that the student's GPA will not be affected by the student's grade in the course. The failing grade in the initial course will remain on the student's transcript.
- Student athletes and their parents/legal guardians should be aware that current National Collegiate Athletic Association (NCAA) rules place strict limitations on credits earned through credit recovery programs. Participation in these programs are likely to affect a student's eligibility for NCAA play.
- The South Carolina High School League only allows for two courses to be recovered per year for eligibility purposes.

If there are state-and/or Board approved changes to credit recovery policies during a given school year, schools will notify teachers, students, and parents/legal guardians.

STUDENT ATTENDANCE AND MAKE-UP SCHOOL

Per Policy JE (Student Attendance) Guidelines for Implementing Student Attendance Regulations in High Schools (see JE-E(3) revised 2023), the following guidelines must be followed regarding make-up school for **2023-24**:

In order to receive one Carnegie unit of credit, a student must be in attendance in accordance with state law. If a student has been in attendance for less than 120 hours in any one-unit course, he/she is required to attend make-up school sessions.

The school year consists of 180 school days. To receive credit, high school students or students in middle school taking high school credit courses must have a minimum of 120 seat time hours, as well as meet all minimum requirements for each course.

Any student with more than six absences (whether lawful/unlawful or excused/unexcused) in a high school course must attend make-up school to be awarded credit for the course. The number of days available for attendance in a given semester may fluctuate from year to year. The six-absence allotment, which requires make-up school

attendance beginning with the seventh absence in a given course, provides consistency in communication regarding make-up school and ensures all students are in attendance for the minimum 120 hours in a given course.

District high schools offer make-up school to provide students the opportunity to make up needed seat time outside the regular school day. Each school will set, staff, and publish a make-up school session calendar. Students and families should adhere to the following points:

- It is the student's responsibility to remain aware of needed seat time in each course and utilize the school's make-up school calendar to make up needed seat time.
- Schools will not be able to hold make-up school sessions based on individual students' school, work, or athletic schedules.
- Make-up school sessions must be supervised by a school staff member determined by the school. Students may not make up seat time in after-school or weekend athletic or extracurricular activities.
- Students will be charged for make-up school sessions.
- Needed make-up school sessions must be attended or the student will fail the course due to attendance.

Students who miss more than the allotted number of absences are required to attend make-up school sessions. There are two exceptions. Absences due to out-of-school suspensions are not required to be made up. Absences due to limited medical conditions specified by the district or state are not required to be made up.

Students may only make-up time between 7 and 10 absences. After 10 absences, students will not be able to make up time unless there are extenuating circumstances determined by the principal. Extenuating circumstances include but are not limited to the student's medical condition, family emergencies, and other student academic requirements that are considered to be a maximum load.

All make-up time must be completed within fifteen business days from the last day of the course(s).

If requested by the principal, the Executive Director of Secondary Education may extend the time for student's completion of the requirements due to extenuating circumstances that include but are not limited to the student's medical condition, family emergencies, and other student academic requirements that are considered to be a maximum load. Make-up requirements that extend beyond fifteen business days due to extenuating circumstances must be completed prior to the beginning of the subsequent new year.

If the student does not attend any type of make-up school session, a "Failure due to Attendance" will be recorded for the course(s) at the end of the semester. For courses in which the student has failed due to attendance, the final grade shown on the student's transcript must be an FA, no matter the numerical grade.

A student may apply for competency-based credit through his/her high school. He/She must meet all of the following conditions:

- course average of 60 or greater,
- final exam of 60 or greater,
- documentation of every absence submitted to the school within three days of the student's return from the absence, and
- submission of application to the principal for approval.

Students and families should note that – for attendance purposes (i.e., to avoid charges of truancy and ensure absences are lawful) – a student who misses school is expected to present a written excuse for every absence, signed by a parent/legal guardian, or a medical excuse within three days after returning to school.

If the student does not apply or is not approved for competency-based credit through his/her high school, he/she is required to attend make-up school sessions in order to receive credit. These sessions must be attended, or the student will fail the course due to attendance.

Any student who misses school must present a written excuse, signed by a parent/legal guardian or a medical excuse. If this excuse is not turned within 3 school days, after the student is back in school, this absence will be considered unexcused.

If extended illnesses or medical conditions exist which may cause a student to miss over 10 days, the student's parent should contact the guidance counselor to apply for homebound services. Automated phone calls and emails will notify parents of each absence. Attendance plans will be developed for students who miss 5 or more consecutive days unexcused. Students are responsible for maintaining accurate absence records.

- **Special Attendance Concerns:** Students who accumulate 5 absences will be required to bring their parents/guardians and meet with school personnel to develop an attendance intervention plan. Violations of the plan will result in a court referral for truancy. If a student misses 10 consecutive days he/she will be dropped from enrollment. Please see your administrator if an appeal needs to be made.
- **Accountability:** Keeping accurate records of absences, make-up school receipts, and tutoring sessions is the student's responsibility.
- **Religious Holidays:** If a student is going to be out due to religious reasons, documentations on letterhead verifying that this is a recognized religious holiday needs to be turned in.

MAKE UP OF MISSED ASSIGNMENTS

No late penalty is assessed if the graded assignment is due to a lawful absence. It is the student's responsibility to contact their teachers about make-up work upon return to school and within three days of return at maximum. The number of days allowed to submit late work is equal to the number of days the student was absent plus one additional day. If the student has prior knowledge of the assignment, he/she is responsible for making up the assignment immediately upon return unless arrangements have been made with the teacher. Parents and students may also access Canvas from the school's home page. Canvas provides access to class work and assignments, as well as due dates via the calendar. Students may ask teachers questions through their inbox.

RE-TEACHING/REASSESSMENT

This policy applies to major assessments or assignments only. The goal of retaking assessments or assignments in high school is for students to obtain and demonstrate mastery of course content. Students will be provided an opportunity for reassessment only after re-teaching/tutoring. Re-teaching/tutoring can occur with a teacher's face-to-face instruction, computer-based instruction, or additional practice opportunities at home.

Reassessment opportunities are only available to students that score below an 80. If a student wishes to engage in reassessment, he/she will have five days from when the initial score is posted in PowerSchool to request the reassessment from his/her teacher. Students who are offered the opportunity to retake an assessment or assignment must complete it by a date communicated by the teacher. The following assessments/tasks indicate a final measure of learning and may not be reassessed:

- End of course or semester exam;
- An assessment that ends an instructional period such as cumulative assessment;
- Benchmark or midterm exam;
- Final research paper, report, or essay;
- Culminating project or performance.

When reassessment is offered, students scoring below the standard will have one opportunity to retake for a maximum grade of 80.

ACADEMIC HONESTY

A grade of “0” will be assigned for the original work and a behavior referral will be issued to administration. Work must be resubmitted to the teacher’s specifications within the number of days outlined by the teacher. Resubmitted work will not receive full credit. The maximum score a student may receive will be an 80. Subsequent offenses will result in a discipline referral and grade of zero (0) for the assignments.

HOMEWORK

Homework is an essential part of learning. Teachers use homework to offer students practice on recently learned content to reinforce learning, preparation for new content that will be learned in future class periods, or elaboration and extension of rehearsed content. Rock Hill Schools recognizes that homework for daily practice and preparation is best used as a formative assessment to give students feedback on their learning and to inform instruction. It is not intended to be a summative assessment of mastery. Homework for practice or preparation may include but is not limited to the following:

- a. practice of taught skills
- b. introduction of a new skill
- c. reading to prepare for classwork
- d. drafting or revising a composition
- e. preparing for a performance
- f. generating ideas for a discussion

LATE WORK

Late work is categorized by approved and unapproved late work. All approved late work may be completed without grade penalty. Approved late work is categorized by an excused absence, school approved function that may not allow an assignment or assessment to be complete on the due date. Unapproved late work is an assignment or assessment due to an unexcused absence or unwillingness or failure of a student to submit an assignment or complete an assessment on the due date.

Daily work such as homework, guided practice, classwork, warm-ups, class activities, and exit slips **must be turned in on time** as these are formative assessments that are designed to determine mastery of skills and guide instructional decisions. Assignments such as projects, essays, labs, culminating unit products, “take-home” major assignments/assessments, mastery assessments, and summative presentations may be accepted late when it is submitted within a time frame defined by either

- a) the date when the assignment has been graded, recorded, and returned to other students in the class,
- b) 5 school days after the original deadline or at the teachers or administration discretion.

Students with missing assignments should work collaboratively with the class teacher to complete missed assignments by the last day of the course. If prior arrangements are made students may collaborate with the teacher before and/or after school and during lunch. Late work can receive a penalty up to 20% of the total grade earned (maximum score 80). Work submitted after the window has closed may be accepted at teacher discretion but before the end of the class (semester, quarter, or year). Failure to submit late work within the time frames defined above will receive a zero. Students with special circumstances should work with teachers to determine alternate individualized due dates when appropriate. Extensions to original due dates are subject to teacher discretion. Please note the Late Work Policy does not grant students an implied extension simply because they feel unprepared. The best educational practice is for students to complete work to the best of their ability and to

submit this work on the due date so they may demonstrate mastery and competence of the skills learned at the appropriate scheduled times within a unit of instruction.

