

STAR STUDENT FOR Culinary Arts

Daniel McClain is the Star Student for Culinary Arts II Management program. Daniel is being honored because he demonstrates the skills and attributes that employers' value.

Not only is Daniel a well-behaved student but he takes pride in all his assignments ensuring that everything is done correctly and on time, which is a result of him having the highest-class average (97.7%). He always shows interest and participates in class activities. On lab days no matter what his group's responsibilities are; he always assures that his group's duties are done and done to standard. He demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Daniel achieves superior results with minimum guidance; this is why I will be taking him to the 2019 ProStart culinary competition in Greenville, SC. He is definitely someone I'd love to see working in the food industry.

#AWESOMEJOB!

STAR STUDENT FOR DRAFTING

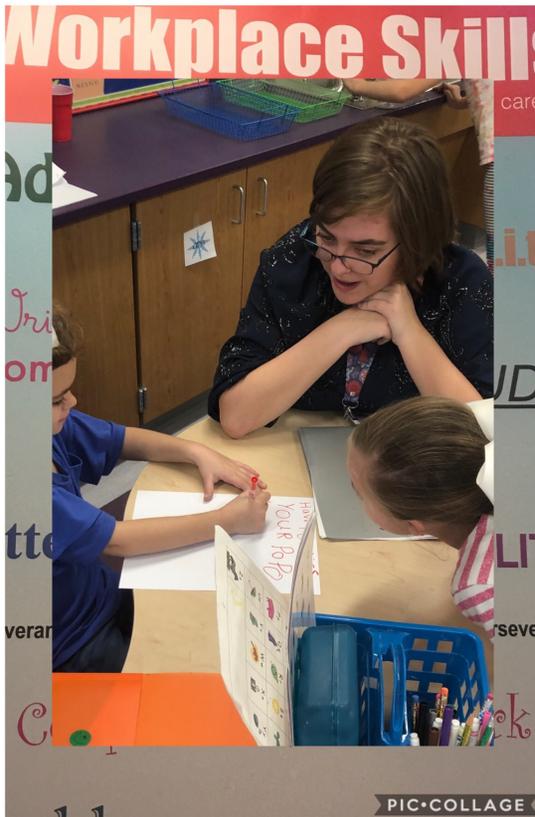

- ▶ Kai McCormick has been chosen as the Star Student for the Drafting Program. Kai has displayed excellent work place skills in Drafting 1. He is always willing to help his fellow students and strives to do his work to the very best of his abilities. Kai shows outstanding initiative in class to get his work completed in a timely manner and will always work ahead. He's going to make an exceptional employee in the engineering field one day. Congratulations, Kai.

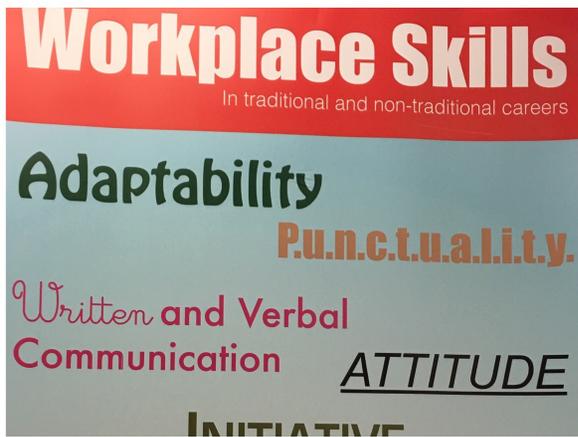

STAR STUDENT FOR Teaching Fundamentals

Grace Corbin is the Star Student for the Introduction to Teaching program.

Grace is the star student for Introduction to Teaching because she demonstrates so much passion and enthusiasm for working teaching. She is doing her internship at Cherry Park Elementary and even went to help her mentor move into the new school over Christmas break! Her family bought her a new “teacher bag” and lanyard before her internship began because they knew she would need it and it gave her the confidence to be awesome at her internship! I have no doubt she will be a dedicated and passionate teacher one day.

