

STAR STUDENT FOR DRAFTING

- ▶ Ellen Kettlewell is the Star Student for Drafting.
- ▶ As a first year Drafting student, Ellen has truly excelled. She has a natural talent for the subject matter.
- ▶ Her attention to detail and determination to do well is a true asset. Because of her tenacity, Ellen has maintained a 100 average in class. I know she will do well in any career she chooses because of her work ethic and ability.
- ▶ Way to go, Ellen

TEACHING FUNDAMENTALS STAR STUDENT

Maggee Sexton is the Star Student for the Teaching Fundamentals program.

Maggee is my star student for Introduction to Teaching. Maggee has shown such enthusiasm for my course and always stays on task. She always completes her assignments and goes above and beyond. She is willing to help her peers and has a great rapport with her classmates. She does an awesome job planning and working with her 4K buddy as well. I have no doubt she will be an amazing teacher one day.

STAR STUDENT FOR Electricity

Ashton Parker is the Star Student for the Electricity program.

Ashton is being honored because he demonstrates the skills and attributes that employers value.

Ashton is always on time and starts his work immediately. He needs no prompting when a job needs to be done. He follows directions and completes assignments and lab work in a professional manner with an eye for detail. Any college or industry will be lucky to have Ashton with them.

STAR STUDENT FOR COLLISION REPAIR

- Luis Montes is the Star Student for the Collision Repair and Refinish Program. Luis is a senior at Northwestern High School where he serves as team manager/videographer for the Northwestern mens varsity soccer team. Luis's hobbies include cars, soccer and hanging out with his friends. After graduation, he plans to attend Greenville Technical College in order to pursue a career in the collision industry. I am anxious to see where his talents and this path takes him. He definitely has a bright future ahead of him with the traits he displays on a daily basis. Thank you Luis for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

- ▶ McKenzie Webster is the Star Student for the Cosmetology program. McKenzie is being honored because she demonstrates the skills and attributes that employers value. She has clear personal goals and excellent time management skills.
- ▶ McKenzie has the ability to review the information given for each task by identify problems, their causes and evaluate options for the best solution. Her attitude and attendance is excellent.
- ▶ She acts promptly, with a readiness to be energetic in the student lab. She is always willing to help others and is a pleasure to have in class.
- ▶ McKenzie is very creative, and has a great eye for detail. She gives 100% in all assignments both in the classroom and lab. I look enjoy watching her developing new skills; I am excited to see what her future holds for such an talented cosmetology student

STAR STUDENT FOR Digital Art & Design

oto

Rose Ann Gordon is the Star Student for the Digital Art & Design program.

