

STAR STUDENT FOR DRAFTING

Tyler Boyd is the Star Student for Drafting. Tyler has displayed self management and planning and motivation when it comes to his work in Drafting. He strives for accuracy and professionalism in his drawings and always utilizes his time to complete his work efficiently. Tyler has shown that he takes pride in his work and shown that he will have a promising career in the Engineering field. He's always willing to help his fellow students and sets a great example of professionalism and employability. Congratulations, Tyler!

Introduction to Teaching STAR STUDENT

- ▶ Phillip Shaver is the Star Student for the Introduction to Teaching program.
- ▶ Phillip is the star student because he has shown a drastic improvement in his work ethic and motivation in the classroom. He has been coming to school each day on time, participating in class discussions, and completing all assignments. Every Friday we go to York Road to read to the kindergarteners and Phillip absolutely loves participating in this and genuinely cares about this experience. Phillip wants to become a teacher one day. I believe his school experience will make him one of the best.

STAR STUDENT FOR COLLISION REPAIR

- ▶ Avionce Smith is the Star Student for the Collision Repair and Refinish Program. Avionce is a sophomore at Northwestern High School where he plays football on the defensive line for the Trojans and he is also a member of the Trojan track team. Avionce's hobbies include going to the gym during the week and hanging out with his friends on the weekend. He has impeccable attendance with a great attitude and work ethic. He never complains about any assignment, he just does the work. Avionce was the first level 1 student to complete all of our 14 I-CAR modules. After graduation, he wants to either be an automotive refinish technician or an automotive mechanic where he can continue his passion of working on cars.
- ▶ Thank you Avionce for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

- ▶ Janiah Davis is the Star Student for the Cosmetology program.
- ▶ Janiah is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Janiah has a positive attitude and stays on task. Janiah has excellent grades, attendance, and self-management. Her perseverance to difficult tasks is stellar. She is growing technically and I look forward to follow her career as I know it will be successful.

Digital Art and Design Burgin

- ▶ Desiyah Lashondah Buchanan is the Star Student for the Digital Art and Design program.
- ▶ Desiyah is being honored because she has the skills and attributes that employers value.
- ▶ Desiyah has demonstrated the greatest improvement throughout the semester. Desiyah stays on task and demonstrates good time management of getting her work turned in. She demonstrates skills in communicating with others and has become a hard working student. She asks questions, works hard on her projects and tries her best. Desiyah is talented and courteous. She is always on time and personable. I am proud to nominate Desiyah as a Digital Art and Design Star Student.

STAR STUDENT FOR Digital Art & Design

oto

Mason Sherman is the Star Student for the Digital Art & Design 3 Program. Mason is being honored because he demonstrates the skills and attributes that employers value. Mason helps others, is positive, courteous, and professional. Mason is learning Digital Art and Design and its uses in different careers. Mason has been an ideal student who works hard, asks questions, gives each project his full attention and tries his best. I am proud to recommend Mason Sheridan for the Star Student Award.

LDING STAR STUDENT

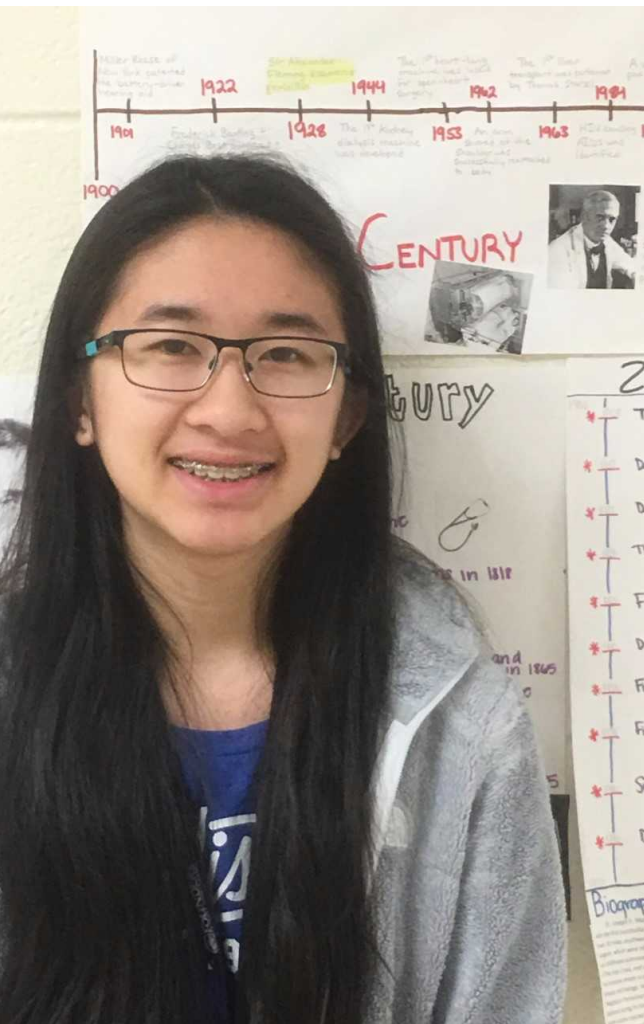

- ▶ Blake Melton is the Star Student for the Welding 2 program.
- ▶ Blake is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Blake is a senior at South Pointe High School. This is his second year in welding and he improves everyday, he has amazing flexibility in adapting to changes that are created. Blake has outstanding teamwork as well as good attendance. He plans on attending York Technical College to study to be welder/fabricator. He is going to York Tech for two years to get certified. With that he will be able to move further up in the field. In and out of the workplace Blake does anything in his power to promote success with others or when he's by himself. Blake will also use his initiative to complete all his assignments in a prompt and efficient manner.

