

# STAR STUDENT Medical Terminology

Mackenzie Kim is the Star Student for the Medical Terminology/Health Science program.

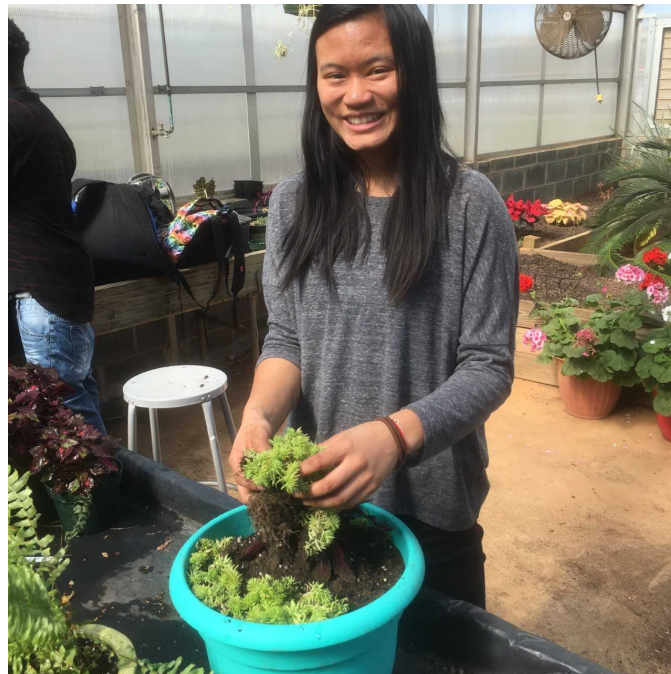

Mackenzie is being honored because she demonstrates the skills and attributes that employers value.

Mackenzie is good with her time management for her class assignments. She also is willing to help other students in class learn the material. Mackenzie also takes initiative in doing her classwork and working ahead to make sure she stays on schedule. She is also very personable, hardworking, and doesn't settle for less than her best.

# Horticulture Star Student

Kaitlyn Hear is the Star Student for the Horticulture program. Kaitlyn is being honored because she demonstrates the skills and attributes that employers value.

Kaitlyn is always on time to every class, most of the time she is early. She is hardworking always doing what is asked. She is knowledgeable when it comes to plants and will do what ever is asked of her in the greenhouse and garden. Kaitlyn is currently working on an SAE project to help improve the looks of the ATC. Kaitlyn has gone above and beyond what is expect of the average students. She comes in on the weekends and waters the greenhouse.

# STAR STUDENT FOR DRAFTING

Tommy Nguyen has displayed self management and planning and motivation when it comes to his work in Drafting. Tommy strives for accuracy and professionalism in his drawings and always utilizes his time to complete his work efficiently. He has shown that he takes pride in his work and shown that he will have a promising career in the Engineering field. He's always willing to help his fellow students and sets a great example of professionalism and employability.

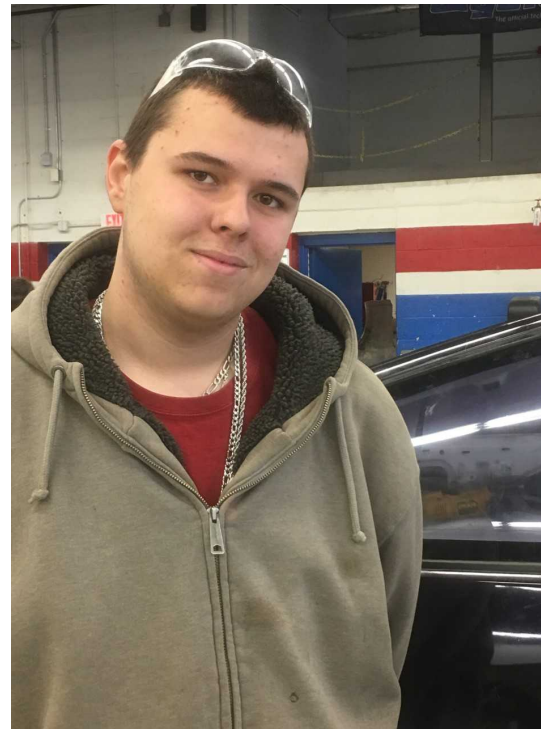

# STAR STUDENT FOR Introduction To Teaching

- ▶ Gisela Vasquez is the Star Student for the Introduction to Teaching program.
- ▶ She is currently a level 2 student and doing her internship at Richmond Drive in an ESL program. She embraces her ability to speak two languages and realizes how she can help ESL students in our schools. She is patient, kind, and exceeds expectations always. She is organized and is very dependable. She will be an amazing ESL teacher one day!

