

Younglife internship

CARSON HOWE

NORTHWESTERN HIGH SCHOOL

12TH GRADE

Personal aspirations

- ▶ I wanted to pursue an internship through Younglife in order to give me an idea of what it means to be a leader. I desire to be an on staff younglife leader in college and possibly as a future occupation. Youth ministry has always been very important in my life. Therefore having the ability to continue this trend in others lives has been extremely important to me. This internship has given me an outlook on what it is like to work in youth ministry. It has opened my eyes to the amount of hard work that it takes.
