# WHAT DO I DO FOR WORK?

I clean up trash and walk the trails to keep the park clean. I pick weeds out of the flower beds, spread pine needles and plant plants. I also spread mulch around the trees.

# WHEN DO I PICK WEEDS OUT OF THE FLOWERS?

I pick the weeds out when I  
see them.

# WHAT DO I DO ON THE WEEKENDS?

We have softball tournaments so we have to drag the fields the night before. When we come in the morning we put chalk on the field.

# WHAT ARE THE FINANCES AT WORK?

*I work 16 hours a week. It  
really depends on my  
schedule.*

*When I get out of school I'll  
be working full time.*

# TIME INVESTMENT

I work at Cherry Park most of the time and I live in Catawba. Cherry Park is 18 minutes away from my house so I have to leave about 5:45 to get there. When I work on the weekends I have to be at work at 6 in the morning. I have to be on time or I'll get a penalty. *A valid Driver's License is required.*

# ANNUAL VIEW

When Covid started I was applying for a job with the city, then the city shut down. When we were in quarantine I was looking for jobs. I applied with the City then called after everything opened back up so it took a couple months. I worked for about 3 months and I like the job. It's so much fun. I love being outside talking to people and helping people.

I started this project last semester, then Covid got in the way. I picked back up in March, 2021.
