ROCK HILL HIGH SCHOOL MISSION STATEMENT

The Rock Hill High School community works to provide a safe, supportive, and challenging learning environment in which each student chooses a unique path to success in a global society.

CORE BELIEFS

Learning can be achieved by all students and is the chief priority for the school.

• Students have the opportunity to explore and make guided choices in their academic experiences.

• Students are provided guidance from the school community in order to make informed decisions about their future career path.

• A safe and supportive environment promotes student learning and mutually respectful relationships.

• Students, parents, school staff, and the community are responsible and accountable for the success of the school as a learning organization.

Commitment to continuous improvement must be a primary focus of the learning organization to enable each student to be an adaptive and productive member of global society.

SCHOOL SEAL

In 1933, an official seal for RHHS was designed by Walter C. Sullivan, Principal and Mrs. Clarence M. Kuykendal, Art Teacher.

Symbolism: the open book and quill stands for knowledge received through instruction and study; the lyre, for the musical training available in school; the artist's palette, for art training and aesthetic opportunity; the mask, for training in the dramatic arts; the winged sandal of Mercury, for the learning in all fields, with particular emphasis on academic excellence; the perpetual flame of the Lamp, for the limitless opportunities always available to young people of good education.

The motto is Latin Carpe Diem, meaning, in strict translation: "Seize the day" and in a free translation, "Take advantage of all opportunities."

BEARCAT CREED

We strive to serve as we ought; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save that of knowing that we have given our best.

Students can receive up to **5 temporary IDs on** credit from the attendance office.

Textbooks/Equipment

Textbooks, instructional materials, and instructional equipment issued to students become their responsibility. Students are not to leave their book bags or books unattended at anytime. Students are expected to have their textbooks for daily use. Students will be assessed the replacement cost of any unreturned textbooks/ equipment.

When students are issued a textbook, they should check the pages for writing, the covers for damage, and the spine of the book for damage. They should report any damages immediately. If the student fails to do this, he/she may be held responsible for previous damages to the book. Please follow all these guidelines to avoid fines/fees. Make sure your name is in the book.

The procedure to follow if a textbook is lost during the semester of use: If a textbook is not available to the student for use for any reason during the semester, the student must request that another textbook be reissued by signing the Request for Textbook form outside the assistant principal's office so that another textbook can be issued. Reasons that a textbook may not be available include the textbook being lost, being stolen, being damaged, or vandalized. For any of these reasons or others not mentioned, it is the student's responsibility, to whom the book is issued to pay for the textbook.

The student must:

- 1. Check all locations where the book may have been left.
- 2. Check with any students that may have borrowed the textbook.
- 3. Loaning textbooks is not permitted.
- 4. Notify his/her teacher that the book is lost.
- 5. Pay for the lost/damaged textbook. The student will not be allowed to participate in the Prom or Graduation ceremony, and will lose driving privileges if he/she owes for a textbook.
- 6. Pay any charges assessed for damages on textbooks.
- 1

- 7. There is a \$10 restocking fee for all books recovered past the end of the semester that the book was issued.
- 8. The student is to report to Mr. King to see if his/her book was found. If the book is not found, the fee for the textbook must be paid to the bookkeeper, before a book is reissued to the student. Students are to sign the textbook request form outside of Mr. King's office if he is not available.

Insurance

Supplemental insurance is available for all athletes through the school. Forms will be sent home at the beginning of the school year. All athletes are required to purchase the insurance unless the school receives a statement from the parents which specifically assumes the responsibility of the cost of treating athletic injuries.

Lost and Found

The Lost and Found is in A building office. Lost items may be reclaimed upon proper identification. Students may visit a secretary in the main office for the purpose of claiming lost items before and after school, or lunch time. <u>Do not</u> come during class time. Items not claimed will be turned over to a charitable organization.

Lockers

Each student is entitled to the use of a locker. Students are not allowed to use a locker that is not assigned to them. Key locks and laser locks are not allowed unless approved in advance by the administration in special situations. Lockers must be kept locked. Valuable articles should not be kept in lockers, and we strongly discourage students from bringing valuable items to school. <u>Rock Hill High is not responsible for valuables that may be stolen from a locker</u>. However, efforts will be made to identify the thief. Lockers may be inspected at any time to assure proper use and cleanliness. No stickers, decals or graffiti are to be placed in or on the lockers. Students are responsible for keeping up with and knowing their combinations. There will be a \$5.00 lock removal fee if a lock has to be cut from a locker. Combinations should not be given to anyone else and lockers are not allowed to be shared.

Messages

Classes will not be interrupted to deliver messages during the instructional day. In the case of an emergency, school staff will make an effort to deliver a message at an appropriate time.

Visitors

Parents/visitors are requested to report directly to the reception office upon arrival at school. Only visitors who are on school business will be permitted on the grounds during school hours. Student visitors or family guests will not be permitted to visit the school during lunch or instructional time. Pursuant to state law, persons entering school property are deemed to have consented to search of their person and property (Act 373 of 1994).

Parent Notification System

The school will send automated phone messages home when a student is absent from any class or suspended. Messages will also be sent notifying parents of special events, in emergency situations, school delays or closings due to inclement weather.

Before School Waiting Areas

Supervision begins at 7:45 a.m. each morning. Students should not be dropped off before 7:45 a.m. unless participating in morning tutoring. Upon arrival at school all students are to report directly and immediately to the following areas **only**: morning tutoring classroom, cafeteria, area directly in front of A-building, covered breezeway area in front of "A" building, or the media center after 8:00.

Students are not permitted to congregate in front of B, C, or F-buildings or remain in cars in the parking lot. These areas are walk-through areas only.

Students in areas without authorization (approved pass) will receive a discipline referral for being in an off-limits area.

After School Waiting Area

Supervision is provided until 4:10 p.m. Car riders must be picked up by 4:10 p.m. each day. When the dismissal bell rings, all students, except those participating in approved school activities, are expected to leave the school premises. Non-bus students who must wait for transportation beyond 4 p.m. shall remain in the designated waiting area, which is in front of A-building, either in the courtyard area or on the walkway by the round rock wall flower bed. Students cannot be in front of B, C, or F buildings after 4:00.

Entering and Leaving Classrooms

Students should enter/leave their classrooms quietly and in good order. Students should remain in their seats and not leave until dismissed by the teacher. No students are to stand at the door of the classroom or in the hall while waiting for the bell to ring.

Leaving Class for Other Areas of the School

Any student who goes from a class to any other area of the school must have a permit signed by the classroom teacher. She/he must go directly and return promptly, returning the permit to the teacher who issued it. The permit must be signed by the contact teacher, showing the time she/he left. Disciplinary action will be taken for improper use of passes.

Students will not be allowed out of class unless it is an emergency. Students should not ask to get water, see another student, teacher or counselor, go to their lockers, etc. during class time. These things should be taken care of during class change, before/after school, and lunch time.

If there are medical reasons for a student to make frequent trips to the rest room or take medication, then it should be supported by a doctor's statement and presented to the nurse <u>as soon as school begins</u>. The nurse will notify the teachers. Requests should be updated annually.

Inclement Weather Procedures

District personnel will be in contact with the S.C. Dept. of Transportation, weather officials, local law enforcement and the S.C. Highway Patrol to monitor weather conditions. Once information has been shared, district officials will make the decision to close early, cancel school or have a delayed opening.

Parents are encouraged to have a plan in place if school closes early or is delayed. The plan should avoid leaving young children at home unsupervised. It is also the responsibility of parents and employees to determine if conditions are safe enough to travel to school or work along their commuting route. If school is on a delayed schedule and parents must drop off their children before school is scheduled to begin, parents must accompany their child into the building to ensure that the school is open and supervision is available.

Early Dismissal

If a decision is made to close early, telephone calls will be made to individual schools by district office personnel and announcements will be made to students and staff.

 Parents/guardians will be notified via the district's electronic telephone system, and the district will post information on the district's website (www.rock-hill.k12.sc.us) and on Facebook.

