

South Pointe High School

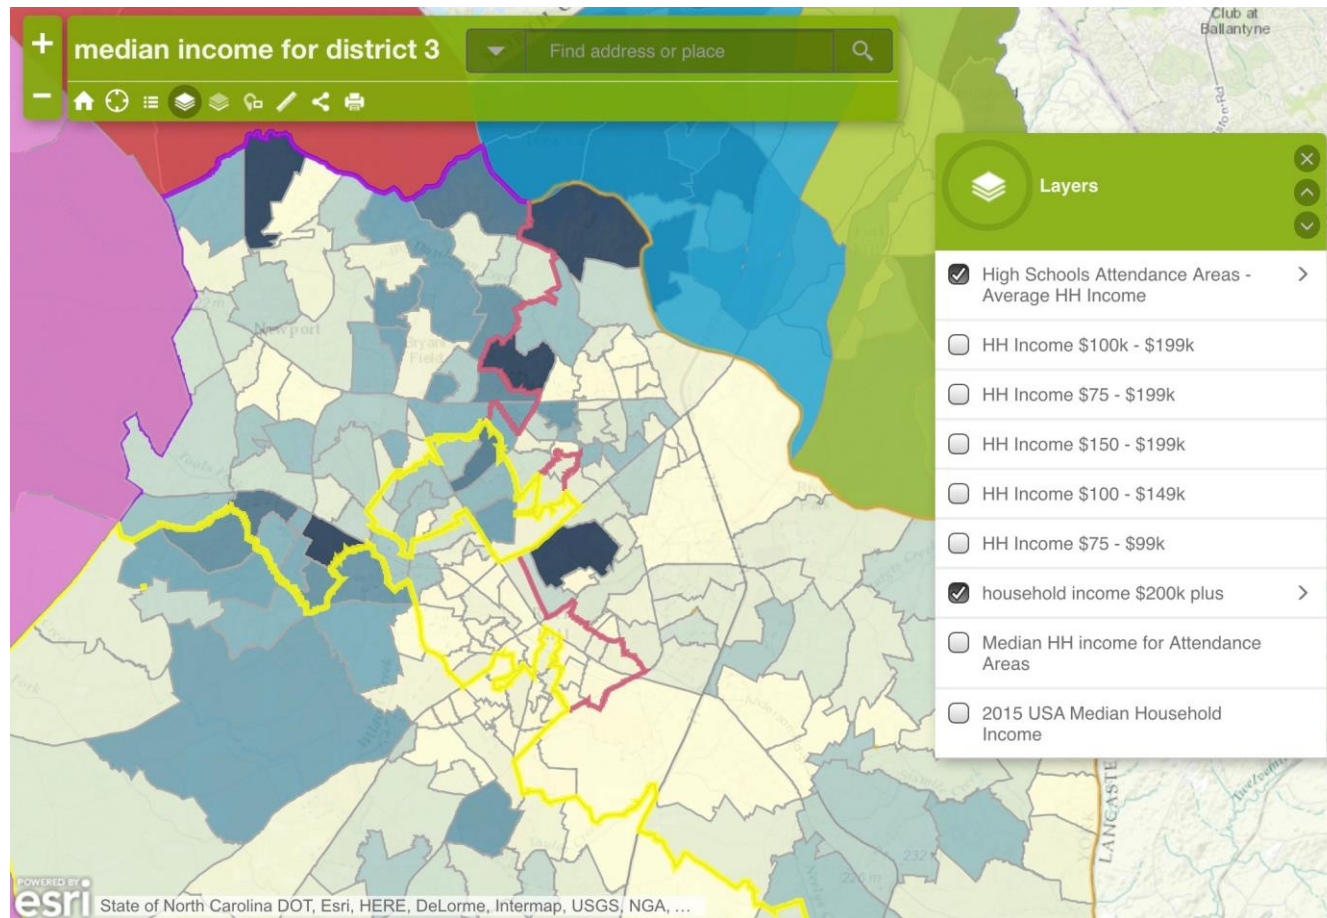

2017 Riley Award

How did we get here.....

