

# STAR STUDENT FOR Culinary Arts

**Breana Davis is the Star Student for Culinary Arts I Management program. Breana is being honored because she demonstrates the skills and attributes that employers' value.**

Breana Davis is an exceptional student. I have the pleasure of teaching Breana in my Culinary Arts Management program. Her diligence, intelligence and aptitude impressed me. Not only is Breana a well-behaved student but she takes pride in all her assignments ensuring that everything is done correctly and on time, which is a result of her having the achieving the highest-class average (98.51%). She always shows interest and participates in class activities. On lab days no matter what her group's responsibilities are; she always assures that his group's duties are done and done to standard. She demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Breana achieves superior results with minimum guidance; this is why I am so delighted to have her in my class. I can sincerely say that knowing and teaching Breana is a pleasure. As a teacher, it is rewarding to teach students like Breana, who not only work too excel, but also challenge the status quo and stand up for what she believes. She is definitely someone I'd love to see working in the food industry.

**#AWESOMEJOB!**

# Digital Art

Ms. Burgin

- Daelyn Wilson is the Star Student for the Digital Art and Design program for this month. Daelyn is being honored because she demonstrates the skills and attributes that employers value. Daelyn has demonstrated great workplace skills throughout the semester. She always arrives to class with a positive attitude on time every day. She shows initiative in offering to help whenever needed to other students and the teacher. She is easy to get along with and listens effectively, asking questions when she doesn't understand. Daelyn represents what we look for in a Star Student with great communication skills and working well with others. She is hardworking and a courteous student. Daelyn is also a very talented artist, who excels on class assignments and works on personal projects in her own time. I am proud to nominate Daelyn Wilson as a Digital Art and Design Star Student.

# Health Science 1 Neely

- ▶ Jason On is the Star Student for the Health Science 1 program.
- ▶ Jason On is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Jason has great listening skills and respect for others. Based on Jason's academic achievement, there is no doubt that he is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, has integrity, and creative. Jason has all characteristics of a great leader and a desire to achieve. His inner core values are expressed by his behavior and his actions. I am impressed by Jason's quantitative skills such as: the ability to comprehend, analyze, and apply concepts effectively. Jason has the capability of tackling complex concepts in an organized manner. He has the willingness to learn and desire to go the extra mile.

# Health Science 3 Tinkler

- ▶ Haley Rayfield is the Star Student for the \_Health Science 3 program.
- ▶ Haley is being honored because he/she demonstrates the skills and attributes that employers value.
- ▶ Haley is a very polite and well mannered student that demonstrates exemplary workplace skills. She is always punctual for class arriving at least 15 minutes early daily. She communicates well with teachers as well as her peers. She is involved in various activities at Rock Hill High such as softball and student council. Haley also works a part time job, and is still able to maintain good grades in all her classes. This demonstrates self discipline as well as great time management skills. She also demonstrates her leadership qualities within the classroom with her table mates and also being involved in the planning of events with student council. Haley will be a great asset to any college as well as the medical field. Keep up the great work Haley!

# Adv. Technology For Design and Production

Seth Caldwell is the Star Student for the ADVANCED TECHNOLOGY FOR DESIGN & PRODUCTION program. Seth is being honored because he demonstrates skills and attributes that employers value.

Seth is the true example of a hard worker. He has also shown great leadership skills. His work ethics are note worthy, paying attention to detail to every part of assignment. He is always on time and shows the enthusiasm of willing to work hard to get things right the first time. He ensures that his team members have all of their assignments and helps when any one of them needs it. Seth is a true team player.