Afternoon and evening classes, programs such as Challenger/Phoenix/ Adult Education, extracurricular activities, and sports practices or games will not be held.

Cancellation of School

- A decision will be made by 5:30 a.m. Parents and employees will receive an electronic telephone message, beginning at 6:00 a.m.
- When possible, decisions will be made the evening before to allow parents and employees as much advance notice as possible.
- Notification will include an electronic telephone message. It is the parents responsibility to keep updated telephone numbers on file with your student's school.
- Parents and employees will also be notified through the district's website (www.rock-hill.k12.sc.us) and Facebook.
- Local news media, such as Cable News 2, Rock Hill radio station WRHI, and Charlotte television stations WBTV (Channel 3), WSOC (Channel 9), and WCCB (Channel 18) will be notified through security coded telephone calls.

Delayed Openings

• When the decision is made to delay the opening time for school, the district will use the same channels of communication in notifying parents and employees as in the "Cancellation of School."

- Morning sessions for 3-year-olds at The Children's School, for 4-year-olds at the Central CDC and the Applied Technology Center, and family literacy classes at ParentSmart will not be held.
- Breakfast will not be served, but lunch will be provided.
- Employees will be expected to arrive at school at the usual but safest time. Some parents will bring their children early, and administrators will need assistance from their staff in providing supervision for students as they arrive.

Making Up Time Due to Inclement Weather

Make-up dates are listed on the district's master calendar which can be located on the district's website and in this handbook.

Crisis Plan

Our Crisis Response plan is designed to minimize danger to anyone occupying our school during an emergency. In addition to a response plan, should an emergency arise, we have many policies and procedures in place to maintain a safe, secure, and orderly school environment. This plan is reviewed annually and communicated to all RHHS staff. To prevent a possible tragedy, we must all cooperate to ensure that everyone knows his/her responsibility in case of fire or other disasters. Students must remain with their classes during an emergency. However, if the student is in the hall, library, or cafeteria during an emergency the student should go to the nearest class and evacuate the building with that class. In most emergencies students will remain and be cared for at school. If the building becomes so dangerous that re-entry is prohibited (gas leak, etc), your child will be transported to the most appropriate alternative location in our area. Should that occur, we ask that parents follow the following procedure: turn your radio or television to the local station, as they will be informed of any emergency. Please DO NOT telephone the school or your student, as we have limited phone lines that MUST be used to respond to the emergency; please DO NOT come to the school unless requested to pick up your students. Excess traffic congestion may hinder the response of emergency vehicles and workers.

Emergency situations are hectic by nature and we ask that parents remain calm and allow the school and public safety staff to handle the situation. It should be noted that students will only be released to the parent or guardian or those listed on the emergency card. We will use our automated Parent Notification System to notify parents of emergencies and give any procedures we need them to follow, so please keep all phone lines clear.

Catawba Nuclear Station Emergency Evacuation

Rock Hill High School is located outside of the initial Catawba Nuclear evacuation zone. However, we are a pick up point for Applied Technology Center, Ebinport Elementary, and Mount Gallant Elementary. Therefore, please make arrangements to pick up your student as soon as you are notified of an evacuation order from Catawba. If your student is not picked up within 4 hours of the notification he/she will be transported to Lancaster High School for pick-up.

School Lockdown Procedures

The safety of our students and staff is a priority and as such we may go into a lockdown status due to events that are taking place on or off school grounds. When it is necessary to go into a lockdown status, all doors will be locked and visitors will not be able to gain entry. We ask for your co-operation and will do our best to accommodate your needs as the situation allows..

The rules, regulations and consequences in this handbook are based on policies of the Board of Trustees for Rock Hill Schools. These policies are concurrent with state and federal laws and guidelines. If the district policies, state or federal laws or guidelines are updated, changed, or modified in anyway during the school year, the rules, regulations and/or consequences in this handbook may undergo modifications. Such changes will be posted on the school's website.

RELEASE OF STUDENT INFORMATION TO MILITARY

The law requires high schools to give the names and phone numbers of juniors and seniors to military recruiters who could call and encourage them to enlist. Parents can notify schools in writing if they do not want their children's information released. Parents must notify the school in writing by August 31, 2015 if they do not want this information released. Letters must be submitted to the guidance secretary.

PHOTOS & RELEASE OF STUDENT INFORMATION

The following information is releasable upon request at the direction of the student's school principal: the student's name, address, telephone number, date and place of birth, photo, subjects of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance (on both annual and daily basis), diplomas and awards received, and the most recent previous education agency or institution attended by the student.

Any parent or guardian of a student attending Rock Hill Schools who would prefer that any or all of the information designated above not be released without the parent's or guardian's prior consent must notify the Office of the Superintendent (P. O. Drawer 10072, Rock Hill, SC 29731) in writing by August 31, 2015. If such notice is given, the school attended by the student must be identified.

STUDENT PHOTOGRAPHS AND WORK SAMPLES ON THE WEBPAGE

Unless written notification is submitted to the Principal, any student work and photographs may be posted on the Rock Hill High School website.

SCHOOL LAB SAFETY CONTRACT

Science is a hands-on laboratory class. You will be doing many laboratory activities which require the use of hazardous chemicals. Safety in the science classroom is the number one priority for students, teachers, and parents. To Ensure a safe classroom, a list of rules has been developed and provided to you in a student safety contract. These rules must be followed at all times. A form (given to the student by his/her teacher) must be signed by both the student and a parent or guardian before the student can participate in the laboratory.

CODE OF DRESS POLICY

Rock Hill High School believes that there is a relationship between student attire, classroom behavior, attitude, and achievement. The main objective of this code of dress is to help provide guidelines for appropriate attire as students transition from the classroom environment to the world of work or postsecondary settings.

GOAL/OBJECTIVES: Provide a secure and safe learning environment by:

- Identifying trespassers
- Enhance self-concepts
- Bring more dignity to classrooms
- Increase classroom performance
- Set tone for serious study
- Decrease classroom disruptions
- Erase cultural and economic differences
- Improve attendance
- Reduce gang type influence
- Promote self discipline
- Promote school pride

Responsibility for the dress and appearance of students enrolled in Rock Hill District Three schools primarily rests with parents and the students themselves. Some student apparel may not be appropriate to wear to school even though that same apparel may be appropriate in other settings. Parents are strongly urged to pay particular attention to the cleanliness, modesty and appropriateness of their child's attire. District board policy states that the board reserves the right to bar from school students whose personal appearance is disruptive to the educational process and orderly operation of the school. In order to enforce this policy, the administration has adopted the following guidelines regarding dress. Discretion to formulate a reasonable code of dress is left to the school administration.

The rules below should cover the vast majority of situations that might arise; however, the administration reserves the right to make decisions regarding the appropriateness of any item not specifically covered in this policy. The provisions of this policy apply to all students and will be enforced as soon as students arrive on campus.

A student's continued noncompliance of the code of dress will be viewed as defiance and will carry increasingly harsher disciplinary consequences.

Cell phones and other personal electronic devices are not permitted to be on or visible in locker rooms, restrooms and use is prohibited during class changes. Students receive a warning.

2nd Offense

The student will serve one day of In-School Suspension.

3rd Offense

The student will serve two days of In-School Suspension.

Any subsequent Offense

Violation of this policy greater than three offenses is considered an act of defiance. The student will be assigned the appropriate disciplinary consequence based on his/her personal cumulative disciplinary history.

Any cell phone, picture taking, or text messaging that results in students cheating or which cause major disruptions will result in the electronic device being confiscated with additional discipline at the principal's discretion.

Devices that are used for the purpose of cheating will be confiscated until the end of the school year.

Devices that are used to take inappropriate pictures will be confiscated until the end of the school year and violators risk being recommended for exclusion.

In addition, if a mobile phone emits a signal and more than one unit is found to be on during a search, all owners of the units that are on will be subject to the consequences listed above.

SMOKING/TOBACCO

The <u>possession</u> or <u>use</u> of tobacco products and/or e-cigarettes by students on the school campus/facility and at school-sponsored extracurricular activities or events is prohibited by board policy. Controlled substances include alcoholic beverages, marijuana, hallucinogenic drugs, illegal narcotics or any other substance that may impair you.