STAR STUDENT FOR COLLISION REPAIR

Jackson Thomasson is the Star Student for the Collision Repair and Refinish Program. Jackson is a senior at Rock Hill High School. Reliability and intelligence immediately come to mind when speaking of Jackson. His work ethic and attendance is absolutely amazing. He never complains about any assignment, he just does it. Jackson Thomasson is currently working a co-op at Hendrick Collision Center during 1st block this semester. He gives 100% effort in class and at his co-op, just to learn all he can. After graduation, Jackson plans to enter directly into the workforce to pursue a career in the Automotive Collision Industry. Thank you Jackson for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

Zharia Smith is the Star Student for the Cosmetology program.

Zharia is being honored because she demonstrates the skills and attributes that employers value.

I have seen her grow tremendously in self management and adaptability within our classroom. Zharia is very engaged in the classroom, she shined brightly during our Winter Fest showing future students a career in Cosmetology. It has been a joy to see her develop her interpersonal skills this past year. She has also continued to work on skills that do not come easy in the lab. Zharia has excellent social skills and knows how to ask to right questions in a client consultation. I look forward in watching her grow into a strong young lady who is very driven for success.

- ▶ Remi Watt is the star student for the Digital Art & Design program. Remi is being honored because she demonstrates the skills and attributes that employer's value. Remi is always on task; she is motivated and works hard on her projects. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She is willing to volunteer to help out the program. She has the ability to manage new technology with great creativity and perseverance; she is an extremely talented designer and is always willing to try new tasks. I am proud to nominate Remi as Digital Art and Design Star Student.

MEDIA TECHNOLOGY STAR STUDENT

Blake Brooks is the Star Student for the Media Technology program. Blake Brooks is being honored because he demonstrates the skills and attributes that employers value. *Blake is a dependable, hard working student who demonstrates excellent creative skills. I can count on Blake to problem solve something with our software and he is always willing to help other students work out their difficulties. Blake also exhibits a positive attitude. He not only appreciates constructive criticism to his work, he listens and makes necessary edits.*

Construction Wallat

Cameron Williams is the star student for the Construction Program this month.

Cameron is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at-hand. Cameron puts great effort into each project he completes and takes pride in his work. Cameron works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Cameron shows the willingness and eagerness to learn, and apply what he has learned into his life. He demonstrates critical thinking and problem solving skills. Cameron would be a successful and welcomed member of the construction industry.

Congratulations Cameron!

WELDING

Dylan Lacey is the Star Student for the Welding 1 program.

Dylan is being honored because he demonstrates the skills and attributes that employers value.

Dylan is a sophomore at South Pointe High School. He has completed all types of welds so far in the level one class. He remains on task and works hard throughout the class period. He has a talent for problem solving and is creative in his solutions. He's precise with his welding, and quick with learning from past mistakes. He has good time management and will consistently stay on task during the class period. He has helped me with many of my projects. Dylan plans to attend Tulsa Welding School after early graduation in 2020. Dylan plans to perfect welding, and travel out of the country as a welder.

CHINESE

- ▶ Jacob Whitt is the Star Student for the Chinese program.
- ▶ Jacob is being honored because he/she demonstrates the skills and attributes that employers value.
- ▶ Jacob is an enthusiastic learner and strives to reach his full potential. He has kind, caring, and friendly character. He shows respect for teachers and peers.
- ▶ He always seeks new challenges and takes responsibility for his learning. He always faithfully performs classroom tasks and remains an active learner throughout the class. He tackles Chinese assignments and tasks in an organized manner. He is also very open-minded to Chinese culture.
- ▶ Jacob sets an example of excellence in behavior and cooperation. He cooperates consistently with me and other students and conducts himself with maturity. He is also an active participant in small group discussions, and always stays focused on the task at hand.

