

# Culinary Arts Brown

Sofia Flores-Gomez is the Star Student for the Culinary Arts program. Sofia is being honored because she demonstrates the skills and attributes that employers value.

Sofia demonstrates the traits of a culinarian and attributes that employer's value through her personal self-management and professionalism. She comes into class consistently prepared and ready to attain to the task at hand. Additionally, Sofia demonstrates positive communication skills and interpersonal skills as she relates to her peers and the adults around her. She is a student that exercises personal restraint and does not engage in idle classroom chatter as she is always attending to her assignment. Sofia demonstrates the traits of the true culinarian and the culinary code as she:

- > Willingly accepts criticism within the lab to improve her skills and execute a dish that is of the upmost standards.
- > Motivated to succeed as she motivates herself to perform above-average and take pride in her work, as well as motivating others to perform.

She is valued for her respect and honesty. Sofia goes above and beyond the regular classroom/lab experiences as she volunteers unselfishly to work at the various evening/week-end events that the culinary department host. Congratulations to the Culinary Arts Student of the Month Sofia Flores-Gomez.

# STAR STUDENT FOR DRAFTING

- ▶ Melany Salas is the star student for Drafting. Melany has displayed self management, planning and motivation when it comes to her work in Drafting. She strives for accuracy and professionalism in her drawings and always utilizes her time to complete her work efficiently. Her problem solving skills allow her to push through difficult tasks and to achieve the desired outcome for her drawings. Melany is always willing to help others and asks well thought out questions when needed.

# STAR STUDENT FOR Introduction To Teaching

Sophie Hooper is the Star Student for the Introduction to Teaching program.

Sophie is the star student for Introduction to Teaching because she demonstrates excellent workplace skills. Sophie arrives to class on time each day and stays on task throughout the block. She always turns in assignments on time and works hard to complete her work efficiently. She will often help other classmates when needed and is very respectful to others.

## STAR STUDENT FOR COLLISION REPAIR

Thomas Sprouse is the Star Student for the Collision Repair and Refinish Program. Thomas is a junior at Northwestern High School. He will be a completer of this program at the end of this semester. Dependability, reliability and intelligence immediately come to mind when speaking of Thomas. His work ethic and attendance is absolutely amazing. Thomas is also a valued member of the ATC Rat Rod Build Team. He is all about the Automotive industry. His passion for cars led him to organize a car show that is held at Northwestern

After graduation, Thomas wants to learn everything possible while on the job with the goal of having his own custom automotive shop that specializes on Fords. Thank you Thomas for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

# STAR STUDENT FOR COSMETOLOGY

Hannah Trimnal is the Star Student for the Cosmetology program.

Hannah is being honored because she demonstrates the skills and attributes that employers value.

Hannah's attendance is excellent. She evaluates options for the best solution. She has the strong technical skills and acts promptly with a positive attitude. Recently Hannah gave up going to her senior prom to compete at the ACSP competition in Myrtle Beach. She did an outstanding job and placed 2nd in Ladies Evening Makeup. In 2 weeks she will be taking her SC Cosmetology State Boards, I look forward to watching this Star Students bright future!

# Health Science 1 Star Student

Tinkler

- ▶ Devin Breeden is the Star Student for the Health Science 2 program. Devin is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Devin is a very dedicated student in my Health Science 2 class. She always comes to class prepared for the day, and makes sure she stays current with any assignments she may miss. Devin has great communication skills and gets along well with her peers as well as faculty. She demonstrates great teamwork and problem solving skills and is not afraid to stand up for what she believes is right. She also demonstrates great self-management and self-discipline. It is very obvious of her love of medicine and her desire to become a registered nurse. I have no doubts that she will accomplish this and be an excellent addition to the healthcare community. Keep up the hard work Devin, I am very proud of you!

# Health Science 1 Robertson

- ▶ Anna Lena Lind is the Star Student for the Health Science 1 program.
- ▶ Anna Lena is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Anna Lena is an exceptional student. She always comes to class with a smile on her face. She demonstrates initiative in the classroom, by starting and completing her assignments. She has the ability to problem solve and displays a positive attitude.

# MEDIA TECHNOLOGY STAR STUDENT

- Ke'von Boyd, is the Star Student for the Media Technology Program.
- KB is being honored because he demonstrates the skills and attributes that employers value.
- KB, a sophomore at South Pointe is being recognized by the Media Technology program for his work ethic, technical skills and easy nature.
- KB is currently in the Studio Production class and on many occasions, has proved his valuable technical skills for the class. He has helped everyone better understand the new TriCaster production system in our Master Control room. He is willing to move furniture and props and help whenever he is asked.
- In addition, KB has an excellent attendance record for this semester. KB is always smiling and is easy to be around.
- Thanks for making everyone's job easier KB!

# WELDING

- ▶ Cameron Young is the Star Student for the Welding1 program.
- ▶ Cameron Young is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Cameron is a sophomore at South Pointe High School. This is his first year in welding and he improves every day. This summer he will be flying to Iowa to intern with Grothus Dragbikes. And plans to start welding 2 when school starts back. Cameron shows the skill set that employers value. He is very concerned with detail, working with his classmates and solving problems thrown at him. He plans to attend The Lincoln Electric Welding School, after his graduation in 2020. Then he would like to travel the country, making good money and working a good job. This is a great path for him to follow, and we wish him luck.