A student may rebut the charge of being under the influence by securing a urinalysis, which substantiates his denial of being under the influence. Such urinalysis shall be secured within two hours and no later than 4 p.m. on that day. The urinalysis may be obtained from a physician or from Keystone. The school will not be responsible for any expenses incurred.

Students who violate any state or federal laws will be reported to the appropriate law enforcement agency and all suspected illegal substances will be confiscated.

*NOTE: Students who must take prescription medication during school hours must store it in the health room and follow the medication policy.

DRUG DOG

The Rock Hill School District and the York County Sheriff's Department established a drug prevention program designed to keep our school premises free of controlled substances. An officer of the Sheriff's Department and a dog trained to detect drugs will periodically visit schools to inspect lockers and automobiles parked on the premises.

The program is designed for the dog to sniff property only. However, should a student with a controlled substance on his/her person come close to the dog, the animal will pick up the scent. This may be reason for the principal to investigate further. The principal or his designee and the School Resource Officer will accompany the officer while on school grounds. Students found to be involved with bringing controlled substances to school will be disciplined according to district policies and may be subject to criminal charges.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. These rights are:

- The right to inspect and review the student's educational records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal (or appropriate school official), clearly identifying the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(Optional) Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. (NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.)

4. The right to file a complaint with the U. S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Ave., SW Washington, DC 20202-8520

Drawer 10072, Rock Hill, SC 29731 by the Tuesday following Labor Day. If such notice is given, the school attended will be notified.

EQUAL EDUCATIONAL OPPORTUNITY/NONDISCRIMINATION POLICY

Code JB Issued 2/08

The Board believes that the district must provide public education in an atmosphere where differences are understood and appreciated. The district should treat all persons fairly, with respect, and without discrimination or threats of violence or abuse.

Every student of this school district will have equal educational opportunities regardless of ethnic or racial background, religious beliefs, sex, disability, immigrant status or English-speaking status and economic or social conditions. The district schools will not refuse to admit or exclude any person based on these criteria. The district will advertise this nondiscrimination policy.

This concept of equal educational opportunity serves as a guide for the board and the staff in making decisions related to school facilities, employment of personnel, selection of educational materials, equipment, curriculum and regulations affecting students. It will be the superintendent's responsibility for developing a plan and providing procedures to assure support of this policy. Each building principal will be responsible for working with the staff and students in his/her school to ensure equal opportunity for all students in all building level programs and activities.

Adopted 8/26/02, 2/25/08

- 1. Title VI of the Civil Rights Act of 1964, 42 U.S.C. Section 2000d; and Title IX of the Educational Amendments of 1972, 20 U.S.C. Section 1681, et seq.

COMPLAINTS AND GRIEVANCES Board Policy (JCE)

Students and/or parents who have complaints or grievances about school matters are to discuss such complaints or grievances with the principal. Once the complaint has been heard and addressed, the decision of the principal may be appealed to the superintendent. The decision of the superintendent or his designee may be appealed to the Board of Education.

The Board will only hear complaints and grievances when such have been presented through proper channels of appeal...i.e. Principal \rightarrow Director of Secondary Schools \rightarrow Superintendent. The Board will resist the impulse to settle disputes through pressure, coercion, or intimidation, nor will they act hastily in a crisis.

The first step in this process is to notify the appropriate assistant principal.

GUIDANCE AND COUNSELING SERVICES

Each student at RHHS has valuable assets which can be enhanced. An effective guidance and counseling program can assist students in achieving personal and educational fulfillment through discovery, exploration, and development of their potential. Rock Hill High School is fortunate to have qualified guidance counselors who serve students based upon the Comprehensive Developmental Guidance and School Counseling Model, as outlined by state guidelines. Additionally, the counseling department has the direct services of a Career Development Facilitator to assist with career-related activities. Office hours are 8:15 - 3:45 each school day, and the main Guidance Office phone number is 981-1338.

SERVICES

<u>Personal/Social Guidance (Learning to Live)</u> – Counselors spend time collaborating with students about ways to meet the students' goals. Students often seek help from counselors when they are faced with personal challenges, as well. <u>Academic Guidance (Learning to Learn)</u> – Counselors assist students and parents in obtaining information about academic opportunities available at RHHS. Counselors meet with every student individually each year to assist with selecting proper courses in order to meet post secondary goals. Counselors will ensure that students receive the best possible course placement that allows for the development of strengths, aptitudes, and interests.

<u>Career Exploration (Learning to Work)</u> – The guidance department plans meaningful career exploration activities that give students a chance to connect their experiences in high school to the world of work. These include, but are not limited to workshops, career fairs, career interest assessments, classroom guidance and bringing in outside guest speakers.

Counselors also provide information about SAT/ACT, the military, college, scholarships, summer programs, and local helping agencies, among other topics.

HOMEBOUND INSTRUCTION

Homebound Instruction is a program provided by Rock Hill School District Three to serve students who have been or will be absent from school ten (10) or more consecutive school days due to illness, injury, or pregnancy. <u>Homebound</u> <u>applications must be signed by a licensed physician and should be returned to the</u> <u>guidance counselor or to the homebound coordinator at the District Office within</u> <u>five (5) days of the student's initial absence from school.</u>

MAKING UP MISSED ASSIGNMENTS

Students will be permitted to make up all work missed for lawful absences. It is the responsibility of students to contact their teachers within 3 days of returning to school concerning all make-up assignments.

Parents/Guardians may request assignments through the counseling secretary for students who will be absent for three (3) or more days. It may take up to 24 hours to gather these assignments. Students will be afforded a period of time equal to the number of days absent to make up missed assignments if other arrangements are not made with the teacher.

PROCEDURES TO SEE A COUNSELOR

If a student would like to see their counselor, the student can fill out a brief form with the guidance secretary and the counselor will send for the student at a later time. Parents are encouraged to call their student's counselor at any time to discuss student progress, concerns, request a conference, etc. 803-981-1338 Guidance Office.

TRANSFERS/WITHDRAWALS

Parents of students who move or transfer during the school year should contact the guidance office prior to the last day of attendance. Students should report to the Guidance Office at the beginning of their last school day. Transfer papers will be provided for teachers to complete during the day. All textbooks, library materials, and other school property must be returned. Completed transfer papers must be returned to the Guidance Office at the end of the day to ensure that records will be accurate. All financial obligations should be met prior to enrollment at another educational institution to avoid a delay in transfer of records.

EARLY GRADUATES

Students are encouraged to make the best of high school and take challenging courses and electives. For those who decide to graduate early, special permission must be granted by the Principal. A written request should be submitted to the student's counselor and will be reviewed by the Principal. The request should include student and parent signatures and rationale for finishing coursework early. This must be submitted by August 31, 2015. <u>Students MUST have successfully completed the 24 units required for a diploma to be eligible to participate in the graduation ceremony. Criteria for Honors & Highest Honors (28 credits & Gold Seal endorsement) will not be waived for early graduates.</u>

COURSE SELECTION AND INDIVIDUAL GRADUATION PLANS

Beginning in the eighth grade, students and their parents meet with a counselor to select a career cluster based on their interests. This takes place during the annual course selection process. A review and update of the IGP is done annually in grades 9-12. At the end of the 10th grade year, a student will select a career major around which his/her electives will be clustered. Parents are formally invited to participate in the IGP conferences and the course selection process each year. Additional information will be provided to students at the beginning of the registration/course selection process.

CURRICULUM

State mandated uniform grading policies are now in effect for grades 9-12.

2 YEAR COLLEGE PREPARATORY

This curriculum is offered to meet the needs of those who intend to continue their formal education at a two-year college or technical school.

4 YEAR COLLEGE PREPARATORY

This curriculum is offered to meet the needs of those who intend to continue their formal education at a four-year college.

HONORS COURSES

These are advanced courses for college preparatory students. Extra quality points are assigned for each numerical grade earned based on the appropriate grading scale.