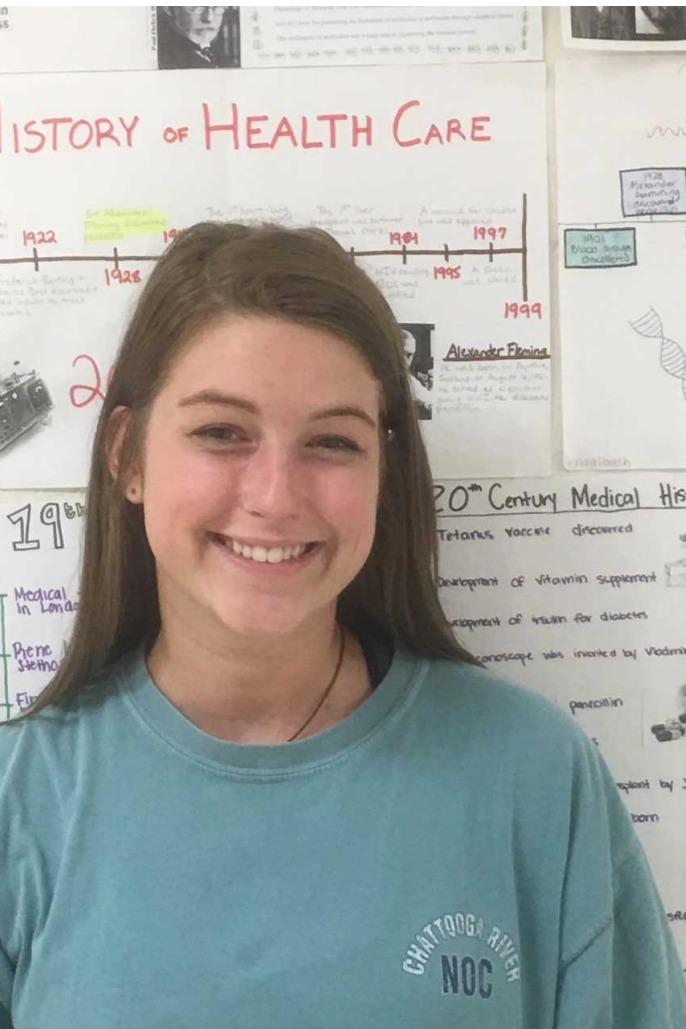

Rosie is being honored because she demonstrates the skills and attributes that employers value. Rosie is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She takes initiative without being asked and is always one of the first students to class. She listens effectively and is very personable. She has the ability to manage new technology with great creativity and perseverance; she is a natural leader and willing to try new tasks. I am proud to nominate Rosie as Digital Art and Design Star Student.

LDING STAR STUDENT

- ▶ Aaron Flores is the Star Student for the Welding 2
- ▶ Aaron is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Aaron is a junior at Northwestern High School. This is his second year in welding and he is willing to learn and try new things to improve his skills everyday. He demonstrates skills and attributes that are valued in the work field. He takes every opportunity to not only learn new skills but to sharpen the ones he has already learned .He is able to keep an open mind and think out side of the box for solutions to solve any issue that comes up. He is excellent at self-management, able to complete his work on time and done correctly. He is also great at showing accuracy in his work and can make corrections to techniques if needed. He keeps his work area clean and in safe working order. He is always very respectful and is willing to help others when they ask questions or need help. He works hard and has a positive outlook in the workplace and is always willing to do the best work he can possibly do. He puts forth all of his efforts to not only complete his work in group projects but also to help others with theirs. After High School Aaron has plans to be a nutritionist and have welding as an option to lean on if needed.

Health Science 1 Star Student Smith

- ▶ Abby Dorton is the Star Student for the Health Science 2 program. Abby is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Abby is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Abby has planned for her future and will be a great member of the health science field in the future. Thanks Abby for being such a great young lady.

Health Science 1 Star Student

- ▶ Reem Hassan is the Star Student for the Health Science 3 program.
- ▶ Reem is being honored because she demonstrates the skills and attributes that employers value.
- ▶ I have had the pleasure of having Reem in my Health Science 1, Health Science 2 and now she is currently in my Health Science 3 class. I have watched her develop the skills that employers treasure. Reem is definitely a great communicator with her peers as well as with faculty. She has shown me over the years that she works well with her peers, but also has leadership skills that she can employ if she needs to in order to get a job done. Not only has she developed great organizational skills and self-management, but she also has shown a lot of initiative and problem solving skills this year. All of these skills will be useful as she continues her education to become a surgeon. I am very proud of the growth you have made while here at ATC and I know you will be a GREAT surgeon one day. Keep up the good work Reem!

Logistics and Distribution STAR STUDENT

Clayton Ballog is the Star Student for the Logistics & Distribution program.

Clayton is being honored because he demonstrates the skills and attributes that employers value.

Clayton has demonstrated the ability to form working relationships; he listens effectively, manages conflicts, respects cultural differences and has a global focus on interpersonal skills.

Clayton is able to work with and lead his peers to implement and complete projects.

Clayton has the ability to understand and deal with difficult questions or tasks, to apply logic to review the information, identify problems, their causes and evaluate options for the best solution.

Clayton will act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes.

Congratulations Clayton Ballog for being the Logistics & Distribution Star Student!

