Emergency Contact Telephone # (if same as owner of car, you can leave blank) _____

.....
I have read and understand the rules and regulations pertaining to driving and riding to the Applied Technology Center. I understand there is an element of risk for students who drive from their sending school to ATC. I am granting permitting for my child(ren) to travel to and from their assigned high school and the Applied Technology Center during the current school year as indicated above. **I also agree to allow my child(ren) to leave campus during the lunch period in the event he/she is enrolled in two concurrent classes at the Center.**

I release and waive the Board of Trustees of the Rock Hill School District #3 of York County, the individual board members, agents, employees, and representatives of the Districts, from any claim or cause of action for any losses, damages, or injuries arising out of, during, or in connection with my child(ren's) participation in driving/riding in a private vehicle between the feeder high school, to the worksite, co-op sites, and the Applied Technology Center.

I understand that free bus transportation is provided to and from ATC and my child's assigned school. I also understand that school officials encourage and recommend that all students use district provided bus transportation to and from the Applied Technology Center. The Board of Trustees has approved the use of private vehicles and adopted a set of rules governing the use of private vehicles for student transportation. Any violation of the rules may result in the temporary or permanent loss of these privileges.

There is **NO** charge for an ATC parking sticker. However, you **MUST** have an RHH or SPHS hang tag in order to receive an ATC parking sticker. ATC parking stickers are placed on the sending school's hang tag. If your child(ren) is a Phoenix and ATC student only, a hang tag and sticker will be provided for you at no cost.