HOMEBOUND INSTRUCTION

Homebound or hospitalized instruction is defined as teaching that:

- Is offered to the student who has an acute or chronic medical condition that prevents him or her from attending classes at school.
- Is conducted by an individual who holds a South Carolina Teacher's certificate.

Approval is granted through school district personnel. Parents/Guardians who wish such services for a student should contact South Pointe High School at 803-980-2100 for further information.

Specifically, medical homebound instruction is provided for both non-disabled and disabled students who cannot attend school for a medical or physical condition that exists due to an accident, illness, or pregnancy. A licensed physician must certify that such a medical condition exists and must complete the medical homebound application that the local school district provides. The intent of medical homebound instruction is to keep the student connected to his or her regular curriculum until the time his or her return to the classroom setting is possible. The ultimate goal is transition back into the school environment as soon as possible. Any student participating in a program of medical homebound instruction must be approved by the district superintendent or his or her designee on standardized forms provided by the State Department of Education. All approved forms must be maintained by the district for documentation.

Homebound placements are made based on medical recommendations and homebound placements are available for all students, including those with identified disabilities. Homebound is not a special education placement, but students with an IEP can be placed on homebound with the appropriate paperwork. Students with IEPs who are granted "homebound" will continue to receive special education services along with homebound services.

COLLEGE DAYS

Juniors and Seniors are allowed 2 excused days to visit colleges each year. **College days do not transfer to the next year.** Students must contact the college in advance to set up a tour, and bring a statement of attendance (including date and time) on the college's letterhead to the Attendance Office. Each student must have individual documentation. Statements of participation in a college visit must be turned in to the attendance office within 3 days of the college visit.

JOB SHADOWING/INTERNSHIP

Students may participate in job shadowing by completing the necessary forms **BEFORE** and **AFTER** the job shadowing activity. Juniors and seniors may participate in internships, providing the eligibility requirements are met. Interested students should discuss these opportunities with the career counselor and complete the appropriate paperwork to document the activity. Any student approved for an internship and granted early release **MUST** contact the career counselor if the internship is terminated for any reason.

COURSE SELECTION

Students may select courses based on their educational interests. Course placements and course offerings will be made with the student's selections in mind, however, course placement and course offerings will be finalized with the student's and school's scheduling best interest in mind. Final questions about schedule changes, course selections and the scheduling process must be directed to a counselor. Schedule changes may not occur once the course begins. Students must adhere to scheduling guidelines. Students will receive a copy of their schedule at the beginning of each semester.

ADDING OR DROPPING A COURSE

A student may not add, drop, or change a course after the date on the student course selection sheet. Administrative approval is required for all requests to add or drop after the deadlines. Only exceptional cases will be considered. **All students are subject to further regulation as stated in Section 4 of the State Uniform Grading.**

WITHDRAWAL/TRANSFER

Any student who leaves school during the semester should, on the last day (s)he attends, report to his/her counselor, and return all school property. A parent or guardian must complete the withdrawal/transfer form. Unless this is completed, the school is under no obligation to give out information to prospective employers, armed services, or other schools. No transcripts or references will be furnished. Student withdrawal will be done once it has been confirmed the student will legitimately enroll in another educational institution prior to or upon being withdrawn (1 day).

RETAKING A COURSE

Students may repeat a course if they scored in the “D” or “F” percentile range. Both grades will remain on the transcript, however, only the highest grade will be used in figuring the GPA.

Any student may retake a course at the same level of difficulty if the student has earned a P, NP, WP, FA, WF, D or an F in that course. If the same level course is not accessible, the course may be retaken at a different level of medium, for example online, virtually, etc. Districts may extend the policy to allow students to make any grade to retake any course per local board decision. A student who has taken a course for a unit of high school credit prior to the ninth grade year may retake the course at the same difficulty level regardless of the grade he or she has earned. Retaking the course means that the student completes the entire course again (not a subset of the course such as through credit or content recovery). If the course retaken has an EOCEP, the EOCEP must be retaken. All course attempts from middle and high school will show on the transcript. Only one course attempt and the highest grade earned for the course will be calculated in the GPA.

A student who retakes a high school credit course from middle school must complete it before the beginning of the second year of high school or before the next sequential course (whichever comes first). A student in grades nine through twelve must retake a course by the end of the next school year or before the next sequential course (whichever comes first). **For all grade levels, all courses will remain on the transcript and only the highest grade will be used in figuring the student’s GPA.**

EXAM POLICY

There are **no exam exemptions** allowed for any course. All students will take their appropriate course exams. Students are expected to take all exams at their assigned time. **Exams and state End-of-Course (EOC) tests count for 20% of the course grade.**

**A PED is any personal electronic device that includes, but is not limited to, laptops, iPads, iPods, and cell phones.*

DRESS CODE POLICY [JICA](#)

District board policy states that the board reserves the right to bar from school students whose personal appearance is disruptive to the educational process and orderly operation of the school. Discretion to formulate reasonable dress codes is left to the school administration. Parents are strongly urged to pay particular attention to the cleanliness, modesty, and appropriateness of their child's attire.

In order to carry out this policy, the administration has adopted the following guidelines regarding dress. These rules should cover the vast majority of situations that might arise; however, the administration reserves the right to make decisions regarding the appropriateness of any item not specifically covered in this policy. The provision of this policy applies to all students, regardless of sex.

STATEMENT OF PURPOSE

In order to provide a school climate that is optimally beneficial to ALL of our students, we must consider any element of distraction that may deter us from that goal. The sole intent is to eliminate elements of distraction from the daily mission of the school...teaching and learning. School should be an environment of dignity and respect, and the dress of those attending should be respectful in that regard. School is also a "minds-on" activity, requiring student minds to be focused on giving attention to matters of educational importance.

We ask for the support of our students, parents, and community in helping us create an educational environment of dignity and respect...even though it may require a little more change for some than others.

Students out of dress code will be required to immediately change into attire aligned with the dress code or report to and remain in ISS until proper attire is obtained.

Pants/Shorts/Skirts/Skorts: Pants, shorts, skirts/skorts must be worn at the waistline. No sagging (wearing of outer pants, shorts, etc. below the waist) will be allowed. Shorts, skirts/skorts, and splits in shorts/skirts must not be more than 4 inches above the knee. Boxer shorts may not be worn as outside clothing. Yoga pants, biker shorts, leggings, and jeggings must be worn with a shirt or dress that is no more than four inches above the knee. No clothing that is see-through is allowed.

Shirts/Blouses/Dresses: All shirts/jerseys, though recommended to be tucked in, can be worn untucked provided the length of the garment does not extend past the fingertips of the person wearing the garment. **Blouses, shirts or dresses should be worn as the designer intended provided they do not expose the undergarments, midriff and/or cleavage, while seated or standing.** Dresses must not be more than four inches above the knee. If questionable, measurements will be taken. Jackets, sweatshirts, sweaters, cardigans, or other layered clothing will be permitted over appropriate shirts/blouses meeting code requirements.

Shoes: All students must wear shoes for reasons of safety and health. Shoes must be worn as the manufacturer intended. No bedroom or house shoes are allowed.

1. Full head coverings including, but not limited to ***bonnets, durags, bandannas, etc. ARE NOT ALLOWED AT SCHOOL and may not be worn under hoodies.***

5. All items that violate dress code policy will be confiscated.

2. Appropriate undergarments must be worn but not visible.
3. Pajamas and similar loungewear may not be worn. To include bedroom shoes or slippers.
4. Deliberately tattered or torn clothing with holes exposing skin 4 or more inches above the knee may not be worn.

6. Team uniforms not meeting school dress code guidelines cannot be worn during the school day unless wind suits are worn.
7. Students enrolled in programs at the Applied Technology Center (or other sites) will dress according to their school guidelines.
8. Students are required to wear I.D.s so that they are properly displayed and visible at all times.
9. Blankets or additional body covering are not permitted at school and will be confiscated.
10. Head garment affixed to the hair may be acceptable or may not depend on the way it is worn as a hair garment.
11. Hair and makeup should not be so unusual as to be distracting. Hair and makeup should not disguise a student so they cannot be recognized (full face painting). Students will be asked to modify hair and makeup to be recognized.

Students out of dress code will be required to immediately change into attire aligned with the dress code or report to and remain in ISS until proper attire is obtained.

The Principal may waive any of these rules on special dress-up days.

ELEVATOR USE

The use of the elevators requires special permission from the school administration. Only students with proof of medical need may receive a temporary elevator pass from an administrator to allow use of the elevator.