## STAR STUDENT FOR COLLISION REPAIR

Justin Teno is the Star Student for the Collision Repair and Refinish Program. Justin is a senior at Rock Hill High School. Over the course of his high school career, he has taken four different courses, completing three of them and excelling in them all. Dependability and reliability immediately come to mind when speaking of Justin. He has a great sense of humor that the entire class appreciates. His work ethic is absolutely amazing. Justin maintains one of the highest averages in the class. Justin is also a valued member of the ATC Rat Rod Build Team. I just can't speak highly enough of this young man. After graduation, Justin is planning to attend York Tech in order to study Automotive Service, Collision Repair. Thank you Justin for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

## STAR STUDENT FOR COSMETOLOGY

Bryanna Patten is the Star Student for the Cosmetology program.

Bryanna is being honored because she demonstrates the skills and attributes that employers value.

Bryanna's self management skills have grown tremendously over the past few months. She has clear personal goals, is pro-active in planning, and is flourishing in time management while in the lab. Bryanna has a great eye for detail. Bryanna is developing her technical skills and not afraid of a challenge. Bryanna is the only level 2 student who has entered the state Cosmetology competition at Myrtle Beach this spring. Keep reaching for the stars!

# Health Science 1 Star Student

Tinkler

- ▶ An Nguyen is the Star Student for Health Science 2.
- ▶ An is being honored because she demonstrates the skills and attributes that employers value.
- ▶ An is a very pleasant student that always has a smile on her face when she comes to class. She is always willing to jump in and help her peers if needed. She always comes to class with all assignments completed, and she always completes every assignment to the best of her ability. She is a very honest and trustworthy student and I am honored to have her in my class. She will be a true asset to the medical community once she completes her goal of becoming a Registered Nurse. Keep up the good work An!

# Health Science 1 Robertson

- ▶ Mya White is the Star Student for the Health Science 1 program.
- ▶ Mya is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Mya is an exceptional student. She always comes to class with a smile on her face. She demonstrates initiative in the classroom, by starting and completing her assignments. She has the ability to problem solve and displays a positive attitude.

# MEDIA TECHNOLOGY STAR STUDENT

Donald Medley, is the Star Student for the Media Technology Program.

Donald is being honored because he demonstrates the skills and attributes that employers value.

Donald, a freshman at Northwestern High School is being recognized by the Media Technology program for his maturity, work ethic and ability to stay on task.

Donald is a wonderful student in my Digital Art class. He has mastered the tools in Adobe Illustrator and has subsequently produced amazing artwork. He is very conscientious with his work and comes to ask me often if I will view his work and give him suggestions. He is a soft spoken young man with excellent manners.

I am so pleased to reward him as my Star of the Month.

Congratulations Donald!

# Construction Wallat

Harrison Neely is the star student for the Construction Program this month.

Harrison is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at-hand. Harrison puts great effort into each project he completes and takes pride in his work. Harrison works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Harrison shows the willingness and eagerness to learn, and apply what he has learned into his life. Harrison would be a successful and welcomed member of the construction industry.

Congratulations Harrison!

# WELDING

- ▶ Justin Shackelford is the Star Student for the Welding1 program.
- ▶ Justin Shackelford is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Justin is a sophomore at Rock Hill High School. This is his first year in welding and he improves everyday, he has wonderful flexibility in trying to adapt to the changes that are created. Justin has outstanding teamwork as well as initiative and has good self-management. He loves to work with his hands. He plans on taking Welding 2 next year. After high school he wants to attend Universal Technical Institute and get a good job somewhere welding making good money. He wants to go around the world taking on welding jobs. His career plan is a good choice and I'm sure he will have a bright future after school. Good luck Justin.

# CHINESE

- ▶ Emily Reedy is the Star Student for the Chinese program.
- ▶ Emily is being honored because he/ she demonstrates the skills and attributes that employers value.
- ▶ Emily is an enthusiastic learner and strives to reach her full potential. She has kind, caring, and friendly character. She shows respect for teachers and peers.

