

# STAR STUDENT FOR DRAFTING

- ▶ Noeli Montes is the Star Student for Drafting.
- ▶ Noeli's quiet determination and work ethic are what make her stand out as a Star Student. She diligently constructs the drawings and strives for accuracy in each one. She has maintained one of the highest averages in Level I and I'm sure she will continue to thrive. I look forward to watching the progress she will make throughout the levels of Drafting. One day, Noeli will make an excellent engineer.

# Introduction to Teaching STAR STUDENT

- Liliana is the star student for Introduction to Teaching. She demonstrates so much passion and enthusiasm for working with children. She is so energetic and really gets into all the activities we do with the 4K. She strives to think outside the box and to push her creativity when creating lessons. I have no doubt she will be an amazing teacher.

# STAR STUDENT FOR Electricity

- ▶ Isaac Harvell is the Star Student for the Electricity program. Isaac is being honored because he demonstrates the skills and attributes that employers value. Isaac is in his second year with me and has always been driven to be the best in his class. He is always ready with the answer to the daily math warm-up as well as to get his tools out and work. Isaac's greatest strength is his "can do" attitude. He isn't afraid to take on new challenges on his own and is willing to help his peers along the way. Isaac will be an asset to whatever school and/or company he goes with after high school.

# STAR STUDENT FOR COLLISION REPAIR

- ▶ Jonathan Smith is the Star Student for the Collision Repair and Refinish Program.
- ▶ Jonathan is a junior at Northwestern High School where he plays linebacker for the Trojans. Jonathan's hobbies include football, basketball, hanging out with his friends and spraying automotive paint.
- ▶ He has impeccable attendance with a great attitude and work ethic. He never complains about any assignment, he just does the work. After graduation, he intends to continue with a career in the Collision Repair and Refinish industry. Thank you Jonathan for your hard work, dedication and work ethic.
- ▶ Congratulations on this achievement and keep up the good work.

# STAR STUDENT FOR COSMETOLOGY

- ▶ Mary DeJesus is the Star Student for the Cosmetology program. Mary is being honored because she demonstrates the skills and attributes that employers value. Mary is a transfer student from New Jersey and entered the cosmetology program in RHSD during her senior year. For many this transition would be difficult with two different Instructors technical approaches while adjusting to a new state. She was able to adapt with a positive attitude and openness to learn new ways of doing the same skill. Mary takes initiative, she acts promptly with enthusiasm. Mary's attendance and self-management is excellent. She is technically strong and I look forward to follow her career as I know it will be successful.

# STAR STUDENT FOR Digital Art & Design

M. Soto

Jasmine Walker is the Star Student for the Digital Art & Design program. Jasmine is being honored because she demonstrates the skills and attributes that employers value. Jasmine is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She takes initiative without being asked and is always willing to help on an extra project. She listens effectively and is very personable. She has the ability to manage new technology with great creativity and perseverance; she is a natural leader and willing to try new tasks. I am proud to nominate Jasmine as Digital Art and Design Star Student.

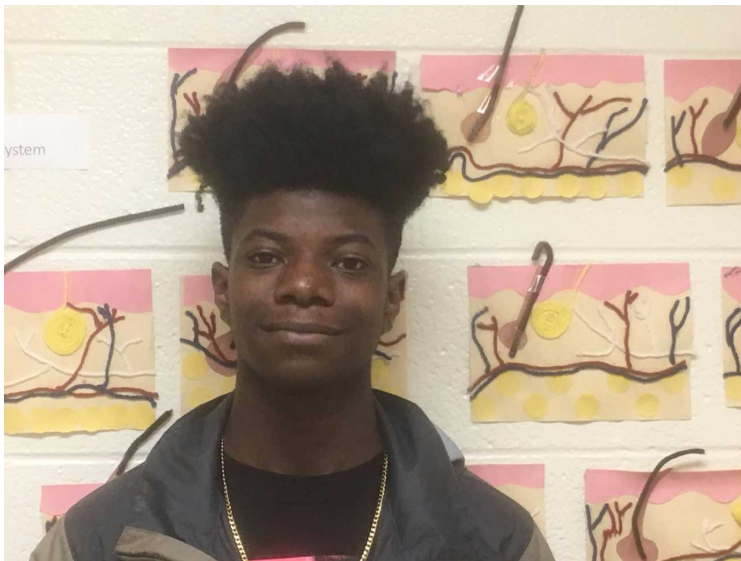

# WELDING STAR STUDENT

- ▶ Dorian Manning is the Star Student for the Welding 1 program. Dorian is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Dorian is a junior at South Pointe High School. This is his first year in welding and he improves everyday. He has wonderful flexibility in trying to adapt to the changes that are created. Dorian has outstanding teamwork as well as initiative and has good self management. He loves to work with his hands.
- ▶ Dorian plans on taking Welding 2 next year. After high school he wants to attend a welding school, not specific yet. He wants to get a good job somewhere welding making good money. He wants to go around the world taking on welding jobs. His career plan is a good choice and I'm sure he will have a bright future after school.
- ▶ Good luck Dorian.

# Health Science 3 Star Student

Tinkler

- ▶ Quintavies Dunham is the Star Student for the Health Science 3 program.
- ▶ Quintavies is being honored because he demonstrates the skills and attributes that employers value. Quintavies has proven to be a hard worker since the first day he entered my class. Quintavies has always demonstrated great self management skills, and he works diligently to achieve all tasks.
- ▶ He is punctual and rarely absent from class, but if he is he always gets missed assignments and completes them promptly. He has demonstrated great communication skills with myself as well as his peers.
- ▶ I know with his continued hard work and dedication he will achieve his goal of becoming a registered nurse. I am very proud of his accomplishments thus far this year and know that he will continue to succeed in anything he does.