ADVANCED PLACEMENT COURSES

These courses are designed to enhance the education of academically talented high school students. The courses will enable students to complete requirements for a high school diploma and simultaneously prepare for an examination that, upon successful completion, would lead to college credits at selected colleges and universities. Students must take the AP exam to receive the extra quality points.

DUAL CREDIT

Dual credit courses help students develop an understanding of the motivation and discipline necessary for success in college. Students take courses taught by high school or college instructors either on the Rock Hill High School or York Technical College campus. These courses offer high school and college credit so that students can complete college requirements earlier. Extra quality points will be awarded based on the Uniform Grading Scale. Tuition and book fees can be incurred for these courses. Students should understand that they are enrolling in college coursework within these dual credit opportunities and that the credit and grades earned will become a part of their college transcript.

INTERNATIONAL BACCALAUREATE

Honors classes in 9th and 10th grades and the IB Program in the 11th and 12th grades are intensive courses of study for students who are highly motivated academically. Students who enter this program will be working toward international standards to earn an IB Diploma or Certificate. Students must take the IB exam to receive the extra quality points.

GIFTED AND TALENTED

Students identified as academically gifted/talented are served through participation in the preparatory International Baccalaureate and Advanced Placement classes in the areas of advanced math, language arts, science, social studies and foreign language. Although admission into these classes is self-selecting, students qualifying as gifted/talented on the South Carolina State Department of Education guidelines are encouraged to participate in these academically advanced classes in grades 6-10. At grade 11 students are encouraged to participate in AP, Dual Credit, or International Baccalaureate Program.

**Please note that beginning with the Class of 2011, 4 year college prep students will be expected to have earned 4 units of Math. These include Algebra I (for which Applied Mathematics I and II may be a substitute), Algebra II, and Geometry. A fourth math should be selected from Algebra III/Trig, Pre-Calculus, Calculus, Probability & Statistics, Discrete Math, or a capstone math course.

***Please note that beginning with the Class of 2011, 4 year college prep students will be expected to have earned 1 unit of Fine Arts. One unit in appreciation of, history of, or performance in one of the fine arts.

College Preparatory Course Prerequisite Requirements Effective Date: Academic Year 2011-12 Entering College Freshmen

FOUR UNITS OF ENGLISH: At least two units must have strong grammar and composition components, at least one must be in English literature, and at least one must be in American literature. Completion of College Preparatory English I, II, III, and **IV** will meet this criterion.

FOUR UNITS OF MATHEMATICS: These include Algebra I (for which Applied Mathematics I and II may count together as a substitute, if a student successfully completes Algebra II), Algebra II, and Geometry. A fourth higher-level mathematics course should be selected from among Algebra III/trigonometry, pre-calculus, calculus, statistics, discrete mathematics, or a capstone mathematics course and should be taken during the senior year.

THREE UNITS OF LABORATORY SCIENCE: Two units must be taken in two different fields of the physical or life sciences and selected from among biology, chemistry, or physics. The third unit may be from the same field as one of the first two units (biology, chemistry, or physics) or from any laboratory science for which biology and/or chemistry is a prerequisite. Courses in earth science, general physical science, or introductory or general environmental science for which biology and/or chemistry is not a prerequisite will not meet this requirement. It is strongly recommended that students take physical science (taught as a laboratory science) as a prerequisite to the three required units of laboratory science outlined in this section. It is also strongly recommended that students desiring to pursue careers in science, mathematics, engineering or technology take one course in all three fields.

TWO UNITS OF THE SAME FOREIGN LANGUAGE

THREE UNITS OF SOCIAL SCIENCE: One unit of U.S. History is required; a half unit of Economics and a half unit in Government are strongly recommended.

ONE UNIT OF FINE ARTS: One unit in Appreciation of, History of, or Performance in one of the fine arts.

ELECTIVE: One unit must be taken as an elective. A college preparatory course in Computer Science (i.e., one involving significant programming content, not simply keyboarding) is strongly recommended for this elective. Other acceptable electives include college preparatory courses in English; fine arts; foreign languages; social science; humanities; laboratory science (excluding earth science, general physical science, general environmental science, or other introductory science courses for which biology and/or chemistry is not a prerequisite); or mathematics above the level of Algebra II.

ONE UNIT OF PHYSICAL EDUCATION OR ROTC

NOTES

- Each institution may make exceptions in admitting (a) students who do not meet all of the prerequisites, limited to those individual cases in which the failure to meet one or more prerequisites is due to circumstances beyond the reasonable control of the student; or, (b) students who have taken the Tech Prep (Applied Academics) courses rather than the required college preparatory curriculum described above and who meet all other institutional admissions criteria.
- 2. The College Preparatory Course Prerequisite Requirements are minimal requirements for four-year public college admission. Therefore, students should check early with colleges of their choice to plan to meet additional high school prerequisites that might be required for admission.
- 3. It is the responsibility of each school district to disseminate this set of requirements to entering freshmen students interested in pursuing a four-year college degree in South Carolina upon graduation from high school and to provide the web address for their viewing: http://www.che.sc.gov/ New Web/GoingToCollege/CollPrepPrereq.htm.
- 4. This revision of the College Preparatory Course Prerequisite Requirements was fully implemented for students entering colleges and universities as freshmen beginning in Fall 2011.

REQUIREMENTS FOR STATE HIGH SCHOOL DIPLOMA

In grades 9-12 and in accelerated courses in the 8th grade, students earn one Carnegie unit for each one block course successfully completed. Courses such as Health and Success after High School are nine weeks courses. Students must complete both of the courses in the "set" they select. Completion will earn one full credit. In order to receive a state high school diploma, a student must attend the district school issuing the diploma for at least the semester immediately preceding graduation (except in the case of a bona fide change of residence where the sending school will not grant the diploma) and have earned a minimum of 24 Carnegie units.

SCHOLARSHIPS

A number of scholarships are awarded to deserving seniors each year. Information on scholarships and financial aid is announced and available to all seniors. Interested students should be alert to announcements, the scholarship newsletter, posted flyers, and financial aid workshops.

QUALITY POINTS FOR ADVANCED PLACEMENT/IB

All students at RHHS follow the State Uniform Grading Policy. This grading scale awards quality points based on the percent (%) grade earned and the type of course taken. The full scale, along with other important aspects of the policy, is given below. Earning the full extra quality point for IB/AP courses is contingent upon taking the International/National exams for these courses.

Uniform Grading Policy for Rock Hill School District Three Regulation **IKA-R**

In 1999, the South Carolina General Assembly and the South Carolina State Board of Education adopted a new grading scale for high schools. The uniform grading policy applies to all students enrolled in 8th grade and above Carnegie credit courses.

- 1. Course grades on report cards and transcripts in Rock Hill School District #3 high schools will be numeric. No Carnegie courses will carry letter grades (A, B, C, D, F), Pass/Fail, or Satisfactory/Unsatisfactory.
- 2. A student's grade-point average and rank in class will be figured from a grade-point conversion table. The conversion table assigns "quality points" to each numeric grade depending on the grade earned and the category of weight assigned to the course taken. College Prep and Tech Prep courses earn the base weight of one quality point. Honors courses earn a one-half quality point more, and Dual Credit, Advanced Placement and International Baccalaureate courses earn a full quality point more than the base weight. Earning the specified quality points in IB/AP courses are contingent upon taking the International/National exams for these courses.
- 3. The formula for figuring Grade Point Ratios (GPR) is:GPR = (Quality points x Carnegie units earned) divided by (Carnegie units attempted).
- 4. Students who withdraw from a course without administrative recommendation after five class days shall be assigned a grade of 61 and 0 quality points. The grade will be calculated in the student's overall grade point ratio and remains on the student's transcript throughout high school.
- 5. Students who receive an F/A (Failure due to Attendance) in a course shall be assigned a grade of 61 and 0 quality points The grade will be calculated into the student's overall grade point ratio and remains on the student's transcript throughout high school. The original grade earned and the grade earned when the course is retaken will be figured into the overall grade point ratio, and remain on the student's transcript throughout high school. The student's transcript throughout high school. The student's transcript throughout high school. The ability to retake a course during the same academic year is based on space availability in the class, extenuating circumstances, and must be approved by the administration.
- 6. Carnegie unit courses taken prior to the ninth grade should be retaken in the ninth grade if the student earned a numeric grade lower than an 85. Students earning below an 85 may request a waiver if extenuating circumstances apply. Unless retaken in 9th grade, the grade earned in middle school will be calculated in the student's overall grade point ratio and remains on the student's transcript throughout high school.