# Clinical Studies George

Abby Dorton is a Northwestern High senior who hopes to be a Nurse in the future. She is focused and planning for her future. Abby is involved in diverse interests and participates in youth group, National Honor Society, Olympians, HOSA, and National Technical Honor Society. Presently she is taking C.N.A. classes to gain experience in dealing with patients. Abby is a star in Clinical Studies because she shows valuable workplace skills. She is determined and conscientious needing no reminders to stay on task in class or turn things in on time. She makes an effort to thoroughly understand and apply knowledge to her school work and skills practice. She makes an effort to go above and beyond the requirements stated. This shows initiative and self-motivation. Abby will make a sought after employee in the future. We wish her the best as she heads forward toward her future career.

## Health Science 2 Smith

Sydney Munn is the Star Student for the Health Science 2 program.

Sydney is being honored because she demonstrates the skills and attributes that employers value.

Sydney is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Sydney has a plan for her future and will be a great member of the health science field.

Thanks Sydney for being such a great young lady.

# Electricity 3

- ▶ Bryson Moss is the Star Student for the Electricity 3 program.
- ▶ Bryson is being honored because he demonstrates the skills and attributes that are valued by employers.
- ▶ Bryson is doing an outstanding job as an Electricity 3 student. He is conscientious in the lab as well as academically. He asks good questions and does quality work. He is already looking into working in the field while finishing his senior year through our work study program. Bryson will be career ready upon graduation.

## Digital Arts and Design M. Soto

Amanda Wilburn is the Star Student for the Digital Art & Design program.

Amanda is being honored because she demonstrates the skills and attributes that employers value. Amanda is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She takes initiative without being asked and is always willing to help on an extra project. She listens effectively and is very personable. She has the ability to manage new technology with great creativity and perseverance; she is a natural leader and willing to try new tasks. I am proud to nominate Amanda as Digital Art and Design Star Student.

# Health Science Neely

- ▶ Giselle Rubio is the Star Student for the Health Science 1 program.
- ▶ Giselle is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Giselle has excellent social skills and interpersonal skills. She has great communication skills (verbal and nonverbal) and she interacts with others very well. Giselle has great listening skills and respect for others. Based on Giselle's academic achievement, there is no doubt that she is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, and has integrity, creative and, open. Giselle has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Giselle's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Giselle has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile.

# Marketing/Advertising

Jacob Thomas, a senior at Northwestern High School is the star student for the ATC Business Department. Jacob is being honored because he demonstrates the character traits, personal qualities, and employability skills that employers search for in the hiring process. He is a student in the second block Personal Finance class.

Jacob has computer technology skills that he utilizes in completing his course work at a high level and has a high “A” average in the class. He is a team player because he assists other students when they are having difficulty with technology in completing their assignments. I have noticed that he assists the students without me asking him. He volunteers to demonstrate to the class how to complete projects using the computer technology required.

Jacob also possess the soft skills that make him a leader in the classroom. His interaction with the other students makes the students that are having difficulty feel at ease. He is very mature for his age and will be successful in the future as he pursues his chosen career path. Jacob has been accepted at the College of Charleston and will major in nursing. He plans to continue his nursing training to become a combat medic, and a Physician Assistant. I am sure he will be a lifelong learner in his pursuits.

Congratulations Jacob for a job well done.

## Digital Arts Mr. Soto

- ▶ Lillian Bennett is the Star Student for the Digital Art & Design 3 Program. Lillian is being honored because she demonstrates the skills and attributes that employers value. Lillian helps others, is positive, courteous, and professional. Lillian is learning Digital Art and Design and its uses in different careers. Lillian has been an ideal student who works hard, asks questions, gives each project her full attention and tries her best. I am proud to recommend Lillian Bennett for the Star Student Award.

## Power ENGINES

Zach Thompson is the Star Student for the Power Engine Technology program.

Zach is being honored because he demonstrates the skills and attributes that employers value.

Zach is my star student for his work ethic everyday in the lab and classroom. Zach rebuilt a riding lawn tractor this semester and stays engaged every day. He does not take short cuts and completes assignments with pride.

Zach works very hard and works well with others. He completes his assigned work in Small Engines on time and enjoys class. Zach demonstrates skills learned in class every day and plans to be back at ATC next year and will pursue a career in Construction equipment operator. Great Job, Zach!
