

STAR STUDENT FOR Culinary Arts

Kara Birchfield is the Star Student for Culinary Arts I Management program. Kara is being honored because she demonstrates the skills and attributes that employers value.

Not only is Kara a well-behaved student but she takes pride in all her assignments ensuring that everything is done correctly and on time, which is a result of her having the highest average of all three of my classes (102.74%). She always shows interest and participates in class activities. On lab days no matter what her group's responsibilities are; she always assures that her group's duties are done and done to standard. She demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Kara achieves superior results with minimum guidance; this is why I will be delighted to see her in the 2019 – 2020 school year in my level 2 class. She is definitely someone I'd love to see working in the food industry.
#AWESOMEJOB!

Health Science 3

Tinkler

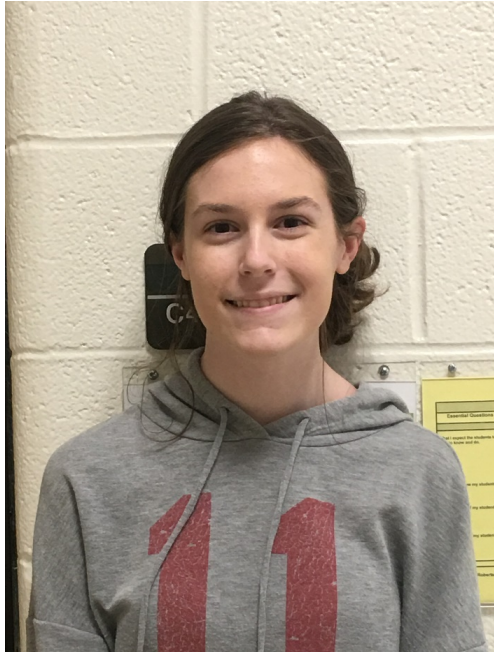

- Alexis Carroll is the Star Student for the Health Science 3 program.
- Alexis is being honored because she demonstrates the skills and attributes that employers value.
- Alexis is a student who has shown time and time again this semester her exemplary work place skills. Alexis has great communication skills with her peers as well as faculty members. She shows great leadership and teamwork skills. She works well with her group as well as with others in the classroom. She is willing to help anyone in class including me. She is always determined to complete her assignments with accuracy and in a timely manner. She has great time management skills and is a great multitasker both of which are essential in healthcare. She has the skills employers look for and the compassion and personality patients need. There is not a doubt in my mind that she will make a great nurse one day.

Veterinary Assisting

- Anna Goodyear is the Star Student for the VETERINARY ASSISTING program. Anna is being honored because she demonstrates the skills and attributes that employers value.
- Anna has demonstrated many qualities that make her “star student quality”. She has shown her work ethic and dedication to getting a good grade. She has shown she plans for the class and studies hard to be successful. Anna has shown a strong ability to display self-management when needed. She is always personable, and puts her best foot forward on every assignment. Anna is a team player in class and demonstrates the qualities of a star student by helping other students to be successful. She completes assignments on time and to the best of her abilities. Anna has shown leadership and excellent skills when working with animals in vet class. Anna is a star student. Congratulations, Anna!

Health Science 1 Robertson

Riley Powell is the Star Student for the Health Science 1 program.

Riley is being honored because she demonstrates the skills and attributes that employers value.

Riley is an exceptional student. She always comes to class prepared and ready to learn. She demonstrates initiative in the classroom, by starting and completing her assignments. She has the ability to problem solve and displays a positive attitude.

Advanced Technology for Design and Production.

DAKOTA MALEA GRANADOS is the Star Student for the ADVANCED TECHNOLOGY FOR DESIGN & PRODUCTION program. DAKOTA is being honored because she demonstrates the skills and attributes that employers value.

Dakota is the true example of a hard worker. She has also shown great leadership skills. Her work ethics are note worthy, paying attention to detail to every part of assignment. She is always on time and shows the enthusiasm of willing to work hard to get things right the first time. She ensures that her team members has all of their assignments and helps when any one of them needs it. Dakota is a true team player.

STAR STUDENT FOR DRAFTING

- Joey Maness is the Star Student for March, 2019.
- Joey has always displayed Self Management and Planning and Organizing when it comes to his work in Drafting. Joey strives for Accuracy and professionalism in his drawings and always utilizes his time to complete his work efficiently. His problem solving skills are evident in the work he produces. Joey is always willing to help his fellow students and takes pride in his work.