7. If a student transfers from another high school with letter grades, the letter grades will be converted to numeric grades on the following scale:
A=96 B=88 C=80 D=73 F=61

PROMOTION AND RETENTION

Rock Hill High follows a promotion system based upon earned credits. This system gives students and parents a more realistic assessment of the student's progress toward earning a state high school diploma. The requirements meet the minimum state defined level and are as follows:

SOPHOMORE	JUNIOR	SENIOR
4 credits	10 credits	16 credits
1 English	2 English	3 English
1 Math	2 Math	3 Math
2 other	1 Science	2 Science
	1 Social Studies	2 Social Studies
	4 electives	6 electives

Students that fail required classes are strongly encouraged to retake them in credit recovery programs provided in order to stay on track for promotion and graduation. Contact your counselor for complete information.

PSAT TESTING DATES

TEST	DATE
PSAT	October 14

PSAT/NMSQT – The preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is a two-hour version of the College Board Scholastic Aptitude Test and measures verbal and mathematical ability. This test is recommended for sophomores and juniors in college preparatory programs. It is required for financial assistance through the National Merit Scholarship Corporation, such as the National Merit Scholars Program and the National Achievement Scholarship Program for outstanding black students. All 10th and 11th grade College Prep students are strongly encouraged to take the PSAT.

SAT-The College Entrance Examination Board's Scholarship Aptitude test is a three-hour objective test designed to measure the verbal and mathematical abilities of candidates for college admission. The verbal section of the SAT tests the ability to understand the relationships between words and ideas and to comprehend reading material. The mathematical section of the SAT tests the ability to understand mathematical symbols, and to use them in solving problems. The two parts of the SAT are each scored on a scale from 200 to 800. The test is only an approximate measure of ability of achievement. Seniors who plan to attend college should take the SAT no later than December of their senior year.

SAT II – The Achievement Tests of the College Entrance Examination Board are designed to assess what students have learned on specific subjects (American History, literature, mathematics, French, etc.) and to serve as one indication of their preparation for college study. The tests measure not only students' factual knowledge of a subject, but also their ability to use facts in solving problems.

ACT – American College Testing Program offers this test which is designed to meet a variety of educational needs: advising and counseling, admitting students to college, identifying students for scholarships and special recognition, etc. This is a three hour test, which includes four individual test: English, mathematics, reading, and science reasoning. From these a composite score is determined. This test may be taken in lieu of the SAT and is the required admission test for some colleges.

ADVANCED PLACEMENT TESTS – These tests are available to juniors and seniors enrolled in an advanced placement course. Successful scores will enable the students to receive college credit for work done in high school. Each student enrolled in an AP course is required to take the AP exam, which is paid for by the Rock Hill School District. Those students who are scheduled to take AP exam but do not show up to take the exam may be charged the cost of the exam and will lose AP weighting.

INTERNATIONAL BACCALAUREATE – These tests are available to juniors or seniors enrolled in either the IB Diploma Program or in individual IB classes. Successful scores may enable students to receive college credit for the course. Each student enrolled in an IB class is expected to take the exam. The cost of the exam is shared by the parents/student and the Rock Hill School District. Students who choose NOT to take the IB exam will receive honors credit for the course. A portion of the IB exam score is obtained from a major project done in each class. This is called the Internal Assessment. A student who does not turn in the Internal Assessment on time will not be allowed to take the exam for that course. Students who do not take the IB exam after registering for it will be expected to pay the entire cost of the exam.

ASVAB – The Armed Services Vocational Aptitude Battery is administered to all 11th grade students. This test measures aptitude ability for service in the United States Army, Navy, Air Force, Marine Corps, or Coast Guard. It also offers excellent career guidance information for all students.

EXAM POLICY

State End of Course Tests (EOC)

State mandated End of Course (EOC) tests are given in Algebra 1/Algebra for the Technologies 2, English 1, Biology 1, and US History and Constitution. The EOC tests will count as the exam grade (20% of the final grade). The EOC test schedule will be announced at a later date. A revised schedule will be available if EOC's are given in the computer lab. Senior EOC's will be scheduled prior to the senior grading deadline.

According to the South Carolina Department of Education, "All public middle school, high school, alternative school, adult education, and home school students who are enrolled in courses, in which the curriculum standards corresponding to the EOCEP tests are taught, regardless of course name or number, must take the appropriate tests." Student attendance on these scheduled EOC dates is crucial. Students who are not in attendance for an EOC test must get approval from Mr. Grimsley to participate in make-up testing.

Note: Seniors may not exempt an EOC test. They are mandated by the state.

Exam Exemptions

There are no exam exemptions.

EXAM DATES

- 1st Semester: December 17th—Full day—3rd and 4th Block Exams December 18th—Half day—1st and 2nd Block Exams
- 2nd Semester: May 18th—Full day—Senior Exams for 3rd and 4th Block May 19th—Half day—Senior Exams for 1st and 2nd Block June 1st—Half day—Underclass Exams for 1st and 2nd Block June 2nd—Half day—Underclass Exams for 3rd and 4th Block

NOTE: EARLY EXAMS WILL NOT BE GIVEN

It is imperative that all students remain in class throughout the exam period. Exams are designed for the ninety minutes in each class. Since the exam counts as 20% of their final semester average, students are encouraged to fully utilize the allotted time to answer carefully and re-check answers. Students will not be permitted to sign out of school due to early completion of exams.

Make-Up School and Attendance Guidelines

- In order to receive credit for a one-unit class, a student must attend at least 84 out of 90 school days. Students will not receive credit in classes with more than 6 absences, regardless of the reason for the absence. A student must make up any absence over the 6 during the semester in which the absences occur. Make-up sessions are available at various scheduled times during the semester. Attendance interventions are also available during the semester. Students will not receive credit for a course if the time is not made up in make-up school or tutoring. Absences due to "skipping" or "cutting" class cannot be made up.
- Students are to bring official documentation for any absence from school, ie.; a written excuse (signed by a parent/guardian) OR a medical excuse within three days after returning to school. This documentation will be filed in the attendance office. Documentation does not erase absences, it only states why the student missed school.
- If extended illnesses or medical conditions exist which may cause a student to miss over 10 days, the student's parent should contact the guidance counselor to apply for homebound services. If a student not on homebound misses 10 or more classes, even for medicals, he/she must have special written permission from the principal to make them up.
- Automated phone calls will notify parents of each absence, and letters are mailed home when a student has missed three or more days. Students are responsible for maintaining accurate absence records.
- EXCEPTION TO ABOVE GUIDELINES Regardless of the number of absences, a student who earns a final grade of 77% or greater for the course and scores 70% or greater on the course's final exam, and whose absences are documented with the attendance office will be eligible for competency-based credit for that course.

Make-Up School Sessions (\$20 per session)

- \Rightarrow Students should attend the first make-up session to ensure they know the exact time owed.
- \Rightarrow Students must bring enough work to last the entire session and are not allowed to talk, sleep, or eat and drink during the session.
- \Rightarrow Students must be on time.
- \Rightarrow Students who are asked to leave for violations will not receive a refund.
- \Rightarrow Cost to attend make-up school sessions is \$20 per session. NO CHECKS WILL BE ACCEPTED. Cash, cashier checks, or money orders only. This must be paid at the door.

School-Sponsored Tutoring (Free)

- \Rightarrow M, W, Th, F, 7:20-8:20 or M, W, 3:45-4:45
- \Rightarrow Students must sign the notebook at each tutoring session. Students who do not sign in will not receive credit for the time.
- \Rightarrow Students must bring work for the entire session and may not sleep, eat, or talk.

