

PAT Success Story

This program has been particularly beneficial for my son Kevin. In my heart something always told me there was something wrong with him ever since he was little. While we lived in Charleston, Kevin was not given much follow-up to his "small" problems.

Ever since Kevin began this program, he has had a radical change of at least 90%. Now he is a different boy, more patient, relaxed, attentive, and educated. These have been the greatest changes we have witnessed in less than six months. These changes are truly RADICAL...so much in so little time!

Although we still have much time to recover and a long road ahead of us, I have the hope and faith that Kevin will continue to improve. With continued effort, dedication, and focus, I am confident we will achieve our future goals for our son.

While I have reiterated my gratitude on many occasions, I want to stress again how deeply grateful I am for the opportunity I have been given to become part of this great program. Many thanks for the time and dedication of all the staff at ParentSmart. My greatest thanks is for Ms. Ariana, my Parent Educator, for her patience, enthusiasm and for being my confidante. Thank you all so very much!!!

In addition, I want to thank Ms. Kathy and Ms. Chuana for the time they dedicate to my son. Lately, he asks to see them even on the weekends!

I also want to take a moment to thank Ms. Geisel for the great job she does teaching us everyday. She always has a lesson plan and a theme to study. Of greatest importance to me is her ability to speak Spanish so fluently. This allows us to learn the correct translation and interpretation of words as well as learn the proper English pronunciation.

May God bless all the staff at ParentSmart and may He help to continue this program for many years to come!

Sincerley,
Carmen Lopez