STAR STUDENT FOR Teaching Fundamentals

Emily Bryson is the Star Student for the Introduction to Teaching program. Emily is the star student for Introduction to Teaching because she demonstrates so much passion and enthusiasm for working with children. Emily arrives to class on time each day and stays on task throughout the block. She asks questions when needed and takes initiative. She designs creative lessons for her kindergarten buddy. She always makes an effort to participate in class discussions and is always willing to help others. I have no doubt she will be an amazing teacher one day if that is what she decides to do.

STAR STUDENT FOR COLLISION REPAIR

- Jonathan Smith is the Star Student for the Collision Repair and Refinish Program. Jonathan is a senior at Northwestern High School where he has been a member of the football team for three years. Reliability and intelligence immediately come to mind when speaking of Jonathan. His work ethic and attendance is absolutely amazing. He never complains about any assignment or task, he just does it very quietly and effectively.
- After graduation, Jonathan plans to enter directly into the workforce to pursue a career in the Automotive Refinishing Industry.
- Thank you Jonathan for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

Erica Wood is the Star Student for the Cosmetology program.

Erica is being honored because she demonstrates the skills and attributes that employers value. She has clear personal goals and excellent time management skills.

Erica has the ability to review the information given for each task by identify problems, their causes and evaluate options for the best solution. Her attitude and attendance is excellent.

She acts promptly, with a readiness to be energetic in the student lab. She is always willing to help others and is a pleasure to have in class. Erica is very creative, and has a great eye for detail. She gives 100% in all assignments both in the classroom and lab. Keep up the great work!

DIGITAL ARTS

Digital
art

- ^{M. Soto} Dylan Kiser is the Star Student for the Digital Art & Design program.
- Dylan is being honored because he demonstrates the skills and attributes that employer's value. Dylan is always on task; he is motivated and works hard on his projects with great time management skills. When he doesn't understand something he asks a question and when someone else needs assistance he doesn't hesitate to help out. He listens effectively and is very personable.
- Dylan has the ability to manage new technology with great creativity and perseverance; he is a natural leader and willing to try new tasks. I am proud to nominate Dylan Kiser as Digital Art and Design Star Student.

MEDIA TECHNOLOGY STAR STUDENT

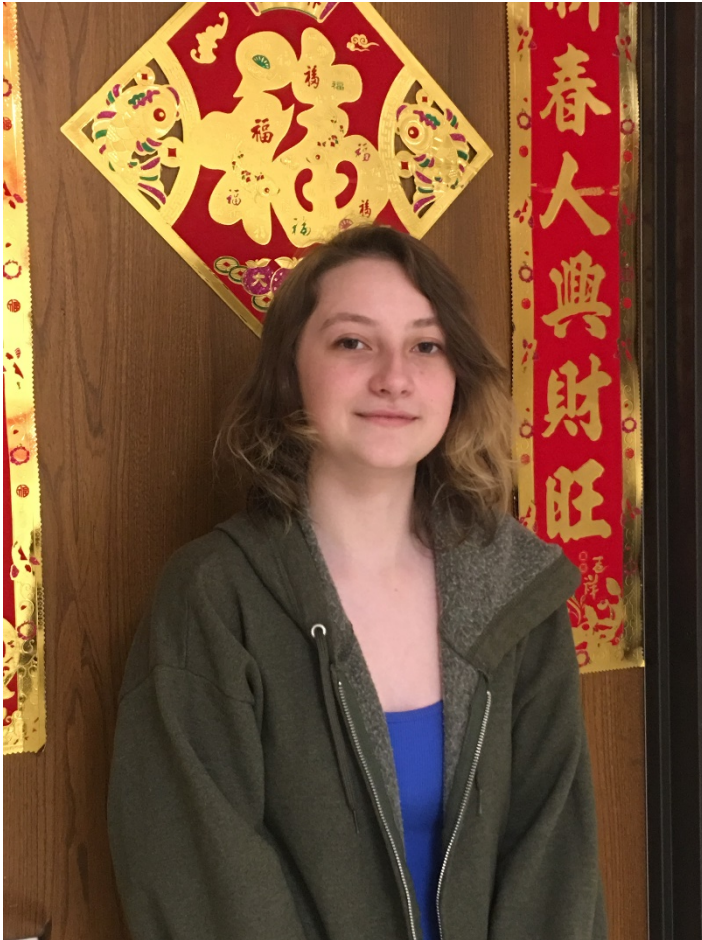

Cheyann Gardner is the Star Student for the Media Technology program.

Cheyann Gardner is being honored because she demonstrates the skills and attributes that employers value.

Cheyann is a dependable, hard working student who demonstrates excellent creative skills. Cheyann places great attention to detail in her video production. She is always willing listen to and take constructive criticism and apply it to her work. When it comes to trying new techniques or leaning new skillsets, Cheyann always meets these challenges with passion.