College Visitation Procedures and Guidelines:

Students who plan to attend college after high school are encouraged to investigate which schools might offer them the major and environment they seek. Most colleges offer Saturday Open House programs. They are also in session on many of the days Rock Hill High does not have classes. Students are encouraged to visit at these times.

If a junior or senior chooses to visit a college on a regular school day, certain conditions must be met for the day to be excused. Counselors want to ensure that students are planning ahead for visits.

- 1. A maximum of 4 days may be excused as college days during the junior and senior years combined.
- 2. A letter from the admissions office on college letterhead stating the date and time of your visit must be presented to the attendance office the day after your visit in order for a college day to be awarded.

If both of the above procedures and guidelines are followed, students will be granted a college day.

Special Attendance Concerns

- Students are to bring a written excuse (signed by a parent/guardian) or a medical excuse within three days after returning to school. If an excuse is not turned into the attendance office within three days after returning to school, the absence is recorded as unexcused. Students who accumulate 5 unexcused absences will be required to bring their parent and meet with school personnel to develop an attendance intervention plan. Violations of the plan will result in a court referral for truancy.
- Students must be in attendance 2/3 of a class period in order to be counted present.
- Athletics and Extracurricular Activities—To be eligible to participate in extracurricular activities, such as sports, concerts, performances, etc., students must be in attendance at least one-half of the school day on the day of the event.

After three consecutive or five total absences, regulations require that school officials intervene and report non-attendance to the Family Court. Students who exceed the maximum number of absences (6) may be referred to the Family Court for truancy if under the age of seventeen.

Signing Out Early

1. Students leaving for one day or part of a day.

Students who wish to leave school before time for dismissal should bring a note to the attendance clerk between 7:30-8:30 asking permission to leave. The note should <u>include the date</u>, <u>reason for dismissal</u>, <u>parent's</u> <u>signature</u>, and <u>parent's phone number</u>. The student will receive an early dismissal permit which must be shown to the teacher in order to leave early. Early dismissal permits are only issued in the attendance office from 7:30 a.m. to 8:30 a.m. After that time the parent/guardian must come in to sign out their student. Students may not sign out for lunch. <u>In</u> order to be counted present for a class, a student must be in class 55 <u>minutes of the class period</u>. In every instance of leaving early, the student responsible for completing any missed classwork, homework and/or tests. **Failure to follow sign in/out procedures may result in disciplinary action**.

2. <u>Students who become ill during the school day</u>.

Students who become ill during the school day and need to go home should go to the nurses' office where their parents will be called to inform them of the illness. The call must be made on the nurses' office phone and the nurse must hear the parent or guardian grant permission to leave. Only the parent or guardian or those listed on the emergency card will be allowed to give permission to sign out. Only phone numbers listed will be used to call. An early dismissal permit will not be required; however the student will scan out in the attendance office. Failure to immediately report to the office to get permission to leave or failure to immediately leave campus after scanning out may result in a suspension. Students must have an ID to scan in or out of school.

Tardies

Students are expected to be in class on time. Tardy students cause disruptions to the teacher and to the other students when they enter a classroom. Please note that tardies due to traffic, running out of gas, oversleeping, flat tires, loss of electrical power, etc. are not excused. Excuses for tardies should be submitted to the attendance office at school. Students arriving at school or to class late should report directly to the attendance office to scan in with an ID. Students must check in to the attendance office when they are late to any class.

Student Code

As a student at Rock Hill High School, I realize I am responsible not only to myself, but also to my school for the following code items:

- 1. I will at all times be a proud representative of my school at nonschool as well as school-supported activities.
- 2. My behavior shall be of the highest caliber, displaying only the best examples of sportsmanship and spirit.
- 3. As a true Bearcat at Rock Hill High School, I will show pride in myself and in my school by having my dress and appearance in accord with good, acceptable school standards.
- 4. Finally, as a student, I will devote the majority of my time and study periods to the job of preparing for the future, as no sport or extra-curricular activity takes priority over learning at Rock Hill High School.

DISCIPLINE POLICY

We ask that students conduct themselves in a manner that will facilitate a proper learning environment. An assertive discipline plan will be posted in each classroom. Students are expected to follow the plan, and any deviation from the plan will result in the stated consequences. Detentions will be assigned for minor infractions. The student is expected to serve his/her detentions with the teacher assigning the detentions.

A student sent to the office for a severe infraction, will be suspended and could be recommended for expulsion. Should a student fail to report to the office when directed by a staff member, that student will receive a suspension.

STUDENT DISCIPLINE REFERRAL PROGRESSION PLAN

Students in violation of the rules and regulations of Rock Hill High will progress through the prescribed levels of disciplinary consequences listed below. All student disciplinary consequences are cumulative. Students violating the Safe Schools Act will be handled at Level 5 of the plan and will be excluded from school. Students scheduled for ISS will serve the entire day.

LEVEL 1 - Warning

 1^{st} Offense – Students warned that further/future inappropriate behavior will result in disciplinary consequences. Parent link call to parents/guardian.

LEVEL 2 – DETENTION– 30 minutes to 2 hours

LEVEL 3 – ISS – In school suspension – 3 full day assignments per semester.

LEVEL 4 – OSS – 2 assignments per semester.

LEVEL 5 - LONG TERM SUSPENSION OR EXPULSION

SUSPENSIONS / EXPULSIONS

Students are expected to conduct themselves at all times and places in a manner that will be in the best interest of the school. Conduct of the student in any manner which disrupts class work or involves substantial disorder or invasion of the rights of others is a basis for suspension or expulsion of the student. Students will be held accountable for their behavior throughout the school year, up to and including the last day of school. Students attending or participating in school sponsored events, whether on the Rock Hill High campus or not, are subject to all Rock Hill High School rules and consequences for violations of those rules.

Suspension is defined to be temporary removal from the regular school program which may lead to permanent removal or expulsion if causes are not corrected. Rock Hill High uses two (2) types of suspension. ISS = in school suspension and OSS = out of school suspension. Administrators will deal with all occurrences through a fair and common sense approach. Administrators may choose to assign detentions in lieu of suspension for first time or lesser rule infractions.

ISS is typically assigned for the following types of offenses:

No attempt is made to include every situation arising during a school year.

- 1. Failure to follow sign-in or sign-out procedures
- 2. Leaving campus without permission
- 3. Cutting class
- 4. Presence in off-limits areas
- 5. Failure to follow directions/disrespect to staff
- 6. Classroom disruptions
- 7. Cursing/obscene gestures
- 8. Possession of obscene or pornographic materials on campus
- 9. Dress code violations
- 10. Failure to serve work detail
- 11. First time smoking offenses/possession of smoking materials
- 12. Computer use violations
- 41

15. Any gang related activity (dress, signage, graffiti)

Early dismissals will NOT be honored on ISS days. Students who are absent on the day(s) they are assigned to ISS must make up the ISS day(s) upon returning to school. Typically, students will be assigned to ISS on only three (3) separate occasions before they will begin to receive OSS suspensions.

When OSS suspension is necessary, the following conditions will apply:

- 1. The parents of the student will be notified in writing, and, when phone is available, by telephone on the day the penalty is imposed.
- 2. The student will be released early from school only in the custody of parents or legal guardian. Otherwise, the student will be sent home at the usual time by normal means.
- 3. The suspended student under no circumstances is to return to school buildings or property, participate in school sponsored activities, or utilize school transportation during the suspension days.
- 4. A student may be suspended for no more than ten (10) school days for any one offense unless expulsion proceedings are taking place.

Types of offenses that may lead to OSS days are listed but not limited to the following:

- 1. All ISS offenses that have become chronic in nature.
- 2. Breaking ISS rules while serving time in ISS.
- 3. Involvement in acts of extortion, blackmail, or the intimidation of others.
- 4. Theft.
- 5. Fighting at school or at a school activity or while being transported by school transportation. (automatic 5 day expulsion and/or criminal charges)
- 6. Possession or discharge of fireworks on school grounds.
- 7. Trespassing on the campuses of other schools.
- 8. Gambling on school property or at school activities. (Playing cards or dice are not allowed on campus).
- 9. Threat or verbal abuse of school personnel.