EMERGENCY DRILLS

The goal of the South Pointe High School administration, faculty, and staff are to ensure prompt, safe emergency drills. Students are expected to take all the drills seriously, following the specific directions of their teachers and administrators. When an alarm sounds, students should move immediately to their designated area. Students should not run; rather, they should move at a brisk, but orderly pace. **Students must remain with their teachers at all times.**

FEES AND FINES

Students are expected to keep copies of any receipts issued to them for any financial transactions conducted with the school. Students will be asked to produce their copies of the receipts whenever any transaction is in question.

Students enrolled in AFJROTC are responsible for paying a \$25 uniform charge. This fee covers the Uniform Cleaning Fee and the initial Physical Training workout attire. Students enrolled in physical education will be required to purchase PE uniforms at a cost of \$25.00.

Students are responsible for maintaining and returning all textbooks or other South Pointe property issued to them. Students will be responsible for paying full replacement costs for any lost or severely damaged textbook or other materials. Damage fees will be collected for minor damages. Sharing lockers, not locking lockers, leaving books in classrooms, and or leaving books/book bags unattended are strongly discouraged. South Pointe is NOT responsible for the care of books or other South Pointe property issued to students.

Students receiving fines will be given a payment due date. Parents of students that fail to meet their financial obligations to the school within the prescribed time will be notified. Students owing the school money for textbooks or other materials will not receive parking permits, or participate in certain privileges such as the prom until the financial obligation is met or the school or district authority approves a plan of payment. Students must clear ALL financial obligations BEFORE GRADUATION PRACTICE to be eligible to participate in the graduation ceremony.

GIFTS AND PARTIES AT SCHOOL

Students are discouraged from the exchanging of gifts among themselves and the giving of gifts to teachers while at school. **There will be no parties held during the instructional hours or other times during the regular school day. Gifts delivered to the school will remain in the front office until the end of the day and will NOT be able to be transported on the bus.**

HALLS AND CHANGE OF CLASS

Students should not run in the hallways; walk briskly to your destination. Loafing or loitering anywhere in the halls is not permitted. Students are also instructed not to block doorways or hallways, stairwells, or covered walkways at any time. All students must have a written and signed hall pass to be out of a classroom during instructional time. **Students have five minutes between classes.**

HEALTH ROOM

Students who become ill during school hours should report to the Health Room **with a pass**. The school nurse will make arrangements for them to go home or report back to class as necessary. **Students without a pass will be referred to an administrator for cutting class.**

The health room is for students having emergency health situations such as: fever, moderate to severe pain, nausea, vomiting, diarrhea, COVID symptoms, or first aid needs. Simple headaches and colds cannot be accommodated. Students will be allowed to stay in the health room for only a short period of time while a determination is made on their need to go home or return to class. The number of health room visits by individual students will be monitored. If a pattern of misuse is identified, the parent will be notified and disciplinary action may be taken. Students with a documented chronic illness may be an exception to this rule.

The school nurse or other designee will determine when to call EMS. Calling EMS is not limited to just the nurse. We would rather err on the side of caution. If a parent is not able to arrive at the school prior to EMS leaving, a district employee must accompany the student to the hospital.

HOLDING ELECTED OFFICE (STUDENT OFFICERS)

Any candidate for any major office must plan to be enrolled for a full school year. A student will be permitted to hold only one major office. A student may hold one major office and one minor office.

The following offices constitute major offices: all Student Council offices; presidents of Honor Societies, Beta Club, Fellowship of Christian Athletes, and Junior Civitans; editor-in-chief, business manager and managing editor of the yearbook staff; editor-in-chief, business manager, and managing editor of the school newspaper. All other offices of the school are regarded as minor offices.

To hold a major office a student must have and maintain an overall “C” average. To hold any office, a student must have earned four Carnegie units of credit the previous school year and must have not been suspended for poor citizenship, misconduct, plagiarism, or cheating.

INCLEMENT WEATHER

Rock Hill School District Three administration informs parents of school opening delays, shortened school days, or school cancellations by 6:30 a.m. through its automated phone system. Information should also be available on the district website at www.rock-hill.k12.sc.us.

INITIATIONS (HAZING)

No initiation/hazing is required to be admitted to any school-sponsored club, sport, or organization. All forms of initiation/hazing are banned.

The **RHSD District Policy [JICFA Hazing](#) (Issued 1/16):**

Purpose: To establish the basic structure for maintaining a safe, positive environment for students and staff that is free from hazing.

The district prohibits hazing by students, staff, and third parties as a part of any school-sponsored activity. All students and employees must avoid any action that could be viewed as planning, directing, encouraging, assisting, or engaging in any hazing activity. Further, no administrator, coach, sponsor, volunteer, or district employee will permit, condone, or tolerate any form of hazing.

INSURANCE

Insurance is available at the beginning of each school year for a small fee. Two policies for health and accident insurance are available to students. One is a limited-coverage policy beginning one hour before school and extending one hour after the school day. The other is a full twenty-four-hour coverage policy. Insurance information including costs will be distributed at the beginning of the school year.

***ALL STUDENTS PARTICIPATING IN SCHOOL SPORTS MUST TAKE THE SCHOOL TIME COVERAGE OR PROVIDE PROOF OF COVERAGE.** School insurance should be considered to be only supplementary. It does not take the place of regular policy coverage.

LEAVING CLASS FOR OTHER AREAS OF THE SCHOOL

Any student who leaves a classroom must have a pass signed by the classroom teacher that they are assigned to at the time or he/she will receive a referral. The student must go directly and return promptly, returning the pass to the teacher who originally issued the pass. The permit must have the signature of the contacted teacher and indicate the time the student left to return to his/her class. Students will not be allowed to receive a hall pass to visit the vending machines during class. Failure to follow these procedures could result in a referral.

LOCKERS

Each student is entitled to the use of a locker. See a staff member in the administrative office to receive a locker. Students are asked to keep the lockers locked at all times. South Pointe will not assume responsibility for the contents of the locker. Students are not to share their lockers. Students are to use ONLY those lockers issued to them by the school. Students are not to use their cars as lockers.

All school lockers are subject to administrative searches in the interest of school safety, sanitation, discipline, and enforcement of school regulations. Law enforcement officials may conduct searches upon presentation of a proper warrant. Students are responsible for cleaning their lockers at the end of the school year. All items left in lockers become the property of the school to be disposed of at the discretion of the administration.

All gym lockers are to remain locked at all times when not under the direct supervision of the student to whom the locker was issued. Students are not to be in the gym locker rooms without adult supervision. No personal belongings are to be left outside the gym lockers at any time. Students should not bring cell phones, wallets, money, personal electronic devices, or other valuables to the P.E. Locker rooms.

LOST AND FOUND

Students who have lost an item during the school year should first check with their teachers to see if the item has been found. If necessary, students should visit the school's lost and found located in the media center to inquire about any missing item before or after school or during lunch. Found items will be kept until the end of the semester and then will be disposed of at the principal's discretion.

Parents are reminded that personal items should be clearly and permanently marked. This will aid school personnel in helping your student recover lost items. Items of significant value should not be brought to school. South Pointe assumes no responsibility for personal items that are lost or stolen from students.

LUNCH PROGRAM

The Rock Hill Schools offers healthy meals every school day. The Food Service Department will handle all procedures designed to provide students with meals. For the 2023-2024 school year, RHSD will be able to provide free breakfast and lunch to ALL students. There will not be a need to complete a form to receive free lunch for the upcoming school year. Students will be required to enter their Student PIN when receiving their lunch. Students who would like to purchase additional a la carte items in the cafeteria will be able to do so.

The Point of Sale (POS) system used in our cafeterias uses the student's school ID number as the PIN for the student's account. This number will not change even if your child transfers from one school to another. If your child has a positive or negative balance in his/her cafeteria account, the balance will transfer from one school to the other. Parents are encouraged to prepay for lunches using the cash payment for all children in the same school to use. Cash, check or a certified check can be used for pre-payment of lunches. Students are never to share PIN numbers. (Adults and students in middle school or high school will not be served unless payment is received at the time of service.)

LUNCH PERIOD

Students are not permitted to leave the building for lunch (this includes going to the student parking lot). Students will be assigned to a specific period based on a number of factors including the need to balance the number of students eating at given times to maximize the efficiency and quality of service afforded students.

Students are to use only the gallery restrooms during lunch periods. Students may gather in the cafeteria and outside patio during lunch. While in the cafeteria students should remain seated. Other than for necessary class movements, all stairway areas are off-limits during lunch periods. Students choosing to eat outside are to remain in the patio area. ***Students are not allowed to eat in a teacher's classroom.*** Students are reminded they are responsible for discarding paper, leftover food, drink cans, etc. that result from eating their lunch. Trash containers are readily available.

OUTSIDE FOOD POLICY

Students are not permitted to have food delivered to school. The exception is if a parent drops off food to the main office.

