I understand that free bus transportation is provided to and from the Applied Technology Center (ATC) and my child's assigned school. I also understand that school officials encourage and recommend that all students use district provided bus transportation to and from the ATC. Knowing this information, as parent/guardian of _____, I have chosen to opt out of District provided transportation and authorize my child to drive in his/her private vehicle. The Board of Trustees has approved the use of private vehicles and adopted a set of rules governing the use of private vehicles for student transportation when parents/guardians opt out of using District transportation. Any violation of the rules may result in the temporary or permanent loss of these privileges. _____ Parent/guardian initials

I have read and understand the rules and regulations pertaining to driving and riding to the ATC. I understand my child is not permitted to transport passengers, unless siblings, in his/her vehicle. I understand there is an element of risk for students who drive to or from their sending school to the ATC. I am granting permission for my child(ren) to travel to and from their assigned high school and the ATC during the current school year as indicated above. I also agree to allow my child(ren) to leave campus during the lunch period in the event he/she is enrolled in two concurrent classes at the ATC. _____ Parent/guardian initials

I release and discharge Rock Hill School District #3 of York County, the members of the Board of Trustees of Rock Hill School District #3, and their agents, employees, and representatives of the District, from any claim or cause of action for any losses, damages, or injuries arising out of, during, or in connection with my child(ren's) participation in driving/riding in a private vehicle between the feeder high school, to and from the worksite, co-op sites, and the ATC. _____ Parent/guardian initials

There is NO charge for an ATC parking sticker. However, I understand that my child MUST have an RHHS or SPSHS hang tag in order to receive an ATC parking sticker. ATC parking stickers are placed on the sending school's hang tag. For students who attend Phoenix Academy and ATC only, a hang tag and sticker will be provided at no cost.