CHINESE

Jade Sult is the Star Student for the Chinese program.

Jade Sult is being honored because he/she demonstrates the skills and attributes that employers value.

Jade is an enthusiastic learner and strives to reach her full potential. She exhibits a positive outlook and attitude in class and has worked hard. She has kind, caring, and friendly character. She shows respect for teachers and peers.

Jade always seeks new challenges and takes responsibility for her learning. She always faithfully performs classroom tasks and remains an active learner throughout the class. She tackles Chinese assignments and tasks in an organized manner.

Jade sets an example of excellence in behavior and cooperation. She cooperates consistently with me and other students and conducts herself with maturity. She is also an active participant in small group discussions, and always stays focused on the task at hand. Jade expresses ideas clearly, both verbally and through writing.

CLINICAL STUDIES

George

Caitlin Keener is the star student for Clinical Studies. A Rock Hill High school senior who is graduating in the top six percent of her class, Caitlin has overcome academic challenges through hard work and strategies she has developed for herself. She excels academically and will graduate with at least 18 or more college credit hours from York Tech and USCL. In addition she exhibits valuable soft skills. She has been consistently engaged in class and in labs. She works hard and self manages her time, never needing reminders of due dates and using her time wisely. She shows initiative both in class and at lab practice. Caitlin is the first one to notice and step in when she sees that something needs done in the classroom. She exemplifies quality in her work, attitude and ethic. A future pediatric nurse, who will be much sought after by employers, she will soon rise to the top as an exemplary team member. Always willing to step in and help others, she leads by example. Her focus on details and quality is impressive. It is a privilege to have a small part in her education and development as she advances in her career in healthcare. Congratulations, Caitlin!

Health Science 2

Smith

Abigail O'Donnell is the Star Student for the Health Science 2 program.

Abigail is being honored because he demonstrates the skills and attributes that employers value.

Abigail is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Abigail has a plan for her future and will be a great member of the health science field. Thanks Abigail for being such a great young lady.

Electricity 3

Nathan Battaglia is the Star Student for the Electricity program. He is being honored because he demonstrates the skills and attributes that are valued by employers. Nathan is one of the first to show up and last to leave. He works diligently on academics as well as lab projects. He is always safe on the job, and exhibits the soft skills all companies are looking for. There is no doubt in my mind that Nathan will go on to be successful in whatever he pursues after high school.

Health Science

Neely

- **Lauren Woody is the Star Student for the Health Science 1 program.**
- **Lauren Woody is being honored because she demonstrates the skills and attributes that employers value.**
- **Lauren Woody has excellent social skills and interpersonal skills. She has great communication skills (verbal and nonverbal) and she interacts with others very well. Lauren Woody has great listening skills and respect for others. Based on Lauren Woody's academic achievement, there is no doubt that she is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, has integrity, and creative. Lauren Woody has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Lauren Woody's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Lauren Woody has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile. One of her many strengths that I admire the most is dependability which has been demonstrated by her class attendance. She also has the highest grade amongst all my health science classes this semester. Finally, Lauren's mother supported the Applied Technology Center by attending the Winterfest.**

Power ENGINES

- Jackson Hamilton is the Star Student for the Small Engine Technology program.
- Jackson is being honored because he demonstrates the skills and attributes that employers value.
- Jackson is my star student for his work ethic everyday in the lab and classroom. Jackson is currently rebuilding a rider and stays engaged every day and works well with others in class.
- Jackson is a great asset to class and is prepared every day. He completes his assigned work in Small Engines on time and enjoys class and demonstrates skills learned in class every day and plans to take more classes next year at ATC.
Great Job,
Jackson!

HEALTH SCIENCE 1

ROBERTSON

- **Riley Powell is the Star Student for the Health Science 1 program.**
- **Riley is being honored because she demonstrates the skills and attributes that employers value.**
- **Riley is an exceptional student. She always comes to class prepared and ready to learn. She demonstrates initiative in the classroom, by starting and completing her assignments. She has the ability to problem solve and displays a positive attitude.**

Logistics and Distribution Massey

- Jerry "Preston" King is the Star Student for the Logistics & Distribution program.
- Preston is being honored because he demonstrates the skills and attributes that employers value.
- Preston consistently displays leadership and workplace skills. His attitude towards class assignments, are very impressive. He helps to motivate and encourage his fellow class mates. Preston makes sure that any task that he completes is correct then he helps his classmates. It is truly a pleasure to teach Preston.