- 10. Drug/alcohol offenses will carry a minimum of 3 days OSS.
- 11. Involvement in calling in of a bomb threat to any school facility or the malicious pulling of a fire alarm at any school.
- 12. Any other acts which are not covered and are of such a nature as to pose a threat to the physical or mental welfare of students, teachers, and other school personnel or school facilities, or which create a disruption in the orderly operation of any phase of the school program or any of its services.

EXPELLABLE OFFENSES

An expulsion is defined as being the removal from school for a period of time ranging from a part of the school year to permanent removal. Recommendation for expulsion may result from an accumulation of discipline offenses or from a single offense. If a student is recommended for expulsion the parent/guardian will be notified by registered mail of the assigned hearing time, date, and location.

The student will be assigned OSS until the hearing has been held and the Hearing Officer notifies the school as to whether:

- 1. The student returns to school under probation;
- 2. The student is eligible to attend the district's alternative schooling program;
- 3. The recommendation for expulsion is upheld.

The parents of an expelled student will be notified of their right to appeal to the Board of Trustees the decision of the superintendent or the hearing officer. In any appeal, if parents plan to have an attorney with them, the superintendent or hearing officer must be notified of this fact so the Board may also have legal counsel present.

The provisions of this section shall not necessarily deny enrollment and attendance in adult or night schools provided the student is otherwise qualified; however; the Board may permanently expel from all programs any incorrigible student.

Circumstances under which a student could be recommended for expulsion are listed below, however, this list is not all inclusive:

1. Any ISS or OSS offenses that have become chronic in nature.

2. Attempt to assault or assault of students or school personnel (or their family members), either in writing, verbally, or through the use of electronic communication devices. Any student who assaults a teacher, administrator, or another student will be expelled from school and referred to law enforcement.

3. Students who bring firearms to school of any type will be expelled and referred to law enforcement. Additionally, the possession on school campuses of other "lethal weapons" that are intended to be used to cause bodily harm will result in expulsion and referral to law enforcement. Such weapons include but are not limited to: knives, blackjacks, brass knuckles, razors, etc. Possession of any object which appears to be a weapon so as to cause fear or intimidation shall be considered a violation of this section.

4. The possession, sale, distribution, use of or being under the influence of drugs or alcoholic beverages – in any amount – while at school or under the administrative jurisdiction of the school whether on or off school grounds.

5. Sex or sex acts of any kind.

Suspension or expulsion recommendations in no way preclude the rights of the principal to have a student arrested when the conduct of the student violates the law or poses a threat to the property or the well being of other students or staff members. Every expelled student will have the right to petition for re-admittance for the succeeding school year through the office of Pupil Services at the District Office.

Discipline of students with disabilities

Disciplinary process

Students with disabilities as identified under the Individuals with Disabilities Education Act (IDEA) are not exempt from school disciplinary processes, nor are they entitled to remain in a particular educational program when their conduct substantially impairs the education of other children in the program. However, federal and state laws and regulations require the public schools to meet the individual educational needs of a student with a disability to the extent that current educational expertise permits.

Program prescriptions

A student with disabilities' staffing committee may prescribe or prohibit specified disciplinary measures for an individual student by including appropriate provisions in the students' Individual Education Plan (IEP). The committee must take into consideration the student's disabling condition when deciding whether or not staff may use a particular form of discipline. Administrative authorities should observe any such provisions contained in a student with disabilities' individual education plan, except that a staffing committee may not prohibit the initi-

ation of proceedings for suspension or expulsion that are conducted in accordance with regulation.

Suspensions

The administration may suspend a student with disabilities unless a suspension is prohibited by the student's individual education plan. At the end of the suspension, the school should return the student to the same educational placement, if appropriate. The school may suspend students for up to 10 days during the regular school year for a disciplinary infraction.

However, students who bring weapons to school or a school function or knowingly possess or use illegal drugs or solicit the sale of controlled substances while at school or a school function or inflict substantial physical injury to another individual in the school environment may be removed for up to 45 days at a time. If the principal and IEP team believe that a child with a disability is likely to injure self or others in the child's regular placement, he/she may petition an impartial due process hearing officer or get a court injunction to order that the child be removed to an interim alternative educational setting for a period up to 45 days.

Expulsions

Expulsion of a student with disabilities is equivalent to a change in educational placement and therefore requires special procedures. Before a student with disabilities may be expelled, an IEP team must determine whether or not there is a connection or causal relationship between the disabling condition and the misconduct. If it is the student's disability, the student would continue to receive services in the regular school setting. If the behavior is not related to the disability then the student is subject to regular discipline. However, provisions must be made to allow the student to continue to progress in the regular curriculum and meet the goals of the IEP.

BULLYING / HARASSMENT / INTIMIDATION

Bullying/harassment is an unwelcome behavior that makes a student or staff member feel uncomfortable or unsafe. Such behavior is detrimental to learning and can contribute to poor self-esteem on the part of the person being harassed. Such behavior goes beyond what would be considered innocent fun.

Bullying/harassment can take the form of physical, verbal, electronic and/or nonverbal behavior. Some examples of this inappropriate behavior include, but are not limited to the following: intentional, but unwelcome, physical contact; threats, insults, or name calling; obscene gestures, telephone calls, jokes, or notes;

starting/repeating rumors about someone; continuous staring at someone which brings about obvious discomfort; and other inappropriate behaviors which have the same effect on someone.

If a student feels he/she is being bullied/harassed, the student should first ask the harasser to stop the unwanted behavior. If the behavior continues, the student should report the problem to a teacher, a counselor, an administrator, or other school staff. In addition, the victim should refrain from using harassing behaviors himself / herself in retaliation for the treatment (s)he is receiving. It is most important that the problem be addressed in the proper manner.

ACADEMIC HONESTY POLICY

Cheating is defined as behavior that results in, or may result in, the student or any other student gaining an unfair advantage in any assignments/activities/tests. Cheating includes the following:

Plagiarism: the representation of the ideas or work of another person as the student's own. This includes copying phrases or paragraphs without using quotation marks and/or citations.

Collusion: supporting malpractice by another student, as in allowing one's work to be copied or submitted for assessment by another.

Duplication of work: the presentation of the same work for different assessment components, unless teacher permission has been granted.

Some examples of behaviors that are forms of malpractice:

- Looking on someone else's paper during a test or quiz
- Cutting and pasting information from the internet
- Telling someone who has not taken a test/quiz that material
- Conferring with other students/adults on an assignment when the teacher has given instruction to work alone
- Writing notes in convenient places and referring to them on a test/quiz
- Sliding your paper in viewing range of another student during a test/quiz
- Working out signals/text messaging during a test/quiz
- Using translator programs instead of translating yourself
- Fabricating data for an assignment
- Accessing another students' electronic work through the network, hard drives or other electronic storage devices.

1st Offense: No credit for the assignment, disciplinary referral. Notification to sponsors of any honor societies student belongs to.

2nd Offense: Same as above and 1 day ISS.

3rd Offense: Same as 1st offense, 2 days ISS, and parent conference.

4th Offense: 2 days OSS, and behavior contract.

5th Offense: Recommendation for exclusion.

SCHOOL BUS REGULATIONS

Students are not to enter buses at any time during the day. In the afternoon, buses will leave seven minutes after school is out. All students are instructed to obey the bus driver's orders while on the bus.

Students are reminded that all rules of conduct applying in the school also apply on the bus. Riding a State school bus is a privilege and not a right.

MEETING THE BUS:

1. Students must be on time.

2. In approaching the bus stop, if a pupil has to walk along the highways, he/she should always walk on the left, on the shoulder, facing traffic.

3. When crossing the highways, he/she should walk, not run.

4. Pupils should not run along side the bus when the bus is moving, but should wait until it comes to a complete stop and then walk to the door.

