To whom concern:

My name is Ana M. Tejeda and Jim so glad to attend the ESL from ParentSmart since January 2009.

I'm participate with the PAT - home visits for my two boys.

The teachers on the program who visited my house in that period have helped me to know new dexterity for the children. I feel I am a better - parent with the knowledge I have - received.

I am looking forward, with much excitement, to continue in the program - next school year.

Thanks all for your support.

Sincerely, Ana Maria Tejeda