- Parents who are bringing lunch for their student should drop it off in the main office. It should be labeled and will be placed on the back counter in the main office. Students are not to meet parents or wait for them outside to deliver food/lunch.
- It is the student's responsibility to come to the main office during their lunch to pick up their lunch. Students will not be able to pick up their lunch while they are supposed to be in class. Teachers should not write students a pass to come to the main office to pick up their lunch.
- Students who do not follow these procedures will be assigned to 1 block of ISS.

Door Dash, Grub Hub and other food deliveries are not permitted during the school day. Students should not place orders for any food delivery. Food that is delivered in this manner will be held until the end of the school day. Students that are found exiting the building to pick up food deliveries will have their items confiscated and the student will be assigned to ISS for the remainder of the day for the first offense. Continued incidence of this behavior will result in additional consequences. Teachers should not allow students to bring these delivery items into the classroom and/or eat during their class.

MEDIA CENTER

The media center is open throughout the school day, fifteen (15) minutes before school, and thirty (30) minutes after school. The media center offers a collection of books, magazines, newspapers, and audiovisual materials. The atmosphere must be quiet, conducive to reading and studying.

Students may come from study labs or classes with a pass only. Individual students should study in a designated area so that classes in the media center will not be disturbed. Students who are in the media center, but who are not with a specific class, are requested to sit one person per table.

Books may be checked out for two weeks and renewed as needed. Reference materials may be checked out overnight. The cost of damaged or lost materials will be charged, and overdue materials will be fined twenty-five cents (\$.25) per day. The fine for overdue reference materials will be one dollar (\$1.00) per day. The fine stops when the material is returned.

Students are expected to return media center materials in the same condition in which they left the media center. Damages will be assessed as necessary. Students must have their own SPHS student ID to check out library

materials. It is strongly advised not to lend out your ID to another person or checkout materials for others. You are responsible for all items checked out in your name. ***NO FOOD OR DRINKS ARE ALLOWED IN THE MEDIA CENTER***

STUDENT MEDICINES AT SCHOOL

Students are allowed to bring and take over the counter medications such as ibuprofen, cough drops, Oragel etc. while at school. They should not share medicines with other students.

Students who need prescription medication during school hours must have a signed RHSD 3 medication form from their physician. One signed form per medicine is required for each school year. These forms can be found on the Rock Hill School District 3 website. All prescription medications must be stored in the Health Room.

No medicine is to be shared or given to any student other than the student who has permission to carry the medicine. **Per District Policy: Penalty for distributing medication to other students is suspension or expulsion from school and possibly police charges.**

Students may be authorized to carry, monitor, and self-administer inhalers, insulin pumps, glucometers, or epi-pens with written permission from the student's health care provider and parent/legal guardian. The parent/legal guardian will sign a statement acknowledging that the district will incur no liability as a result of any injury arising from taking or using medications or self-monitoring devices by the pupil and that the parent/legal guardian will indemnify and hold harmless the district and its employees and agents against any claims arising out of the self-monitoring or self-administration of medication by the pupil.

Receipt of the above will authorize a student to possess and administer medication while in the classroom or on school grounds, at a school-sponsored activity, in transit to and from school or school-sponsored activities, or during before or after school activities on school operated property.

Neither the school district nor its personnel will be responsible for the occurrence of any adverse drug reactions when the medication has been given in the manner prescribed. The district may revoke a student's permission to self-administer medication if the student endangers him/herself or others through misuse of the monitoring device or medication.

PARENT ORGANIZATIONS

South Pointe parents have organized several groups that fulfill a vital role in supporting South Pointe programs. Booster clubs support their selected areas through assisting with activities, sponsoring social events, and fundraising. South Pointe also has a very active volunteer program. Parents in this group assist in a wide variety of capacities based upon their interests and the school's needs. Information about membership is included in school newsletters or can be obtained by calling the school office or checking the school's website. We invite our parents and community to become active in these organizations. Come be a part of South Pointe! Parent and support organizations are a separate function of the school operated by the support organization executive committee.

***Alive at 25* Course Requirement**

Rock Hill High, and South Pointe require all students who wish to park vehicles on their school campuses, or the Applied Technology Center (ATC) campus, to complete the safe-driving course, *Alive at 25*. Since *Alive at 25* was launched in 2007, more than 55,000 students from ninety-eight South Carolina high schools have taken the course that emphasizes safe driving habits and the state's death toll among drivers 15-24 has dropped by 37%.

The 4 ½ -hour program, taught by former South Carolina Highway Patrol officers, teaches students about the dangers of speeding, using a cell phone/texting while driving, driving while intoxicated, as well as how to drive defensively. It is important that students take this class to understand the precautions and safety guidelines they should take when driving and obtaining driving privileges.

Only eligible students who complete the *Alive at 25* course will be able to purchase the \$20.00 parking pass. Once the course is completed, the school will be provided with the students' names. Students will only need to successfully complete the course once during his or her high school career.

The cost of the *Alive at 25* course is \$45.00; however, any student who cannot afford the fee should contact the South Carolina National Safety Council and ask about financial assistance. *Alive at 25* is sponsored by the National Safety Council, SC Chapter, and is a non-profit 501(c)3 organization. You may view available session dates and register online through our school's website or at www.scaliveat25.org.

STUDENT COUNCIL

South Pointe High School's Student Council provides a democratic forum in which students can address those school-related issues which affect the lives of our students. The Student Council provides a continuous communication channel between students, faculty members, and administrators. A year-long program of social functions and community projects is provided for students. Training in the duties and responsibilities of good citizenship is offered, using the school environment as the primary training ground. South Pointe students are encouraged to seek positions in the Student Council. Positions range from officers to representatives. Students who wish to run for election to Student Council offices should contact the Student Council advisor(s).

STUDENT CLUBS & ORGANIZATIONS

Students who are actively involved in their school are more likely to feel as though they are a part of the larger school environment. They also develop important social and leadership skills that will serve them well long after high school. South Pointe offers a wide variety of club and organizational opportunities in which students can participate. **All clubs are student-led with a teacher serving as sponsor.** Listed below are short summaries of several of these organizations and clubs in order that students may channel their energies into service and interest projects. This listing was accurate as of the time of printing. Some clubs may not be available due to low student interest/participation. Others may be added as the year goes along if there is enough student interest and a teacher is willing to serve as sponsor. Interested students are encouraged to contact the sponsor of these programs.

VISITORS

Parents and all other visitors are requested to report directly to the office upon arrival at school. The office staff will be happy to assist you in any way possible. Only visitors who are on school business will be permitted on the grounds during school hours. Immediately upon arriving on school grounds, all visitors must state their business with the proper authority and “check-in” at the main office. As a part of the check-in procedure, visitors must present a valid driver’s license to be scanned as a part of our security procedures. A visitor tag will be issued. Pursuant to State Law, persons entering the school property are deemed to have consented to search of their person and property (Act 373 of 1994).

TARDIES TO SCHOOL AND/OR CLASS

It is the desire of the South Pointe administration and faculty for students to have “0” tardiness to school in the morning and to classes during the school day. Tardy students disrupt the learning of all students when they enter a classroom. Tardiness causes a valuable loss of time. Tardiness is also evidence of a lack of self-discipline and should NEVER be tolerated as habitual behavior. Tardy to class/school is defined as: not in your classroom when the tardy bell rings. Physical Education students are to be in their assigned roll call areas when the tardy bell sounds.

Please note that tardiness due to running out of gas, oversleeping, flat tires, loss of electrical power, eating school breakfast, etc., are NOT excused tardies. Excuses for tardiness should be submitted to the attendance office. Students are advised to not waste tardies on situations like those listed above; rather, be on time so that serious penalties for excessive tardies can be avoided. Excessive tardiness can have results of warnings, ISS and OSS.

SPHS Tardy Policy

South Pointe has enacted a lockout tardy policy, meaning teachers will close the doors to classrooms when the tardy bell rings. (There will NOT be a warning bell that will ring one minutes prior to the tardy bell ringing.) Students who are locked out will report to the designated area to receive one of the consequences listed below.

Tardies will be accumulated per month. This means that a student can reach levels of consequences based on the combination of tardies from various classes during that month. It is possible to receive more than one tardy a day if a student is late to more than one class.

Tardies 1-3	Pass to Class
Tardy 4	Pass to Class; Warning
Tardy 5	Pass to Class; 1 Block of ISS
Tardy 6	Pass to Class; 1 Day of ISS
Tardy 7	Pass to Class; 1 Day of ISS
Tardy 8	Pass to Class; 2 Day of ISS
Tardy 9	Pass to Class; Parent Conference; 1 Day OSS

Tardies will reset at the beginning of each month.

LATE ARRIVALS TO SCHOOL

All non-bus riding students who arrive at school after 8:45 should receive an admittance pass before going to class. This also includes students that arrive during class change times. Failure to sign in at the attendance office will result in a referral to the office. When a student fails to sign in, their absence is not changed to reflect attendance in school. Failure to comply with this rule will affect attendance and cutting.

