Services

Parent as Teachers® (PAT)-Personal Visitation Program

Parent education and family support personal visitation program serving families throughout pregnancy through age six. Parent Educators interact with the parent and child in their natural setting to provide developmental information and support.

Family Literacy Partnership

Parent education program serving parents and children together in a school-based, family friendly learning environment "Where Parents are at the Heart of Education". Parents earn their South Carolina High School Equivalency Diploma or learn English while their preschool children engage in a variety of developmentally appropriate activities. Parents gain support in reaching family and career goals while learning how to prepare their children for success in school.

Teens - Teen Parent Program

Parent education and personal visitation program serving teen parents, including expectant teen parents. Teen Parent Educator interacts with the teen parent(s) at their home and/or school to strengthen their parenting skills.

Parent Discussion Groups & Workshops