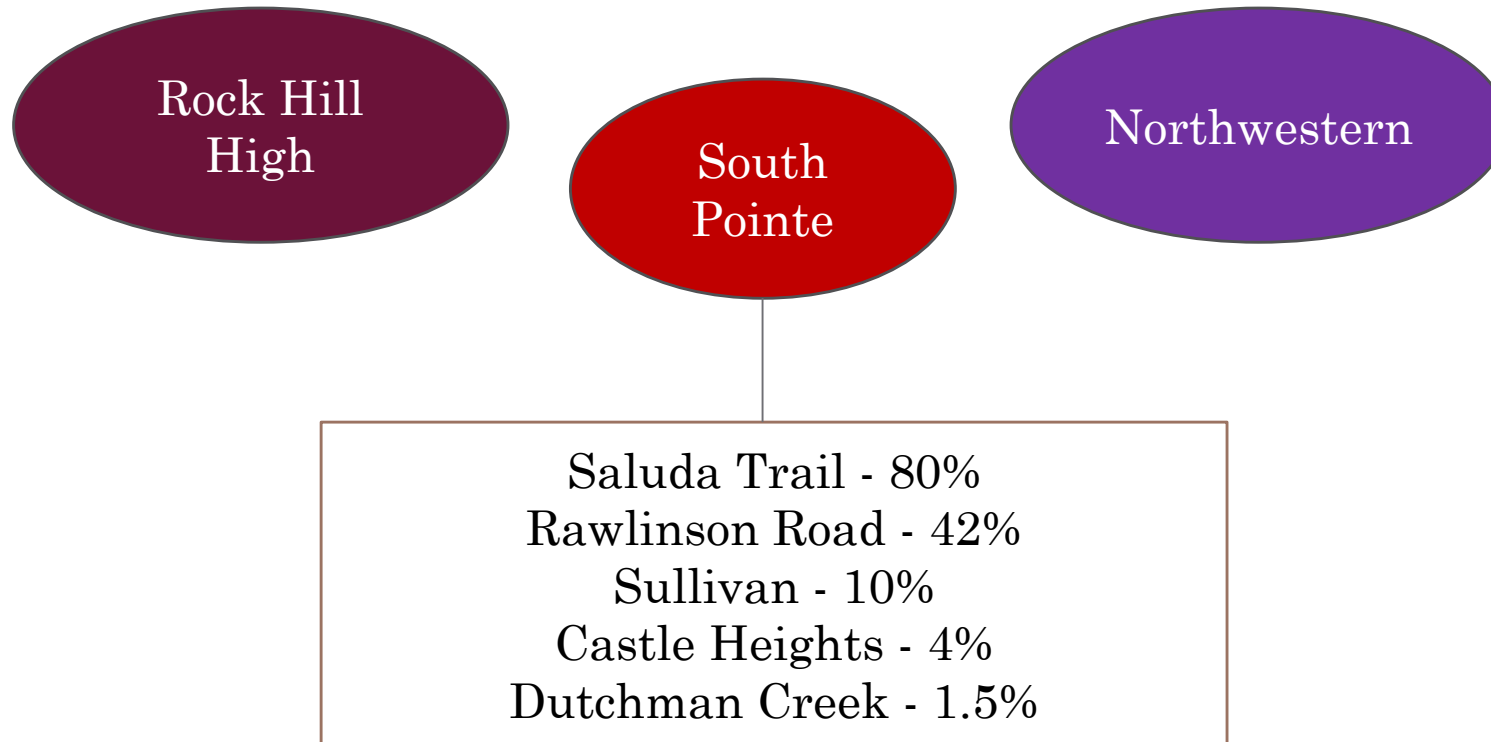

- Student enrollment was declining
 - Dropped to 3A by the SCHSL
- Running a deficit for three years straight
- Growing negative perception within the community

York County Median Family Income

SPHS Middle School Feeders

First Year Results

- Research
- Elective transfers were stopped
- Smaller minimum class size established for South Pointe
- Began a process to reduce the debt
 - Met with individual board members
 - Outside accountant review
 - Recommendation to reduce the deficit by half

Second Year - Equity Committee

- Composed of five members selected by the SIC of each high school and the principals
- The goals were to define an “equitable high school experience”, gather and review data from all three schools, identify areas in which equity has been achieved and make recommendations for improvement.
- The findings and recommendations were presented in a 12-page report.
- The district and school board still working through the recommendations.