LATE ARRIVAL TO SCHOOL DUE TO BUS

Should a student arrive at school on a late bus, the following procedures will be followed. If a student is not eating breakfast, a time-stamped pass will be issued to the student to enter class. The student will be allowed **five** minutes to get to class. The teacher will not accept a pass without a timestamp. If they arrive over the five minutes they are considered late to class and will not be allowed in the classroom. If a student is eating breakfast they will be issued a breakfast pass. They will report directly to the cafeteria. They now have ten minutes to eat breakfast. Once they are finished eating, the teacher on duty will time stamp the pass so they can report to class. They will be allowed **five** minutes to get to class. The teacher will not accept a pass without a timestamp. If they arrive over the five minutes they are considered late to class. The student will be allowed in the classroom but the teacher will document the lateness to class.

EARLY DISMISSAL FROM SCHOOL

Students must have the school's permission to leave campus once they arrive on the school grounds. A student may be dismissed from school with written permission from the parent or legal guardian once school personnel approves it. Permission will not be granted allowing students to leave campus for lunch. Early dismissal notes should be submitted to the attendance office before school. Only those parents and emergency persons listed on the student information card will be allowed to pick up students for early dismissal. Emergency contact information should be verified at the beginning of each year through completion of the returning student online registration. The school needs to be informed in a timely manner if any changes may occur during the academic year in the information provided to the school. In case of student emergencies occurring at school, the attendance clerk will notify parents by telephone. **STUDENTS MUST ALWAYS SIGN OUT WITH THE ATTENDANCE OFFICE BEFORE LEAVING CAMPUS.** This applies whether the student brought an early dismissal note or if the student was notified by Attendance during the day that they were to be dismissed early. Failure to sign out or failure to leave campus immediately upon signing out could result in suspension.

SUPERVISION OF STUDENTS

Students are not permitted to leave school property once they have arrived in the morning without administrative approval until the regularly scheduled school closing time. Once on campus, students may not leave to go to nearby stores, return home for needed items, etc. **STUDENTS MUST HAVE THE SCHOOL'S PERMISSION TO LEAVE CAMPUS ONCE THEY ARRIVE ON SCHOOL GROUNDS.**

Supervision will be provided in designated areas for a reasonable length of time before and after regular school time for classes or an extracurricular activity. Supervision will be provided for students who ride a bus upon arrival and until such time as the bus departs after classes are dismissed. All other students will be provided supervision no more than fifteen(15) minutes prior to the opening of school and fifteen(15) minutes after classes are dismissed.

Supervision will be provided for students participating in extracurricular activities ten minutes prior to the designated arrival time and until all students have been picked up after the conclusion of the activity. This will include time that may be required for dressing after athletic events. Students who are repeatedly on the school premises after the designated time for supervision may be excluded from future extracurricular activities.

School officials are not required to maintain direct supervision of spectators before or after extracurricular activity. School officials will, at all times, provide reasonable supervision for crowd control during all extracurricular activities.

DISCIPLINARY INFORMATION

STUDENT CODE OF CONDUCT

Across the nation and the state, a rash of serious incidents, accidents and injuries have awakened educators, parents, and law enforcement officials to the need for more emphasis on maintaining order in the schools. South Pointe High School has enacted and will enforce a strong Code of Student Conduct designed to deter unacceptable behaviors and teach students to abide by the rules. The basis of the strict code is the concept of RESPECT...respect for others, for property, for authority, and for self. The code of student conduct also emphasizes PERSONAL RESPONSIBILITY. Each STUDENT is responsible for his/her own behavior and for knowing the rules of his/her school. TEACHERS are expected to handle minor misconduct thus avoiding referral to the principal or the principal's designee. PARENTS shall be involved early in the process by working directly with their child's teacher, as well as the school administration. The offenses listed in this code of student conduct are considered serious and will be enforced by the school administration.

Unacceptable behaviors are defined uniformly, but the consequences may vary depending on the degree of misconduct, the age, and record of the student, any special services the student may be receiving, and the judgment of the principal or the principal's designee.

All behaviors cannot be measured on an objective scale of deficiency, nor can such behaviors be attributed to the same motives. Therefore, the consequence section of the code of conduct is established as a **MINIMUM** guide for school officials to follow. The Principal reserves the right to assess each offense on its individual merit, and on the basis of its severity, and may impose any reasonable consequence.

All discipline rules and regulations shall apply at all school functions including the regular school day, school-sponsored events including extracurricular activities, student activity trips, field trips, and summer school-sponsored activities. Disruptive or poor behavior may result in a student being banned from attending future extracurricular activities.

PARENT'S ROLE

South Pointe High School seeks to provide all students with the best opportunities for academic and personal growth. To successfully meet our goal we must work with and have the cooperation of all parents. It is the school's responsibility to provide a safe, non-threatening environment for all students, and we ask that all parents...

- Teach your child self-respect, respect for the law, respect for the authority in the school and respect for the rights and property of others;
- Show a positive attitude toward the school and toward your child's learning progress;
- Make certain your child attends school ALL DAY, EVERY DAY, except for **serious** emergencies or when his/her illness is debilitating or may be contagious.
- Know your child's school, the teachers and the administration, and the expected curriculum;
- Work closely with school personnel to solve any disciplinary or academic problems;
- Teach your child to dress properly and neatly and to be clean and well-groomed;
- Make sure the school has your correct/current home and work telephone numbers, home address, and at least two emergency contacts (name/number);
- Encourage your child to get personally involved in school activities by participating in extracurricular programs.

Research continues to show that students are much more successful academically and personally when their parents get actively involved in their child's school experience. We look forward to getting to know and working with all our parents.

ADMINISTRATOR'S ROLE

- The administrators will, with the assistance of the faculty and staff, develop a Code of Conduct that is based on the school's philosophy. Emphasis will be placed on RESPECT and RESPONSIBLE DECISION-MAKING.
- The principal or principal's designee will have statutory powers, which permit them to determine disciplinary action appropriate to student misconduct. The Principal shall always protect the students' rights of due process and appeal.
- The principal, or the principal's designee, shall give strong consideration to the recommendation for discipline made by a teacher, other members of the instructional staff, or a bus driver when making a decision regarding student referral for discipline.
- The principal, or the principal's designee, may recommend to the Superintendent the exclusion of any student who has committed a serious breach of conduct, including, but not limited to, willful disobedience, open defiance of authority against a member of the school staff, violence against persons or property, or any other act which substantially disrupts the orderly conduct of the school. Any

recommendation of exclusion shall include a detailed report by the principal, or the principal's designated representative, on the alternative measures taken prior to the recommendation of exclusion.

- The principal, or the principal's designee, will make a reasonable attempt to contact the student's parents or guardians and inform them of the investigation of cases that may lead to a recommendation of exclusion for their child.
- The principal, or the principal's designee, shall make a good faith effort immediately to inform a student's parent or guardian by telephone of a student's suspension and the reasons for the suspension. A copy of all discipline referrals will be sent to parents.
- Principal's, or the principal's designee, will make a reasonable effort to contact the parent or guardian of a student who may be placed in personal or legal jeopardy due to interrogation by a law officer, and given the opportunity to be present during questioning. If the parent cannot be present, the principal or his designee may be given permission to be present in the absence of the parent. This does not include questions concerning any other matter pertaining to school or a school-related activity or event.
- The principal, or principal's designee, must release a student to law enforcement officers when a warrant is presented for the student's arrest. In this case, the principal should make a reasonable attempt to contact the parent or guardian.
- It is understood that disciplinary decisions are based on the judgment of the individual administrator according to the details of each specific case.
- The Code defines minimum consequences to be assigned for certain violations of school policy, procedures, and expectations; however, the principal or his designee determines the consequence. The administration may assign more than the minimums indicated in this Code.
- The student's record may be considered. Consequences will be increasingly severe if rules are broken repeatedly or habitually. Repeated disruptive behavior may constitute "defiance of authority," and may result in exclusion.
- The principal is required to report certain infractions to law enforcement authorities and may press charges if the violation warrants such action.

"LIVING THE SOUTH POINTE WAY"

"The South Pointe Way" is an initiative that is centered upon the principles of PBIS, Positive Behavior Intervention, and Support. The goal of "The South Pointe Way" is to express the importance of our three core values, which are *Integrity, Community, and Excellence*, while at the same time rewarding positive behaviors that take place in our school every day.

Our goal is to provide numerous opportunities for students to experience success at South Pointe High School. For this purpose, we have school wide expectations for behaviors we expect of our students here at South Pointe High School. We have incentives in place in order to help us accomplish our goal. We are excited about the fact that our students are rewarded for their positive contributions to our school culture. We are proud to say that we are "Living the South Pointe Way".