# CHINESE

- ▶ Olivia Hipp is the Star Student for the Chinese program. Olivia is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Olivia is an enthusiastic learner and strives to reach her full potential. She always sets an example of excellence in behavior and cooperation. She is kind and helpful to everyone. Her caring nature and personality allow her to work well with others in a team setting, as she always respects others' opinions even when they differ from her own and she also offers constructive suggestions to peers to enhance their work.
- ▶ Olivia is an active participant in Chinese class, and she tackles Chinese assignments and tasks in an organized manner, and also shows perseverance on challenging Chinese assignments. She always tries to use Chinese in class and expresses ideas very clearly.
- ▶ In all, she strives to reach her full potential and seeks new challenges.

# Clinical Studies George

- ▶ Brittany Ballard is the star student for the next five weeks of Clinical Studies class. She is a member of the National Technical Honor Society for her grades and character.
- ▶ A friendly and personable young lady, Brittany Ballard demonstrates workplace skills that an employer values. Brittany is focused and stays on task without supervision. She sees a need and takes initiative. If you think of industry, you might think of Brittany... she works hard at everything she does whether it is her class work, or resident care. Miss Ballard is prompt without reminders, she works well with her peers, and she responds respectfully to authority. Brittany has gone above and beyond in team work and initiative at her clinical rotation. She is going to make a valued and sought-after employee as she moves forward to her career in healthcare.
- ▶ Congratulations, Brittany.

# Health Science 2 Smith

Ethan Simmons is the Star Student for the Health Science 2 program.

Ethan is being honored because he demonstrates the skills and attributes that employers value.

Ethan is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Ethan has a plan for his future and will be a great member of the health science field.

Thanks Ethan for being such a great young man.

# Health Science Neely

- ▶ Hataya Adams is the Star Student for the Health Science program.
- ▶ Hataya is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Hataya has excellent social skills and interpersonal skills. She has great communication skills (verbal and nonverbal) and she interacts with others very well. Hataya has great listening skills and respect for others. Based on Hataya's academic achievement, there is no doubt that she is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, and has integrity, creative and, open. Hataya has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Hataya's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Hataya has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile.

# Marketing/Advertising

Timothy Morris, a senior at RHHS, is the star student for the ATC Marketing Cluster program. Timothy is being honored because he demonstrates the skills and attributes that employers value.

Timothy is an extremely bright and talented student. Timothy exhibits leadership and problem solving skills. Timothy also exhibits educational standards that all students should have. He can multitask better than most students I know.

Timothy is easy to work with and does not fool around. He has a great personality; he is knowledgeable and very likeable. Timothy is also dedicated when it comes to school work. Timothy submits quality work all the time. Timothy seems to be flexible and adapts well to a changing environment in my classroom. This skill, along with his many other great qualities has, convinced me that Timothy will be a lifelong learner. Timothy will attend college for business in the fall.

It is an honor and privilege to be Timothy's teacher. I have only known him for a short time but he seems to be a wonderful young man. Congratulations Timothy for a job well done.

## Digital Arts Ms. Soto

- ▶ MacKenzie Ledwell is the Star Student for the Digital Art & Design program. MacKenzie is being honored because she demonstrates the skills and attributes that employers value. MacKenzie is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She listens effectively, is very personable and easy to get along with. She has the ability to manage new technology with great creativity and perseverance; she is an extremely talented design and is always willing to try new tasks. I am proud to nominate MacKenzie Ledwell as Digital Art and Design Star Student.

# Auto Technology

- ▶ Jacob Paysour is the Star Student for the Auto Tech program.
- ▶ Jacob is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Jacob is eager to learn and isn't afraid to jump right in and tackle a task assigned or to get ahead on his classwork. He works very well with his classmates and has very good communication skills. Congratulations Jacob.

## DIGITAL ARTS Burgin

Shannon Whiteside is the Star Student for the Digital Art and Design program.

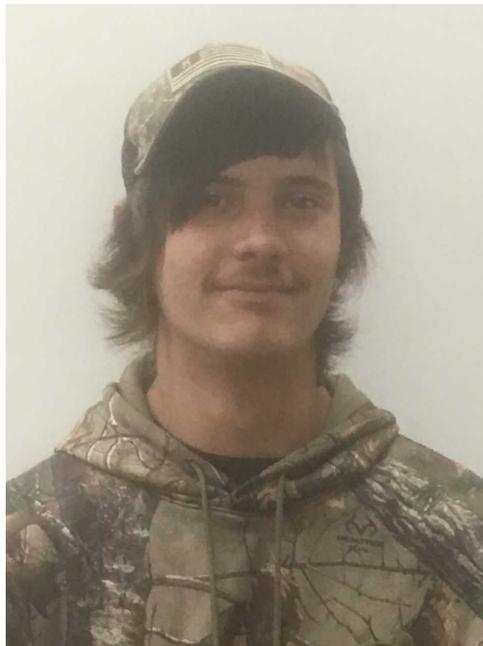

Shannon is being honored because she demonstrates the skills and attributes that employers value.

Shannon has demonstrated great workplace skills throughout the semester. She always shows great initiative in offering to help whenever needed whether to complete a task for the teacher or helping other students. She is always on time. Shannon shows great communication skills and working well with a group of students.

Shannon is a talented, hardworking and courteous student. I am proud to nominate Shannon Whiteside as a Digital Art and Design Star Student.

# Power Engines

- ▶ JOSH DEAN is the Star Student for the Small Engine Technology program.
- ▶ JOSH is being honored because he demonstrates the skills and attributes that employers value.
- ▶ JOSH is my star student for his work ethic everyday in the lab and classroom. JOSH has completed many projects in class and stays engaged. JOSH completes his assigned work in Small Engines on time and enjoys class. JOSH strives to repair projects in a timely manner and demonstrates skills learned in class everyday. Great Job! JOSH