Clinical Studies Star Student George

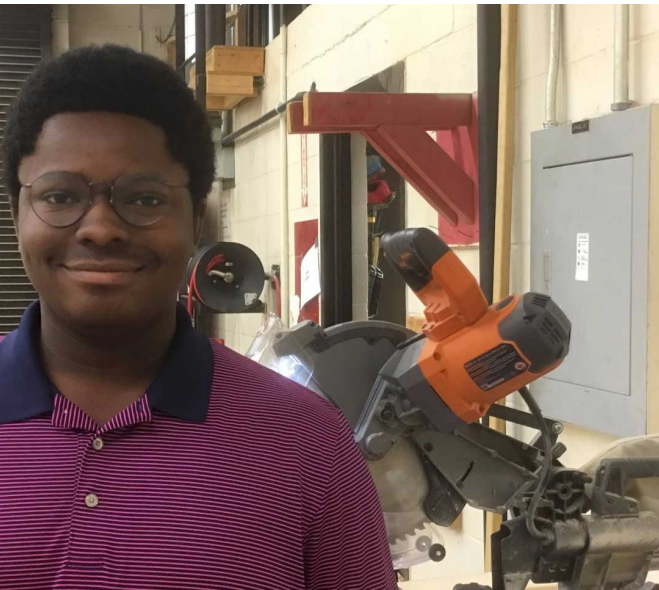

- ▶ Renee Hilton is the star student for the first 5 weeks of Clinical Studies class.
- ▶ A friendly and personable young lady, she demonstrates workplace skills that an employer values. Renee is focused and stays on task without supervision. She sees a need and takes initiative. If you think of industry, you might think of Renee... she works hard at everything she does whether it is her class work, or fundraising. Renee is well-rounded. She volunteers in the Emergency Department at PMC, helps with special needs students at RHHS, is a vice president for HOSA, and is involved in several ministries at her church. Miss Hilton is prompt without reminders, she works well with her peers, and she responds respectfully to authority. Renee is going to make a valued and sought-after employee as she moves forward to her career in healthcare. Congratulations, Renee, future Registered Nurse.

MEDIA TECHNOLOGY STAR STUDENT

- ▶ Bryan Ramsey is the Star Student for the Media Technology Program.
- ▶ Bryan is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Bryan, a junior at Rock Hill High, is being recognized by the Media Technology program for his technical abilities, helpfulness and a great attitude.
- ▶ Bryan is an active member of the Television Studio Production class this semester. Bryan is the Director for our first live broadcast in the studio this semester. His ability to confidently learn how to operate new equipment and his willingness to share his knowledge by helping others learn makes Bryan a wonderful teammate and my choice for this month's Star student.
- ▶ Congratulations, Bryan!

Construction Wallat

- ▶ Jalen Barnette is the star student for the Construction Program this month.
- ▶ Jalen is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at hand. Jalen puts great effort into each project he completes and takes pride in his work. Jalen works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Jalen shows the willingness and eagerness to learn, and apply what he has learned into his life. Jalen would be a successful and welcomed member of the construction industry.
- ▶ Congratulations Jalen!

Auto Technology

- ▶ Kortez Heath is the Star Student for the Auto Tech/Intro to Trans program.
- ▶ Kortez is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Kortez is eager to learn and isn't afraid to jump right in and tackle a task assigned. He works very well with his classmates and has very good communication skills. Congratulations Kortez.

Horticulture

- ▶ Makenna Woods is the Star Student for the Horticulture program.
- ▶ Makenna is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Makenna is a wonderful student. She is always punctual and stays late every day to help clean up. She is dedicated to this class. She does not have any missing assignments. She has good communication skills meaning that she is not afraid to speak in front of a group of her peers as well as speak to me. She demonstrates great leadership skills, but helping students who have been added to the class late. She is also involved in FFA and the community garden.

Digital Arts and Design

AJ Soto

- ▶ Haylin Adams is the Star Student for the Digital Art & Design 3 Program. Haylin is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Haylin is positive, courteous, and professional. Haylin is learning Digital Art and Design and its uses in different careers.
- ▶ Haylin has been an ideal student who works hard, asks questions, gives each project her full attention and tries her best.
- ▶ I am proud to recommend Haylin Adams for the Star Student Award.

Digital Arts and Design C Valk

- ▶ Taylor Johns is the Star Student for Mr. Valk's Digital Art and Design 1 Class
- ▶ Taylor is being honored because he demonstrates the skills and attributes that employers value.
- ▶ It is my pleasure to select Taylor Johns as the Star Student for my Digital Art and Design Class. Taylor is a Senior at Rock Hill High School and he is a pleasure to have in class. Taylor is a great student and shows good leadership qualities, he takes initiative in class getting his assignments done and he also helps other students with questions about the assignment they are working on. Taylor works hard and pushes himself to try something new or to think outside of the box. Taylor also possesses self-management and planning skills by staying on task and getting his work done and meeting deadlines, even if he is absent. It has been a pleasure having Taylor in my class so far, this semester and I wish him luck as he finishes out his Senior year and success in his plans for the future.