COMPLAINTS AND GRIEVANCES

Students who have complaints or grievances concerning school matters are to discuss such complaints or grievances with the appropriate assigned administrator. The decision of the principal may be appealed to the Superintendent. The decision of the Superintendent may be appealed to the Board.

The Board will only hear complaints and grievances when such have been presented through the channels outlined above. [JICDA Code of Conduct](#) Issued 5/23

Purpose: To establish the basic structure for a code of conduct and discipline for students.

The board expects students to conduct themselves in an orderly, courteous, dignified, and respectful manner. This requirement refers to their actions toward other students and teachers, their language, their dress, and their manners. The board believes self-discipline is an interpersonal goal of public education.

Students have a responsibility to know and respect the policies, rules, and regulations of the school and district. Violations of such policies, rules, and regulations will result in disciplinary actions.

The district's code of conduct and discipline is established to achieve and maintain order in the schools. In administrative rule JICDA-R, the administration offers a list of offenses along with the required or recommended dispositions for the information of students, parents/legal guardians, and school personnel.

Disciplinary actions will include appropriate hearings and reviews. The removal of a student from the learning environment will occur only for just cause and in accordance with due process of law. The board authorizes its school authorities to employ probation and suspension and to recommend expulsion, if necessary, to enforce this policy (see policies JKD and JKE). The administration will consider extenuating circumstances when taking disciplinary action.

The administrative rule is effective during the following times and in the following places:

- on the school grounds during and immediately before or immediately after school hours
- on the school grounds at any other time when the school is being used by a school group
- off the school grounds at a school activity, function, or event
- en route to and from school on a school bus or other school vehicle or at an official school bus stop
- at any time or place that has a direct and immediate effect on maintaining order and discipline in the Rock Hill School District

Some instances of disruptive conduct may overlap certain criminal offenses, justifying both administrative sanctions and court proceedings.

The administration may reclassify disorderly conduct (Level I) as disruptive conduct (Level II) if the student frequently engages in (Level I) disorderly conduct offenses.

Acts of disruptive conduct may include, but are not limited to, the following:

- When the administrator observes (or is notified and verifies) an offense, he/she will investigate the circumstances of the misconduct and confer with staff on the extent of the consequences.
- The administrator will notify the parent/legal guardian of the student's misconduct and related proceedings. The administrator will meet with the student and, if necessary, the parent/legal guardian, confer with them about the student's misconduct, and apply the appropriate disciplinary action.

Level III - Criminal Conduct

Criminal conduct includes those activities in which students engage that result in violence to themselves or to another's person or property or which pose a direct and serious threat to the safety of themselves or others in the school. These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities, and/or action by the board.

Acts of criminal conduct may include, but are not limited to, the following:

- assault and battery
- extortion
- bomb threat

The staff will follow these basic enforcement procedures in instances of criminal conduct:

- The administrator will contact law enforcement.
- When an administrator observes (or is notified of and verifies) an offense the administrator will confer with the staff involved, apply the appropriate disciplinary action, and if appropriate, meet with the student.
- If warranted, the administrator should immediately remove the student from the school environment. The administrator will notify a parent/legal guardian as soon as possible.
- The first offense by a student of Level III criminal conduct at a middle or high school shall result in an automatic five day suspension and possible criminal charges. A second offense by a student of Level III criminal conduct shall result in referral to the district's alternative learning program, possible criminal charges, or possible expulsion. The student must complete two consecutive semesters without Level II or III offenses before returning to his/her home school.

Extenuating, Mitigating, or Aggravating Circumstances

Administrators are to take appropriate action when student misconduct away from school grounds or school activities has a detrimental effect on the educational environment, safety, or general welfare of students or staff of the district. Student misconduct includes any action performed in person, in writing, or electronically. The administrator should take into consideration the protection of students and staff from the effects of violence, drugs, and/or disruptions. At a minimum, administrators or their designees should meet with the student upon his/her arrival at school, give the student notice of the concerns, and allow the student an opportunity to present his/her side of the story. The administration may either permit the student to attend classes as usual or may take appropriate disciplinary action including, but not limited to, in-school suspension or out-of-school suspension in order to conduct an investigation into the matter. The parents/legal guardians of students will be notified of any action taken by the administration and offered the opportunity for a conference with the administration.

In the event the student is incarcerated based on his/her out-of-school conduct, the principal or his/her designee will notify the student that he/she is to meet with the administration prior to returning to school. At the conclusion of the inquiries to obtain more information on the matter, the administrator or his/her designee should take appropriate action which may include, but is not limited to, one or more of the following:

- returning the student to his/her normal class schedule and removing all evidence of suspension
- placing the student on probation and allowing the student to resume his/her normal class schedule
- placing the student on probation, allowing the student to continue classwork, but restricting the student's participation in extracurricular activities and/or designated school activities; for example, clubs, study halls, pep rallies, student government activities, and so forth
- suspending the student
- recommending expulsion of the student from regular school and placement in the district's alternative school
- recommending expulsion but allowing access to virtual school programs through the district's alternative school (these students are only allowed on alternative school campus for coursework and exams that require a proctor in a virtual school accessed through our district's alternative school); students not able to successfully enroll will be expelled for the remainder of the school year
- recommending expulsion of the student for the remainder of the year

Discipline of Students with Disabilities

Disciplinary process

Students with disabilities as identified under the Individuals with Disabilities Education Act (IDEA) are not exempt from school disciplinary processes, nor are they entitled to remain in a particular educational program when their conduct substantially impairs the education of other children in the program. However, federal and state laws and regulations require the public schools to meet the individual educational needs of a student with a disability to the extent that current educational expertise permits.

Program prescriptions

A staffing committee for students with disabilities as identified under the IDEA may prescribe or prohibit specific disciplinary measures for an individual student by including appropriate provisions in the student's Individualized Education Plan (IEP). The committee must take into consideration the student's disabling condition when deciding whether or not staff may use a particular form of discipline. Administrative authorities should observe any such provisions contained in a student with disabilities' individual education plan, except that a staffing committee may not prohibit the initiation of proceedings for suspension or expulsion that are conducted in accordance with regulation.

Suspensions

The administration may suspend a student with disabilities unless a suspension is prohibited by the student's individual education plan. At the end of the suspension, the school should return the student to the same educational placement, if appropriate. The school may suspend students for up to 10 days during the regular school year for a disciplinary infraction.

However, students who bring weapons to school or a school function, knowingly possess or use illegal drugs or solicit the sale of controlled substances while at school or a school function, or inflict substantial physical injury to another individual in the school environment may be removed for up to 45 days at a time. If the principal and IEP team believe that a child with a disability is substantially likely to injure self or others in the child's regular placement, he/she may petition an impartial due process hearing officer or get a court injunction to order that the child be removed to an interim alternative educational setting for a period up to 45 days.

Expulsions

Expulsion of a student with disabilities is equivalent to a change in educational placement and, therefore, requires special procedures. Before a student with disabilities may be expelled, an IEP team must determine whether or not there is a connection or causal relationship between the disabling condition and the misconduct. If it is determined that there is a causal relationship between the student's misconduct and the student's disability, the student would continue to receive services in the regular school setting. If the behavior is not related to the disability then the student is subject to regular discipline. However, provisions must be made to allow the student to continue to progress in the regular curriculum and meet the goals of the IEP.

The district will continue to provide a free and appropriate education as set forth in a student's IEP to expelled students with disabilities.

Nothing contained in this administrative rule will be construed as limiting an administrator's ability to remove a student with disabilities from school immediately under emergency conditions.

Issued 5/28/90; Revised 8/26/91, 5/29/07, 4/15/11, 2/27/12, 5/23/16, 6/13/23

Extenuating, Mitigating, or Aggravating Circumstances

The board may give the appropriate administrator the authority to consider extenuating, mitigating, or aggravating circumstances that may exist in a particular case of misconduct. The administrator should consider such circumstances in determining the most appropriate sanction.

Student Conduct Away From School Grounds or School Activities

Administrators are to take appropriate action when student misconduct away from school grounds or school activities has a detrimental effect on the educational environment, safety, or general welfare of students or staff of the district. Student misconduct includes any action performed in person, in writing, or electronically. The administrator should take into consideration the protection of students and staff from the effects of video recordings, violence, drugs, and/or disruptions. At a minimum, administrators or their designees should meet with the student upon his/her arrival at school, give the student notice of the concerns, and allow the student an opportunity to present his/her side of the story. The administration may either permit the student to attend classes as usual or may take appropriate disciplinary action including, but not limited to, in-school suspension or out-of-school suspension in order to conduct an investigation into the matter. The parents/legal guardians of students will be notified of any action taken by the administration and offered the opportunity for a conference with the administration.

