

STAR STUDENT FOR Construction Engineering

- ▶ Ben Brock is the star student for the Construction Program this month.
- ▶ Ben is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is always focused on the task at-hand. Ben puts great effort into each project he completes and takes pride in his work. Ben works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Ben shows the willingness and eagerness to learn, and apply what he has learned into his life. Ben would be a successful and welcomed member of the construction industry.
- ▶ Congratulations Ben!

STAR STUDENT FOR Introduction To Teaching

Lexi Amos is the Star Student for the Introduction to Teaching program.

Lexi is the star student for Introduction to Teaching because she demonstrates so much passion and enthusiasm for working with children. Lexi arrives to class on time each day and stays on task throughout the block. She asks questions when needed and takes initiative. She designs creative lessons for her K4 buddy. She always makes an effort to participate in class discussions and is always willing to help others. I have no doubt she will be an amazing teacher one day if that is what she decides to do.

STAR STUDENT FOR COLLISION REPAIR

Jacob Paysour is the Star Student for the Collision Repair and Refinish Program. Jacob is a junior at Northwestern High School. He will be a completer of this program at the end of this semester. Dependability, reliability and intelligence immediately come to mind when speaking of Jacob. His work ethic and attendance is absolutely amazing. He never complains about any assignment, he just does it. He will be completing this program with 60 nationally recognized certificates. Jacob is also a valued member of the ATC Rat Rod Build Team. After graduation, Jacob plans to attend Greenville Tech to pursue a career in the auto industry. Thank you Jacob for your hard work, dedication and work ethic. Congratulations on this achievement and keep up the good work.

STAR STUDENT FOR COSMETOLOGY

Daijauna Russell is the Star Student for the Cosmetology program.

Daijauna is being honored because she demonstrates the skills and attributes that employers value.

Daijauna unfortunately got in a terrible car accident and broke her foot a couple weeks prior to her SC Cosmetology Exams. Her excellent prior attendance came in handy not requiring her to attend a post secondary school to finish her hours. She persevered and finished what she started by testing with her classmates. Daijauna's positive attitude allowed her to adapt to this challenge. She took the 6 hour hands on test in a wheel chair! She also successfully PASSED both her written and practical exams on the first attempt. I'm so proud of her and her accomplishments.

Health Science 3 Star Student

Tinkler

- ▶ Daisy Lopez- Miranda is the Star Student for the Health Science 3 program.
- ▶ Daisy is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Daisy is a very kind young lady not only to staff, but to her peers as well. Daisy goes above and beyond to help any of her classmates if they have a question or concern. Daisy always comes to class prepared and participates daily in class. Having a part time job Daisy has to have excellent time management skills to stay up on her school work and job, and maintain a 98 average! Daisy is very eager to learn and is not afraid to ask questions. Daisy's drive and dedication to succeed in the healthcare industry is very apparent in our class. I know she will make an excellent nurse one day, and I will be very proud to have her as a fellow colleague. Don't loose your drive and dedication, and keep up the good work! I am very proud of you.

MEDIA TECHNOLOGY STAR STUDENT

Grace, a junior at Rock Hill High and is being recognized by the Media Technology program for her outstanding directing, scriptwriting and producing skills.

Grace is a force of nature. Although small in stature, she has complete control of the productions she is working on. After writing a thrilling and scary script her team has been busy making her vision become a reality. She has used several actors in her production including ATC staff and our Resource Officer. With each actor, she encounters she can translate a clear idea of what the scene should look like. In addition, to her directing skills Grace is proficient in all our editing software in class and will make a production company thrilled that they hired her.

I am so pleased to reward her with my Star of the month.
Congratulations Grace!

WELDING

- ▶ Dillon Henderson is the Star Student for the Welding 1 program.
- ▶ Dillon Henderson is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Dillon is a sophomore at Northwestern High School. This is his first year in welding and he improves every day. He likes to fish and hunt as well as playing video games, He also likes animals and lives on a farm. He plans to get either a welding or electrician job after graduation. This is a great path for him to follow, and we wish him luck.

Clinical Studies George

- ▶ Peyton Morrison is the star student for Clinical Studies for May. She is a South Pointe High senior with aspirations to become a nurse and eventually a nurse anesthetist. Peyton participates in youth group, Soccer, FCA and Beta Club. She manages and balances her commitments and studies.
- ▶ Healthcare workers are expected to be reliable, honest and caring. Peyton models these characteristics in her daily life and also in her clinical rotations. She showed up on time, she did not need reminders to follow through on her tasks, and she bonded with her residents. She showed compassion to her assigned residents during clinicals and she cooperated with her team mates/partners. She showed initiative and dependability at c.n.a. clinical training and at her individual shadowing experience. During her shadowing at MedServe Pulmonary Rehab it was stated, "Peyton has shown great enthusiasm and cooperation as well as very good preparation each day."
- ▶ Congratulations Peyton. You will be a sought-after employee as you head towards your future career.

Health Science 2 Smith

Tym'ashia Bowden-Mayfield is the Star Student for the EMS program.

Tym'ashia is being honored because she demonstrates the skills and attributes that employers value.