5. Balloons and flowers are not permitted on school buses.

ON THE BUS:

1. Passengers should go to their assigned seats, without crowding or pushing, and remain seated while the bus is in motion.

2. Passengers must never extend arms, legs, or head out of the bus.

3. Passengers should not talk to the driver while the bus is in motion, except in an emergency.

4. Passengers must never tamper with the emergency door or any other part of the bus equipment.

5. Passengers must not mar nor deface the bus, and seat coverings must not be damaged in any manner. Any damage to the bus or seats should be reported by the pupil to the driver as soon as possible.

6. Only the driver or other authorized person should remove First Aid Equipment, which is to be used only for emergency treatment.

7. Passengers must not tamper with the Fire Extinguisher, which is to be used only by the driver in an emergency.

8. Passengers must not fight or scuffle in the bus or create any disturbance. Class-room conduct should be maintained in the bus.

9. Passengers must not wave or shout to pedestrians or occupants of other vehicles and must not throw objects from the bus windows.

10. Books, lunch boxes, or other objects should not be placed in the aisle of the bus.

LEAVING THE BUS WHILE ON THE SCHOOL GROUNDS:

1. Passengers must remain seated until the bus comes to a complete stop. They must never attempt to leave until the bus has come to a full stop and the door is opened to indicate that they may leave.

2. Passengers should leave in an orderly manner. Pupils in the front seat leave first.

3. Pupils must not loiter nor play around the stopped or parked bus.

4. Pupils should not enter a restricted area set aside for bus parking or loading.

ON THE TRIP HOME:

1. Passengers are permitted to leave only at regularly designated stops. Any changes must be made with the parent's request and approved by the school official.

2. A student who must cross the highway after exiting the bus should go around to the front of the bus and wait for the bus driver of the school bus patrol to direct him/her to cross the highway. Specific student behavior expectations are established for the safe and efficient operation of the school district transportation system in accordance with state laws and regulations. Transportation is considered an extension of the regular school. Students who violate behavior expectations while riding a bus are subject to suspension from riding the bus and/or all other penalties established for misbehavior while students are on the school premises. Copies of these regulations are provided annually to all students. Additional copies may be obtained from the school principal or the director of the district bus transportation system.

BUS INTERFERENCE:

It is illegal to interfere with the operation of any school bus. Other than authorized school personnel and students, no one is to board a bus, restrict the movement of the bus in any way, or use any form of threat (physical or verbal) to the driver or any passenger. Orders issued by school bus drivers must be followed explicitly. Legal action can be taken against any person violating this law (State Law 59-67-245).

School bus drivers are not permitted to allow students to leave the bus or to be removed from the bus by anyone while in route to their assigned bus stops.

Therefore, parents may not stop the bus to remove a student prior to the student's arrival at his/her regular bus stop.

TRIPS:

By law, students who travel to participate in group activities such as band, chorus, athletic contests, or any activity where they represent the school or participate in a school-sponsored program are the responsibility of and are under the jurisdiction of the school while at the activity and are governed by the regulations of the school.

1. Students who attend an activity with a group sponsored by the school must conduct themselves in an orderly fashion. All school rules apply.

2. Any student, while in a uniform of the school such as band, cheerleader, athletics, etc., will conduct himself/herself at all times in an orderly fashion, whether (s)he is with a group or alone. All school rules apply.

3. For any school sponsored trip, each student must bring written permission signed by his/her parents.

Health Room

The health room is staffed by a full-time registered nurse, but it is very small and generally quite busy. It is available for students with an acute illness (with symptoms such as fever, moderate to severe pain, nausea, vomiting, diarrhea), first aid needs (such as foreign object in the eye, nose bleed, injury), blood glucose checks, asthma attacks, or prescription medicine.

To enter the health room, students must have a pass from the teacher. Unless it is deemed an emergency, students without a pass will be referred to an administrator for cutting class. The number of health room visits by individual students will be monitored. If a pattern of misuse is identified, the student will be disciplined accordingly. Students with Individual Health Plans (along with notes from a physician and/or parents) may be an exception to this rule. The school nurse will keep a log of each time a student visits the health room and the reason.

Students who are sick must see the school nurse or her back-up before going home. Students will **NOT** be permitted to leave campus to obtain medication or change clothes without obtaining permission from an administrator or the school nurse and contact with parent/guardian.

Student Medicines at School

Students who must take prescription medicine during school hours must store it in the health room and follow the medication policy. Students must turn in parental Permission Forms for medication AND approval from the principal to carry over-the-counter medications such as Tylenol and/or cold medication in the appropriately identified package or bottle. No medicine is to be shared or given to any student other than the student who has permission to carry the medicine. Penalty for distributing medication to other students is suspension or expulsion from school and possibly police charges. There are forms available in the nurse's office for permission to carry medication in a purse or in one's pocket. This form must be completed and returned to the nurse. (Board Policy JGCD)

Students may take <u>over the counter</u> medications such as aspirin with written authorization from the parent/legal guardian and the school principal. Students may be authorized to carry, monitor, and self-administer inhalers, insulin pumps, glucometers or epi-pens with <u>written</u> permission from the student's health care provider and parent/legal guardian. The parent/legal guardian will sign a statement acknowledging that the district will incur no liability as a result of any injury arising from taking or using medications or self-monitoring devices by the pupil and that the parent/legal guardian will indemnify and hold harmless the district and its employees and agents against any claims arising out of the selfmonitoring or self- administration of medication by the pupil.

Receipt of the above will authorize a student to possess and administer medication while in the classroom or on school grounds, at a school sponsored activity, in transit to and from school or school sponsored activities, or during before or after school activities on school operated property.

All other <u>prescription</u> medications must be kept locked in the health room and administered by the nurse or delegated agent with written permission from the parent/legal guardian and principal.

One permission slip per year per medication with the following information must be sent to the school: -Child's name -Physician's name -Name of medicine -Time to be administered -Dosage and side effects

Media Center

<u>(Open mornings 8:00 – 8:30 and after school 3:45 – 4:15, Friday closes at 3:45)</u> The media center is a quiet place for reading, browsing, and studying whether individually or with a class. It houses books for assigned and pleasure reading, reference materials, back issues of periodicals, current newspapers and magazines, and all audio-visual materials and equipment. It also offers access to the Internet, Online Periodical Indexes, and other software programs.

Students must have a teacher pass to come to the media center from regular classes. Permits are not required before school, during lunch, between classes and after school. If students leave the library before 8:20, they must go outside and stay in front of A, B, or C buildings.

Books may be checked out for two weeks and may be renewed. A fine of 10 cents for each day school is in session will be charged for overdue books, up to the price of the book. Overnight books will cost 15 cents for each day overdue. The fine stops when the book is returned, whether the fine is paid at that time or not. However, all overdue books must be returned or paid for and all fines paid by the end of the semester, or students will be placed on the delinquent list and lose privileges.

Student Lunches

 Every student has been assigned a personal identification number (PIN). This PIN is a unique number for every student to access their cafeteria account. Students' PIN number will not change this year. They are the same as last year. New students will be assigned a number at the time of registration in Power School. Parents are encouraged to review the PIN numbers. Students may pre-pay funds to their account to purchase the meals/items in the cafeteria. Pre-payment by cash or check will eliminate the student's need for money at the time of purchase. Please see the cafeteria manager to pre-pay for meals. Parents also have the option of making payments on line or monitor their student's PIN number is necessary to access this site.

- 2. A la carte items are available for various costs and may vary daily. A list of available items and prices will be posted in the cafeteria.
- 3. Free and reduced lunch applications will be given to each student. One form is to be used per family. All students have a 30 day period to submit new applications each year while getting meals based on their 2014/2015 lunch status. The grace period ends on September 22, 2015. If a new application is not received, students will automatically revert to paid status.
- 4. A \$30.00 service fee will be assessed on all returned non-sufficient funds checks.

The lunch periods are scheduled during third block. Third block teachers will tell students which lunch they have. (Lunch periods may change from first to second semester based on schedules.)