In the event the student is incarcerated based on his/her out-of-school conduct, the principal or his/her designee will notify the student that he/she is to meet with the administration prior to returning to school. At the conclusion of the inquiries to obtain more information on the matter, the administrator or his/her designee should take appropriate action which may include, but is not limited to, one or more of the following:

- returning the student to his/her normal class schedule and removing all evidence of suspension
- placing the student on probation and allowing the student to resume his/her normal class schedule
- placing the student on probation, allowing the student to continue classwork, but restricting the student's participation in extracurricular activities and/or designated school activities; for example, clubs, study halls, pep rallies, student government activities, and so forth
- suspending the student
- recommending expulsion of the student from regular school and placement in the district's alternative school
- recommending expulsion but allowing access to virtual school programs through the district's alternative school (these students are only allowed on the alternative school campus for coursework and exams that require a proctor in a virtual school accessed through our district's alternative school); students not able to successfully enroll will be expelled for the remainder of the school year
- recommending expulsion of the student for the remainder of the year

IN-SCHOOL SUSPENSION PROGRAM (ISS)

Students who are suspended in school for violating school rules will serve the suspension in the in-school suspension classroom. **Students will only be assigned to ISS by a school administrator.** Assigned students should report to ISS by 8:45 a.m. on the days assigned. The student will remain there until school is dismissed. If a student has an early release, he/she will be permitted to leave at that time but will be required to make up this time in ISS the following day. While in ISS, the student must do the work that is assigned by the supervising teacher and obey the rules. ISS Rules are as follows:

- Students will be assigned seats and will remain in the seat assigned to them unless otherwise instructed, desks should not be moved, turned, or altered in any way.
- No Talking unless asking a question to ISS Monitor
- Laptops will be collected when entering, time will be set aside for completion of Canvas assignments

- Cell phones will be collected upon entry; they will be secured and returned at the end of the day
- No video streaming of any kind is permitted
- Bathroom breaks are taken ONCE per class period
- Disrespectful language will not be tolerated
- Students should not open the door for visitors or other students
- Assignments are expected to be completed once laptops are returned, failure to do so will result in trip to admin and possibly an additional day of ISS
- No vending machine trips. All students will have a chance to eat lunch.
- No sleeping

Students must serve all days assigned in ISS. Failure to serve will result in an absence for the days missed and upon the student's return to school, he/she must complete the suspension in ISS. Students who report to regular classes after being assigned to In-School Suspension or fail to follow ISS rules will receive further disciplinary action.

Students who serve ISS will be counted present in school for those days. It is the student's responsibility to go to each teacher and find out what was missed. This should be done before and after school on the suspension days. Those who wait until after their suspension days to ask for makeup work will find themselves further behind in their classes. Failure to make up the work within three days may negatively impact any graded assignments. Students in ISS will need to bring work to complete, they will have limited access to CANVAS. They should ask the teacher for a paper copy of any assignment.

OUT OF SCHOOL SUSPENSION (OSS)

Students are expected to conduct themselves in a manner that will be in the best interest of the school at all times. Conduct, which disrupts class, or involves substantial disorder or invasion of the rights of others, is a basis for suspension or exclusion of the student. The student's administrator may assign OSS for a period of one to ten days based on the severity of the incident.

Assignments can be made up during OSS. Students should locate assignments on Canvas and contact their teacher via email if they have any assignment specific questions.

RECOMMENDATIONS FOR EXCLUSIONS (EXPULSION)

The administrative staff at South Pointe High School has developed guidelines for semester exclusions. A student will be recommended for exclusion from school when the student has accumulated **10** days of Out of School Suspension. Students may be recommended for immediate exclusion if the violation falls under our Safe School policy that recommends student exclusion. Examples of conduct that may lead to suspension or exclusion are indicated in the discipline section of the handbook. Please read and fully understand the contents of this policy.

Students who are recommended for exclusion will be provided an opportunity for a hearing before the district exclusion hearing officer. The hearing officer may recommend that the student be readmitted to school immediately, that the student be excluded for less than the remainder of the year, or that the student be excluded for the remainder of the year.

Suspension or exclusion recommendation in no way rescinds the right of the principal to have a student arrested when the conduct of the student has violated "the law" or poses a threat to property or the well being of other students or staff.

EXPULSION OF STUDENTS *Code JKE Issued 6/23*

Purpose: To establish the board's vision for the expulsion of students.

A student may be expelled for any reason listed in the Student Code of Conduct (policy JICDA) or for the commission of any crime, gross immorality, gross misbehavior, or the violation of any other written policies, rules, or regulations established by the board or the State Board of Education; or when the presence of the student is deemed to be detrimental to the best interest of the school. The Board of Trustees believe in a safe and secure learning environment, thus considering that all students repeatedly engaging in level three criminal conduct shall be better served in an alternative learning setting.

If procedures for expulsion are initiated, the parent/legal guardian of the student will be notified using multiple methods of communication (by phone and in writing) of the time and the place of a hearing before the district hearing officer. The hearing will take place within five school days of the incident barring unforeseen circumstances, such as incarceration, illness, etc., at a time and place designated by the school, unless the parent/legal guardian has requested to delay or if a manifestation determination must be held. A decision will be rendered within three school days of the hearing. The student may be suspended from school and all activities during the time of the expulsion procedures. It is the district's intention to process hearings and appeals in a timely manner in an effort to limit the number of school days missed by the student.

At the hearing, the parents/legal guardian will have the right to legal counsel and to all other regular legal rights, including the right to question witnesses in a manner determined by the district hearing officer. The student and/or parent/legal guardian has the right to appeal the decision of the district hearing officer. The first line of appeal is to the superintendent or his/her designee. The superintendent or his/her designee may provide an opportunity for the expelled student to re-enroll and attend classes at an alternative educational setting. The decision of the superintendent or his/her designee may be appealed to the Rock Hill School District Three of York County Board of Trustees.

Within three school days of the hearing, the hearing officer will notify the student and parent/legal guardian of the decision as to whether the student committed the alleged rule violation(s) or misconduct, based upon the evidence presented at the hearing, and the appropriate consequence. If the hearing officer determines that grounds for expulsion exist, he/she may expel the student for the remainder of the first semester, for the remainder of the current school year, or permanently. With a decision to expel, the hearing officer or the superintendent's designee, may make a recommendation that the student receive an application to attend an alternative program.

The hearing officer will report his/her decision in writing to the student, the parent/legal guardian, the superintendent, and the school. If the hearing officer determines that grounds for expulsion do not exist, absences resulting from the suspension may be excused if appropriate, and the student's record will reflect the decision of the hearing officer. The student will be allowed to make up missed work as appropriate.

A student who has been expelled is not permitted on the grounds of any of the district's schools; not permitted to attend school activities, functions, or events on or off school grounds, except for a prearranged conference with an administrator; and not permitted to board school buses. A student found on school grounds; at school

activities, functions or events; or on a school bus, without permission from an administrator, while expelled will be subject to further discipline.

Acts of criminal conduct that may prohibit an expelled student from applying to the alternative program include but are not limited to the following:

- firearm on campus
- selling/distributing drugs on school property or within one-half mile of school grounds
- brandishing a weapon
- threats to take life or inflict bodily harm upon a teacher, principal, or members of their family
- serious crimes in the community

PETITIONS FOR READMISSION FROM EXCLUSIONS (EXPULSION)

Students who have been expelled for the remainder of the current school year or for the remainder of a semester in some cases in high school may make a written request to the superintendent, or the superintendent's designee, for readmission for the subsequent semester or school year. The request must be in the form of a reflection letter written by the student and signed by both the parent and the student. The letter should meet the guidelines described in the attached Expulsion Reentry Course Description. All students must complete the mandatory portion of the Expulsion Re Entry Course. Students in high school who are expelled and enroll and successfully matriculate in one of the school district's alternative program opportunities, such as the Renaissance Academy or Alternative Educational Services, will not have to complete all parts of the Expulsion Re Entry Course. As well, middle school students will not have to complete all parts of the Expulsion Re Entry Course.

If a student fails to complete the reentry requirements as specified in the Expulsion Reentry Course or chooses not to attempt the Expulsion Re Entry Course, the student may return to school on a strict behavior contract. If a student fails to initiate the reentry process and is under the age of 17 years old, he/she will be referred to Family Court for truancy according to the Compensatory Attendance Regulations for South Carolina.

If the superintendent, or the superintendent's designee, denies the student's request, or in all cases of permanent expulsion, the student may make a written request to the Rock Hill School District Three of York County Board of

Trustees for readmission and may include a request to appear before the board. If the request is denied by the board, the student may submit another request prior to the following school year.

STUDENT DISCIPLINARY ACTIONS OF ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES

An activity often entails activities of public interest, visibility, and focus of attention. Students who take part in such activities, in effect, serve as special ambassadors of the school they represent. Consequently, the behavior of those students who choose to participate in these activities draws such public interest and attention that is unique in its capacity to elevate or diminish the School District's standing in the public mind. A strong public education program cannot exist without strong public support.

