

COLLISION REPAIR

Brayden Ginn is the Star Student for the Collision Repair and Refinish Program. Brayden is a freshman at South Point High School. His work ethic and attendance is absolutely amazing. He never complains about any assignment or task; he just does it very quietly and efficiently. Brayden has remained consistent in his work ethic throughout the classroom to eLearning transition. He was the first level I student to finish our Intro module series.

He is also a valuable member of our Rat Rod build team.

Thank you Brayden for your hard work, dedication, and work ethic during this difficult time. Congratulations on this achievement and keep up the good work.

COSMETOLOGY

- **Brianna Lawless is the star student for the Cosmetology program. Brianna has embraced eLearning with new knowledge and skills. She has successfully achieved her Cosmetology hours, and she will take her boards hopefully this summer. Brianna continues to maintain excellent grades and positive attitude. She is a problem solver and has the ability to motivate others. I wish her the best in life, I'm excited to see her bright future.**

MECHANICAL DESIGN 2

- **Graham Nichols**
- **Graham has worked diligently and consistently through out eLearning. He reaches out and asks questions when needed and works ahead to complete his work. Great work, Graham!**

CULINARY ARTS

- Ozzy Weber is the Star Student for Culinary Arts I Management program. Ozzy is being honored because he demonstrates the skills and attributes that employers value.
- Ozzy Weber is an exceptional student. I have the pleasure of teaching Ozzy in my Culinary Arts I Management program and I am more than happy to. He is very diligent, intelligent and his aptitude impressed me. Not only is Ozzy a well-behaved student but he takes pride in all his assignments ensuring that everything is done correctly and on time, which is a result of him having the achieving average of (87.7%). He always shows interest and participates in class activities. On lab days no matter what his group's responsibilities are; he always assures that his group's duties are done and done to standard. He demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Ozzy achieves superior results with minimum guidance; this is why I am so delighted to have him in my class. I can sincere when I say that knowing and teaching Ozzy is a pleasure. As a teacher, it is rewarding to teach students like Ozzy, who not only work to excel, but also challenge the status quo and stand up for what he believes. He is definitely someone I'd love to see in my level 2 class and working in the food industry.
- #AWESOMEJOB!

HEALTH SCIENCE 1

NEELY

- Kylie Allen is the Star Student for the Health Science program.
- Kylie is being honored because she demonstrates the skills and attributes that employers value.
- Kylie has excellent social skills and interpersonal skills. She has great communication skills (verbal and nonverbal) and she interacts with others very well. Kylie has great listening skills and respect for others. Based on Kylie's academic achievement, there is no doubt that she is motivated. A leader is someone that has is assertive but nonaggressive, shows dedication, has integrity, creative, and open. Kylie has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Kylie's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Kylie has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile. Kylie has done a terrific job during our extended E-Learning process. What I admire about Kylie the most is her aptitude and she executes her responsibilities very well. Based on her classroom accomplishments, she will be a great asset for any employer.

CLINICAL STUDIES

Michael Ramirez is the star student for the end of April, beginning of May period. This period was completely virtual work. Michael is a Rock Hill High senior who intends to become a surgeon or therapist. He took the Clinical Studies course to get a head start on his medical career. He is an active member on NHS, NTHS, and HOSA. He is also on the wrestling team. He has been taking dual credit English and History courses from York Tech while in high school. Although the closing of schools threw an obstacle in his way, Michael has risen to the occasion. He is showing great self-management skills as well as attention to detail. He has been on time to every zoom meeting, (which we have daily) he has turned in every skilled care demonstration promptly. He is thorough in his demonstration of care and strives to improve each time. Any employer will be fortunate to have him on their healthcare team. Congratulations, Michael.

POWER ENGINES

- **Madison is being honored because she demonstrates the skills and attributes that employers value.**
- **Madison has exceptional initiative within the times of E-Learning she has been on top of everything and even turning in assignments early. While in school she had great problem-solving skills, she was able to take motors that had missing parts and find the missing parts and get everything back together correctly.**

INTRO TO TEACHING

- **Mia Harper! She has been going above and beyond and staying involved in her internship class via zoom and planning and teaching lessons to her students virtually. Her mentor said “She is just great! I mean who asks to teach a lesson and then asks if she can come in late to work so she can teach her lesson”.**