# Electricity

**Alexander Smith is the Star Student for the Electricity 1 program.**

**Alex is being honored because he/she demonstrates the skills and attributes that employers value. He is always on time, and shows up to class ready to work. If he makes a mistake, he owns up to it and fixes the problem. He is willing to learn, and does not give up easily. He is willing to work on projects outside of class time to get them done. He does well when searching the National Electric Code Book, and takes constructive criticism well. He is honest and hard-working.**

# STAR STUDENT FOR Mechanical Design 1.

**Garrett Jackson is the star student for Mechanical Design 1. Garrett utilizes his time effectively to stay current or ahead in our classwork. He always displays a professional attitude and strives to complete the work to the best of his ability. Garrett has successfully maintained a 100 average for the 9 weeks. Given his aptitude and desire to achieve, Garrett will make an excellent engineer one day.**

# Intro. To Teaching

**Se'Maya McClurkin** is the Star Student for the Introduction to Teaching program.

Se'Maya is my star student for the month of October. She demonstrates a lot of enthusiasm for working with children. She always goes above and beyond the expectations in and out of class. She never hesitates to ask questions and strives to always do her best. She is always punctual, attends every day, never misses a deadline, and make great use of her class time.

# STAR STUDENT FOR COLLISION REPAIR

Benton Eavenson

Benton Eavenson is the Star Student for the Collision Repair and Refinish Program. Benton is a senior at Rock Hill High School. His work ethic and attendance is absolutely amazing. He never complains about any assignment or task, he just does it very quietly and efficiently. Benton will always find something constructive and beneficial to do to keep busy. In his spare time, he enjoys riding dirt bikes, working on four wheel drives and playing basketball.

After graduation, Benton plans to attend York Tech to pursue a career in the Automotive Repair Industry.

Thank you Benton for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

# STAR STUDENT FOR COSMETOLOGY

Morgan Shaver is the star student for Cosmetology program. Morgan is very cooperative and has a positive attitude. She takes initiative in the lab setting to maintain her goals and daily objectives. Morgan is creative and has a great eye for detail. She strives to complete tasks on time while maintaining high quality work, a skill set employers are looking for in their ideal candidate. I'm impressed by Morgans professionalism and self-management skills as a level one student.

# DIGITAL ARTS

M. Soto

- ▶ Aaron Gibson is the Star Student for the Digital Art & Design program.
- ▶ Aaron is being honored because he demonstrates the skills and attributes that employers value. Aaron is always on task; he is motivated and works hard on his projects with great time management skills. When he doesn't understand something he asks a question and when someone else needs assistance he doesn't hesitate to help out. He listens effectively and is very personable. He has the ability to manage new technology with great creativity and perseverance; he is a natural leader and willing to try new tasks. He always volunteers to present first and is very friendly and easy to get along with. I am proud to nominate Aaron Gibson as Digital Art and Design Star Student.

# MEDIA TECHNOLOGY STAR STUDENT

*Julie Clemente-Reyes is the Star Student for the Media Technology program.*

*Julie Clemente-Reyes is being honored because she demonstrates the skills and attributes that employers value.*

*Julie is a dependable, hard working student who demonstrates excellent creative skills. Julie places great attention to detail in her video production. Her strong leadership skills has contributed to the success of team projects. She is always willing listen to and take constructive criticism and apply it to her work. When it comes to trying new techniques or leaning new skillsets, Julie always meets these challenges with passion.*

# WELDING

Carson Gibson is the Star Student for the Welding 3 and 4 program.

Carson is being honored because he demonstrates the skills and attributes that employers value.

Carson is a junior at Rock Hill High School. He has shown he can weld in all the positions in the level one and two class and shows skills he has learned in the level three and four class. Carson always shows great leadership skills with his fellow classmates. He remains on task and works hard throughout the class period. He has a talent for creative thinking and is quick when improvising. He is very precise and efficient with his welding, and quick with learning from past mistakes. He has good time management and consistently stays on task during the class period. He has shown his love for welding and he tries to constantly improve as well as take in as much of the knowledge he can from me, and has said he wants to attend either York technical college or Universal Technical Institute to further his welding career. He will use these welding skills to help him get a job welding. Good luck Carson!