# Health Science 1 Star Student Smith

- ▶ Morgan Werner is the Star Student for the Health Science 2 program.
- ▶ Morgan is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Morgan is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Morgan has a plan for her future and will be a great member of the health science field.
- ▶ Thanks Morgan for being such a great young lady.

# Logistics and Distribution STAR STUDENT

Josh Carnes is the Star Student for the Logistics & Distribution program. Josh is being honored because he demonstrates the skills and attributes that employers value.

Josh has demonstrated the ability to form working relationships; he listens effectively, manages conflicts, respects cultural differences and has a global focus on interpersonal skills.

Josh is able to work with and lead his peers to implement and complete projects.

Josh has the ability to understand and deal with difficult questions or tasks, to apply logic to review the information, identify problems, their causes and evaluate options for the best solution.

Josh will act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes. Congratulations Josh Carnes for being the Logistics & Distribution Star Student!

## Medical Terminology Star Student George

- ▶ Ayana Meeks, senior from Northwestern High School, is the star student for October for Medical Terminology. Diligent and hard-working, Ayana is focused on prompt quality work and comprehension. This is Ayana's fourth credit in the Health Science Cluster. She has shown herself to be interested and attentive. Ayana takes initiative and is able to manage her time and meet deadlines all while being involved in many extra-curricular activities such as Trojan Consul, Junior Civitans, Beta Club, and HOSA, Future Health Professionals. A career in pediatric oncology is well within her grasp as she looks forward to her future. Any college and subsequently, any organization will be pleased to have her join them. Congratulations, Ayana, keep up the good work.

# MEDIA TECHNOLOGY STAR STUDENT

- ▶ Mackenzie Nagy is the Star Student for the Media Technology Program. Mackenzie is being honored because she demonstrates the skills and attributes that employers value. Mackenzie, a sophomore at Northwestern High School, is being recognized by the Media Technology program for her helpfulness, technical abilities, and always coming to class prepared. Mackenzie is an active member of the Studio Production class this semester. Mackenzie was the first student, from class, to produce her live show in the TV studio. She did a cooking show and demonstrated how to make Halloween cupcakes. In addition, Mackenzie does not wait to be asked to help....she figures out what needs to be done and does it. This is a wonderful quality and will take her far in the work world. Mackenzie is my choice for this month's Star student. Congratulations Mackenzie!

# Construction Wallat

- ▶ Zach Edwards is the star student for the Construction Program this month.
- ▶ Zach is being honored because he demonstrates the skills and attributes that employers value.
- ▶ He is dependable with his attendance and punctuality. He is always focused on the task at-hand.
- ▶ Zach puts great effort into each project he completes and takes pride in his work.
- ▶ Zach works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Zach shows the willingness and eagerness to learn, and apply what he has learned into his life.
- ▶ Zach would be a successful and welcomed member of the construction industry.
- ▶ Congratulations, Zach!

# Power Equipment Technology 2

- ▶ Nathan Hill is the Star Student for the Small Engine Technology program. Nathan is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Nathan is my star student for his work ethic everyday in the lab and classroom. Nathan finished rebuilding a pressure washer and refurbishing a trimmer this semester and stays engaged every day.
- ▶ He does not take short cuts and completes assignments with pride. Nathan works very hard and works well with others. He completes his assigned work in Small Engines on time and enjoys class. Nathan demonstrates skills learned in class everyday and plans to attend York Tech after graduation. Great Job, Nathan!

# Auto Technology

- ▶ Austin Blue is the Star Student for the Auto Tech program.
- ▶ Austin is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Austin is eager to learn and isn't afraid to jump right in and tackle a task assigned or to get ahead on his classwork. He works very well with his classmates and has very good communication skills.
- ▶ Congratulations Austin.

# Horticulture

- ▶ **Clayton Hughes** has the ability to form working relationships, listen effectively, manage conflict, respect cultural differences and have a global focus on interpersonal skills.
- ▶ He has the ability to work in groups toward a combined effort.
- ▶ **Clayton** has the ability to act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes. He has the ability to coordinate and give orderly structure to things or tasks.
- ▶ Congratulations, **Clayton**.

## Culinary Arts 2

- Ardajia Cousar is the Star Student for the Culinary Arts Management II program.
- Ardajia is being honored because she demonstrates the skills and attributes that employers value.
- Ardajia displays good communication skills that are essential in the kitchen and classroom. Her interpersonal skills are stronger than others which will result in her becoming more successful and benefit her both professionally and personally.
- She always takes advantage of extra time to set her future goals.
- Lastly, Ardajia is always the first one in and the last one out of the kitchen; this displays initiative on her behalf ensuring that the kitchen always looks the same as it did when we enter. She is very resourceful and works without always being told what to do.

## CHINESE CLASS

Keithan Thompson is the Star Student for the Chinese program. Keithan is being honored because he demonstrates the skills and attributes that employers value. Keithan exhibits a positive outlook and attitude in the classroom and he has worked hard during lessons. He is a role model for our class with his good behavior. He is also an active participant in small group discussions, and always stays focused on the task at hand. Keithan has improved very quickly since the beginning of the course. He becomes more and more confident in speaking Chinese and open-minded to Chinese culture. His pronunciation is clear and precise. He has kind, caring, and friendly character. He shows respect for teachers and peers. He is a lively participant in activities with other students and also cooperates consistently with me and other students.