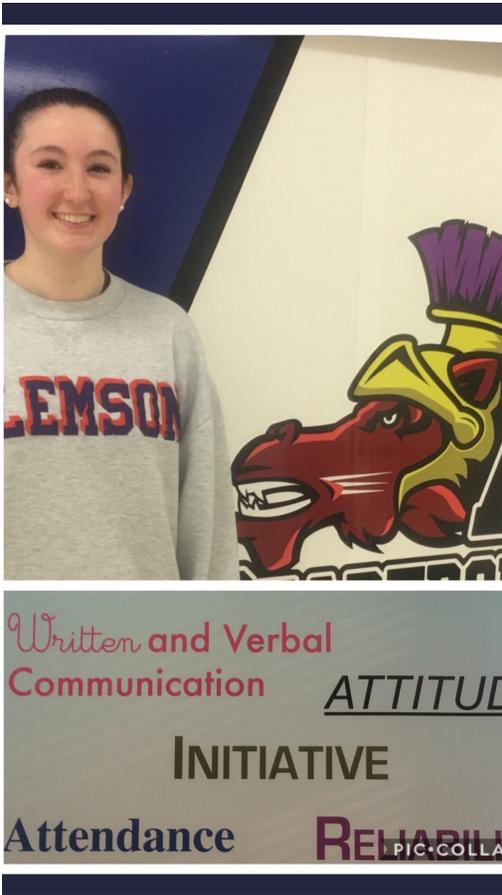

CLINICAL STUDIES George

Written and Verbal
Communication **ATTITUDE**
INITIATIVE
Attendance **RELIABILITY**

- ▶ Rebecca Volovik is the star student for Clinical Studies. A Rock Hill High school senior who is graduating in the top fifth of her class, Rebecca excels in academics. In addition she exhibits valuable soft skills. She has been consistently engaged in class and in labs. She works hard and self manages her time, never needing reminders of due dates and using her time wisely. She shows initiative both in class and at lab practice. Rebecca exemplifies quality in her work, attitude and ethic. A future Physician Assistant, who will be much sought after by employers, she will soon rise to the top as an exemplary team member. Always willing to step in and help, she leads by example. Her focus on details and quality is impressive. It is a privilege to have a small part in her education and development as she advances in her career in healthcare. Congratulations, Rebecca!

Health Science 2 Smith

Mariel Bolin is the Star Student for the EMS program.

Mariel is being honored because she demonstrates the skills and attributes that employers value.

Mariel is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Mariel has a plan for her future and will be a great member of the health science field.

Thanks Mariel for being such a great young lady.

Electricity 3

Zach Edwards is the Star Student for the Electricity program. Zach is being honored because he demonstrates the skills and attributes that are valued by employers. Zach is finishing up his 3rd year in Electricity. He has consistently shown the upmost professionalism and dedication to learning. He has used his opportunity at ATC to its fullest and is ready to continue his career in the work place, college, or both.

Health Science

Neely

- ▶ Sydney Gardner is the Star Student for the Health Science 1 program.
- ▶ Sydney Gardner is being honored because she demonstrates the skills and attributes that employers value.
- ▶ She has great communication skills (verbal and nonverbal) and she interacts with others very well. Sydney Gardner has great listening skills and respect for others. Based on Sydney Gardner's academic achievement, there is no doubt that she is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, has integrity, and creative. Sydney Gardner has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Sydney Gardner's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Sydney Gardner has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile. One of her many strengths that I admire the most is self-initiative which has been demonstrated by participation in class. Last but not least, Sydney and her mother supported the Applied Technology Center by attending the Winterfest.

Digital Arts Burgin

- ▶ Galilea Castro is the Star Student for the Digital Art and Design program for this month. Galilea is being honored because she demonstrates the skills and attributes that employers value. Galilea has demonstrated great workplace skills throughout the semester. She always arrives to class with a positive attitude on time every day. She shows great initiative in offering to help whenever needed to other students and the teacher. She is easy to get along with and listens effectively, asking questions when she doesn't understand. Galilea represents what we look for in a Star Student with great communication skills and working well with others. Galilea is a talented, hardworking and a courteous student. I am proud to nominate Galilea Castro as a Digital Art and Design Star Student.

SMALL ENGINES

JONATHAN JOHNSON is the Star Student for the Small Engine Technology program.

JONATHAN is being honored because he demonstrates the skills and attributes that employers value.

JONATHAN is my star student for his work ethic everyday in the lab and classroom. JONATHAN has completed many projects in class and stays engaged. JONATHAN completes his assigned work in Small Engines on time and enjoys class. JONATHAN strives to repair projects in a timely manner and demonstrates skills learned in class everyday. Great Job, JONATHAN!