# CLINICAL STUDIES George

- ▶ Darvae Williams is the star student for Clinical Studies. He is a Rock Hill High school senior who is intending to major in either biology or nursing. He has many interests, having taken Culinary Arts 1, Digital Art and Design 1 as well as Health Sciences 1,2 and 3. He is involved in track and field, Beta club and HOSA club. He works at Cherry Park as well. In addition, he exhibits valuable soft skills. He has been consistently engaged in class and in labs. He works hard and self manages his time, never needing reminders of due dates and using his time wisely. Although he tends to procrastinate, he is working at overcoming that. He shows initiative both in class and at lab practice. Darvae exemplifies quality in his work, attitude and ethic. He will be much sought after by employers, and will soon rise to the top as an exemplary team member. Always willing to step in and help, he leads by example. His focus on details and quality is impressive. It is a privilege to have a small part in his education and development as he advances in his career in healthcare. Congratulations, Darvae!

# EMS

Brian Smith

- ▶ Angie Bui is the Star Student for the EMS program.
- ▶ Angie is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Angie is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Angie has a plan for her future and will be a great member of the health science field.
- ▶ Thanks Angie for being such a great young lady.

# Power Equipment

- ▶ Alex Adams is the Star Student for the Power Engines program.
- ▶ Alex is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Alex shows great problem solving abilities. He has been able to get several motors running that haven't ran before. He also has great leadership and teamwork abilities. I can ask him to do anything in class and he will get it done or lead other classmates to solve the problem or task that was asked of him. I believe he will be a lifelong learner as well because he asks questions about items that will impact him after he graduates.

# CONSTRUCTION WALLAT

- ▶ Bobby Thomas is the star student for the Construction Program this month.
- ▶ Bobby is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at-hand and is not easily distracted. Bobby puts great effort into each project he completes and takes pride in his work. Bobby works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Bobby shows the willingness and eagerness to learn, and apply what he has learned into his life. He demonstrates critical thinking and problem solving skills.
- ▶ Bobby would be a successful and welcomed member of the construction industry.
- ▶ Congratulations Bobby!

# Logistics and Distribution Massey

Landon Mosca is the Star Student for the Logistics & Distribution 1 program. Landon is being honored because he/she demonstrates the skills and attributes that employers value. It has been a pleasure to teach Landon. Every day, Landon comes to class prepared. He checks on the previous days' assignment, inspects the Lab and straighten up the stray material. Landon will seek out things to help with. His initiative and leadership of his peers are the qualities that employees are looking for.

# Intro to Construction Gilbert

- ▶ Jordan Earney is the Star Student for the Intro to Construction program.
- ▶ Jordan is being honored because she demonstrates the skills and attributes that employers value. Jordan is willing to learn new things, and catches on quickly to concepts and practical assignments and practices. She carries the highest score across two separate classes, and has a natural ability with hand tools and power tools. She is insightful and welcomes challenge. She shows leadership skills during class projects, and takes the lead role easily and effectively.

# Digital Art

C. Valk

- ▶ Zoe Kennedy is the Star Student for the Digital Art program.
- ▶ Zoe is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Zoe is my star student for Digital Art and is a senior at South Pointe. She is my star student this month because she understands the values that makes a good student and good employee. Zoe demonstrates self-management daily with her assignments, making sure she get them don on time as well as planning and organizing to make sure she know what she has to do. She is a good leader and has good interpersonal skills and is willing to help out classmates when she can. There are many more qualities that make Zoe my pick for Star Student this month, but I will stop there. I have a feeling she will be successful at whatever she does in life.

# Intro. To Construction Layman

Christopher Davis is being honored because he demonstrates the discipline, skills, and attributes employers are looking for. He is on time and organized every day. He completes all task in a timely manner. He ask questions for clarity and most of all, he looks to be better himself everyday. He is one of the best skilled students I have taught. Christopher is an exceptional student and my Star Student of the Month.