Tym'ashia is an excellent student who works hard everyday, and is able to lead by example in the class and lab. Tym'ashia has a plan for her future and will be a great member of the health science field.

Thanks Tym'ashia for being such a great young lady.

Health Science Neely

- ▶ Ja-Bria Dunham is the Star Student for the Health Science program.
- ▶ Ja-Bria is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Ja-Bria has excellent social skills and interpersonal skills. She has great communication skills (verbal and nonverbal) and she interacts with others very well. Ja-Bria has great listening skills and respect for others. Based on Ja-Bria's academic achievement, there is no doubt that she is motivated. A leader is someone that is assertive but nonaggressive, shows dedication, and has integrity, and creative. Ja-Bria has all characteristics of a great leader and a desire to achieve. Her inner core values are expressed by her behavior and her actions. I am impressed by Ja-Bria's quantitative skills such as; solving complex problems using critical thinking, ability to comprehend, analyze, and apply concepts effectively. Ja-Bria has the capability of tackling complex concepts in an organized manner. She has the willingness and desire to go the extra mile.

Digital Arts Ms. Soto

Macy Petty is the Star Student for the Digital Art & Design program. Macy is being honored because she demonstrates the skills and attributes that employers value. Macy is always on task; she is motivated and works hard on her projects with great time management skills. When she doesn't understand something she asks a question and when someone else needs assistance she doesn't hesitate to help out. She listens effectively, is very personable and easy to get along with. She has the ability to manage new technology with great creativity and perseverance; she is an extremely talented design and is always willing to try new tasks. I am proud to nominate Macy Petty as Digital Art and Design Star Student

Electricity

- ▶ Luke Ondus is the Star Student for the Electricity program. Luke is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Luke is finishing up his 3rd year in Electricity. He has consistently shown the upmost professionalism and dedication to learning. He has used his opportunity at ATC to its fullest and is ready to continue his career in the work place, college, or both. I am also proud to announce that Luke has earned the distinction of being my Student of the Year.

Culinary Arts

- ▶ Gage Warren is the Star Student for the Culinary Arts I Management program. Gage is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Not only is Gage a well-behaved student but he takes pride in all his assignments ensuring that everything is done correctly and on time. He currently has the highest-grade average in the class. During lab days no matter what his group's responsibilities are; he is always the last to leave the kitchen ensuring the kitchen is clean to standards. Gage is currently employed at Newk's Eatery in Rock Hill he constantly shares stories with me and his classmates about what he learned in class and incorporates it while he's at work and vice versa. He demonstrates all the ability to take initiative and enterprise for others to follow. When asked to do something Gage achieves superior results with minimum guidance. He is definitely someone I'd love to see in my Culinary Arts II program!
- ▶ #AWESOMEJOB!

Power Engines

- ▶ Zach Thompson is the Star Student for the Small Engine Technology program.
- ▶ Zach is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Zach is my star student for his work ethic everyday in the lab and classroom. Zach is currently rebuilding several mowers this semester and stays engaged every day. He does not take short cuts and completes assignments with pride.
- ▶ Zach works very hard and works well with others. He completes his assigned work in Small Engines on time and enjoys class. Zach demonstrates skills learned in class every day and plans to take third level next year.
- ▶ Great Job, Zach!

Masonry

- ▶ James Goins is the Star Student for the Masonry program.
- ▶ James is being honored because he demonstrates the skills and attributes that employers value.
- ▶ James has demonstrated the ability to form working relationships; he listens effectively, manages conflicts, respects cultural differences and has a global focus on interpersonal skills.
- ▶ James is able to work with and lead his peers to implement and complete projects.
- ▶ James has the ability to understand and deal with difficult questions or tasks, to apply logic to review the information, identify problems, their causes and evaluate options for the best solution.
- ▶ James will act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes.
- ▶ Congratulations James Goins for being the Masonry Star Student!

Logistics and Distribution

- ▶ Luther Jones is the Star Student for the Logistics & Distribution program. Luther is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Luther has demonstrated the ability to form working relationships; he listens effectively, manages conflicts, respects cultural differences and has a global focus on interpersonal skills.
- ▶ Luther is able to work with and lead his peers to implement and complete projects.
- ▶ Luther has the ability to understand and deal with difficult questions or tasks, to apply logic to review the information, identify problems, their causes and evaluate options for the best solution.
- ▶ Luther will act promptly, with a readiness to be energetic and inventive and contribute to innovative outcomes.
- ▶ Congratulations Luther Jones for being the Logistics & Distribution Star Student!

Digital Art and Design 1

Kieu Mai is the Star Student for the Digital Art and Design 1 program for Mr. Valk.

Kieu (Gil) is being honored because she demonstrates the skills and attributes that employers value. The skills that she demonstrates on a daily basis in the classroom will make her successful in the workforce after high school. She shows initiative in completing projects on a timely basis and with professional innovative results. She requires very little assistance in completing projects and assignments compared to other students. Kieu has the highest average by several points in the two classes of Digital Art and Design 1, which can be attributed to the skill of self-management. She has the ability to set priorities in scheduling and completing assignments on a timely basis which demonstrates her work efforts and accomplishments.