Health Science 3 Star Student

- ▶ Dion Livingstone is the Star Student for the Health Science 3 program. Dion is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Dion is a valuable asset to my Health Science 3 class. He always works very hard at any task that he may be given. He gets along well with his peers and tries to bring out the best in his peers as well. He has excellent communication skills as well as time management skills. He is very inquisitive about the human body and medicine. He has the initiative and drive that it takes to be successful in the healthcare career. He has the goal of becoming an Ophthalmologist, and I have no doubt that he will achieve this goal. Keep up the good work Dion.

Health Science 1 Star Student Smith

- ▶ Angie Bui is the Star Student for the Health Science 1 program. Angie is being honored because she demonstrates the skills and attributes employers value.
- ▶ Angie is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Angie has a plan for her future and will be a great member of the health science field.
- ▶ Thanks Angie for being such a great young lady.

Logistics and Distribution STAR STUDENT

- ▶ John Westbrook is the Star Student for the Logistics & Distribution program.
- ▶ John is being honored because he demonstrates the skills and attributes that employers value.
- ▶ John has demonstrated the ability to form working relationships; he listens effectively, manages conflicts, respects cultural differences and has a global focus on interpersonal skills.
- ▶ John is able to work with and lead his peers to implement and complete projects.
- ▶ John has the ability to understand and deal with difficult questions or tasks, to apply logic to review the information, identify problems, their causes and evaluate options for the best solution.
- ▶ John will act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes.
- ▶ Congratulations John Westbrook for being the Logistics & Distribution Star Student!

Clinical Studies Star Student George

- ▶ Starr McCarley is the star students for November 2017 for Clinical Studies because she show skills and attributes that employers value.
- ▶ Starr is a member of National Technical Honor Society, HOSA, Trojan Counsel, Junior Civitans and the Environmental Science Club. She works at Panera Bread and is active in her youth group. She manages to balance all of her commitments well.

Starr is a Northwestern High senior who has completed Health Science 1 and 2 as well as Medical Terminology. She presently is excelling in Clinical studies class, showing her self-management and clear personal goals. She has set a goal for herself of maintaining a 100 grade. She works hard at all of her assignments, showing planning and organization. Somewhat of a perfectionist, Starr is very accurate and thorough. She shows initiative and enterprise.

Presently Starr is interested in either dental hygiene or healthcare administration. She is setting up six mornings of shadowing this semester and is also attempting to set up an internship for next semester to help her narrow down her choices before graduation. Whatever Healthcare career Starr chooses will profit from her contributions. Congratulations Starr, you are truly a “star”.

MEDIA TECHNOLOGY STAR STUDENT

- ▶ David Ali is the Star Student for the Media Technology Program.
- ▶ David is being honored because he demonstrates the skills and attributes that employers value.
- ▶ David, a senior at Northwestern, is being recognized by the Media Technology program for his wonderful character, technical abilities and excellent attendance.
- ▶ It is with great pleasure that I nominate David Ali as my Star Student this month. David is an active participant in the Video Production class this semester. He is currently the lead editor on his PSA production team and has mastered the Final Cut Pro X software we use in class. David has a wonderful attitude each day, he is always friendly and cheerful to his teacher and his classmates. Moreover, David has perfect attendance in class!
- ▶ Congratulations David!

horticulture

- ▶ Alan Dominguez-Zarco is the Star Student for the Horticulture program.
- ▶ Alan is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Alan demonstrates several workplace skills. He is always here. He stays late working hard on projects. He always works hard in his group and for group projects.

Culinary Arts 2

Karla Lopez is the Star Student for the Culinary Arts I Management program. Karla is being honored because she demonstrates the skills and attributes that employers value.

Karla's first words after greeting me with the proper greeting of the day is, "do you need any help in the kitchen or what can I do to help out?" This to me demonstrates her ability to show initiative and enterprise is something for others to follow. She's a very bright young lady and very well behaved. When asked to do something Karla achieves superior results with minimum guidance.

#AWESOMEJOB!

CHINESE CLASS

Sarah Parsons is an enthusiastic learner who sets an example of excellence in behavior and cooperation.

She is an active participant in Chinese class, and she always supports her peers. Her caring nature and personality allow her to work well with others in a team setting, as she always respects others' opinions even when they differ from her own. Likewise, when we learn about Chinese culture, she demonstrates this openness to and empathy for cultural differences and has profound understanding of how they impact Chinese people's behavior, beliefs and particularly relationships.

Sarah is a passionate language learner. She also shows perseverance on challenging Chinese assignments and always looks on the bright side when she copes with change and problems.

In all, she strives to reach her full potential and seeks new challenges.

Advanced Digital Art and Design

Anna Hedrick is the Star Student for the Digital Art & Design program. Anna is being honored because she demonstrates the skills and attributes that employer's value. Anna is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She takes initiative without being asked and is always willing to help on an extra project. She listens effectively and is very personable. She has the ability to manage new technology with great creativity and perseverance; she is a natural leader and willing to try new tasks. I am proud to nominate Anna as Digital Art and Design Star Student.

Construction Engineering

Nick Cloud is the star student for the Construction Program this month.

Nick is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at-hand. Nick puts great effort into each project he completes and takes pride in his work. Nick works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Nick shows the willingness and eagerness to learn, and apply what he has learned into his life. Nick would be a successful and welcomed member of the construction industry.

Congratulations Nick!