Therefore, all students participating in extracurricular activities who are charged by law enforcement authorities with criminal conduct or who engage in other acts of "gross misbehavior", e.g. (A) possession or use of controlled substances at school or at school-sponsored activities, (B) acts of disrespect to a teacher or other school authority, (C) acts of cruelty or violence either physical or emotional, (D) use of profane or vulgar language – shall, at the discretion of the principal, be subject to suspension and/or possible exclusion from participation in extracurricular activities.

NOTICE OF DECISION AND RIGHT TO APPEAL EXCLUSION FROM EXTRACURRICULAR ACTIVITIES

Notice of a decision by the principal to suspend or exclude shall be given to the student's parent/guardian in writing. In those instances where the principal's decision is to suspend the student from participation in activities for more than five (5) consecutive school days, the notice shall conclude with a final sentence that stands alone and in bold print that reads as follows:

**“This decision may be appealed to the Superintendent or Superintendent’s designee within five (5) days of this decision by submitting the following request in writing and addressed to Superintendent, Rock Hill School District, P.O. box 10072, Rock Hill, SC 29731: Please schedule at the earliest available time a hearing to review the decision of _____,
Principal of _____ school, to (suspend) (exclude) my son/daughter,
_____, from participating in activities.**

Nothing herein shall be construed as limiting the responsibility or authority of school officials to initiate standard disciplinary processes or take other disciplinary actions as may be deemed appropriate.

Any student formally charged by law enforcement with criminal conduct about which school officials neither know nor are able through their own investigative efforts are able to determine the facts will be required to cease participating in extracurricular activities pending resolution of the criminal charge. Upon resolution of the charges, the matter will be reexamined and a decision made regarding any further exclusion from extracurricular activities.

ALCOHOL AND/OR DRUGS

The possession, use, being under the influence of, or distribution of alcohol, drugs, or other controlled substances on school campuses will result in OSS, mandatory participation in the District Keystone program, referral to law enforcement, and possible expulsion. Students can attend Keystone only once per academic year. A second offense during the same academic year will result in a recommendation for expulsion. All suspected illegal substances will be confiscated.

STUDENTS WHO HAVE A DRUG RELATED ODOR

Students that have to be removed from a class because they have a marijuana type odor that is disruptive to the learning environment for other students and the teacher.

SEARCH AND SEIZURE AND THE USE OF TRAINED DRUG DOGS ON SCHOOL PROPERTIES

In compliance with RHSD policy and as authorized by state law, school administrators and officials may conduct reasonable searches on District property of lockers, desks, vehicles, and personal belongings such as purses, book bags, wallets, and satchels, with or without probable cause, subject to the limitations and requirements of this policy to include random searches. Board policy permits district personnel to conduct random blanket searches of school property with professionally trained handlers and dogs for the purposes of detecting the presence of illegal materials. - [Policy JIH](#) and [Administrator Rule JIH-R](#)

DRUG DOG

The Rock Hill School District and the Rock Hill Police Department established a drug prevention program designed to keep school premises free of controlled substances. An officer of the Police Department and a dog trained to detect drugs will periodically visit schools to inspect lockers and automobiles parked on the premises. The program is designed for the dog to sniff property only. Should a student with a controlled substance on his/her person come close to the dog, the animal will pick up the scent. This may be the reason for the principal to investigate further. The principal or his designee will accompany the officer while on school grounds. Students found to be involved in bringing controlled substances to school will be disciplined according to district policies.

The U.S. Supreme Court has ruled that random drug testing for students who participate in extracurricular activities is constitutional as long as certain procedural steps are followed.

Before taking disciplinary action, pursuant to this rule, the principal shall meet and confer with the student’s teacher and extracurricular sponsor(s). The principal’s decision shall be final unless reversed or modified on appeal to the Superintendent or the Superintendent’s designee, in which event the decision of the Superintendent or the Superintendent’s designee shall be final.

If a student is found to be in violation of the above rule, the following consequences shall be applied:

FIRST OFFENSE: The student shall be suspended from all extracurricular activities for not less than five (5) consecutive school days. If the offense involves the use or possession of a controlled substance, the student must enroll in the Keystone program and complete the program. If at any point, the student fails to follow all rules and regulations for attendance and participation in the program, he/she will immediately become ineligible to participate in any activity until the program is fully completed. The student's eligibility to resume participation is contingent upon his/her agreement to participate in a random controlled substance testing program for a period of not less than six school months.

SECOND OFFENSE: The student shall be suspended from all extracurricular activities for the remainder of the school year. However, if the second offense occurs with less than six(6) weeks remaining in the school year, the principal may, if he/she chooses, extend the suspension period to include the first six (6) weeks grading period of the ensuing school year.

FELONY CRIMINAL CHARGES: Charges brought by law enforcement of felony criminal offenses shall result in immediate ineligibility for a calendar year from the date of the charge. If a student is found not guilty of such charges, he/she shall be eligible, following review by the principal, for immediate reinstatement. If a charge brought forth by law enforcement is of high and serious nature, but may not be classified as a felony, the charge may be determined, by review of the principal, to be treated just like a felony for purposes of this rule.

Any violation of this rule under a court-ordered penalty or performance obligation (i.e. pre-trial intervention) of some kind would remain ineligible, as the rule should apply until the court order has been fully satisfied.

DISTRICT POLICY ON HARASSMENT, INTIMIDATION OR BULLYING

Code [JICFAA](#) Issued 1/16

Purpose: To establish the basic structure for maintaining a safe, positive environment for students and staff that is free from harassment, intimidation, or bullying.

The board prohibits acts of harassment, intimidation, or bullying of a student by students, staff, and third parties that interfere with or disrupt a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment whether in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or another program or function where the school is responsible for the student.

HARASSMENT/INTIMIDATION

Harassment is unwelcome behavior that makes a student or staff member feel uncomfortable or unsafe. Such behavior is detrimental to the learning environment and can add to poor self-esteem on the part of the person being harassed. Such behavior goes beyond what would be considered innocent fun. Harassment can take the form of physical, verbal, and/or nonverbal behavior. Some examples of this inappropriate behavior include, but are not limited to the following unwelcome behaviors: *physical contact, threats, insults, name calling, obscene gestures, telephone calls, text messages, electronic or online communications (Snapchat, Instagram, Twitter, TikTok, Facebook, etc.), jokes, notes, starting/repeating rumors about someone, continuous staring at someone which brings about obvious discomfort, and other inappropriate behaviors which have the same effect on someone.*

No one deserves such treatment as that stated above. If a student feels he/she is being harassed, the student should first ask the harasser to stop the unwanted behavior. If the behavior continues, the student should report the problem to a teacher, a counselor, an administrator, or another school person in whom the student has trust. In addition, the victim should refrain from using harassing behaviors himself/herself in retaliation for the treatment (s) he is receiving. It is most important that the problem be addressed in the proper manner.

If a student is unsure whether his/her behavior is harassing in nature, the student should ask himself/herself if the behavior is one that would be appropriate to display in front of an adult that I (the student) respects. Or, would the behavior be unwelcome if it were directed toward someone that I (the student) love? If the answer to either of these questions is “No,” then the behavior is likely to be harassing or offensive and should be eliminated. Students who continue to allow themselves to be the victims of harassing people are, in effect, condoning such behavior. A student should not be afraid to seek help if he/she cannot get the harasser to terminate the undesired behavior. All reported incidents will be investigated by administrative personnel.

Policy JIAA Sexual Harassment of Students (Issued 11/21):

Purpose: To establish the board's vision for student rights and responsibilities with regard to sexual harassment. Any student who feels he/she has been subjected to sexual harassment is encouraged to file a complaint in accordance with administrative rule [JIAA-R](#).

District Policy AR JIAA-R Sexual Harassment of Students (Issued 11/21).

*Note: Upon receipt of a complaint under this policy, the administrator shall consult with the Title IX coordinator for guidance. This policy does not apply to any conduct that rises to the level of sexual harassment, as determined by the Title IX coordinator, consistent with the 2020 Title IX regulations addressed in Board policies [GBAB](#) and [JBAB](#).

A parent/legal guardian may also file a complaint on behalf of his/her child, using the district form [JIAA-E](#). All allegations will be investigated promptly, thoroughly, and impartially to determine what occurred. In the interim and at the conclusion of the investigation, appropriate steps will be taken to effectively address the situation.

BEHAVIOR AT ATHLETIC EVENTS

SPHS is known for its school spirit, a spirit that is noted by anyone who visits the school or attends one of its athletic events. As the players on the field or court have a responsibility to do their very best, so also do the fans in the stands. Fan support is best when it is positive, good-natured, and sportsmanlike. Booing, taunting, or deriding an opposing player, fan, or official is unacceptable. Cheers, chants, signs, or gestures that are obscene, mocking, or derogatory are not reflective of Stallion spirit. Any violation of this code of conduct for athletic events could result in any or all of the following consequences depending on the severity of the offense as deemed by school administration: removal from the event, school punishment including but not limited to in-school suspension or out of school suspension, and banning of student from future school-sponsored events.
