

# STAR STUDENT FOR Culinary Arts

**Aidan Ruman is the Star Student for the Culinary Arts Management I program. Aidan is being honored because he demonstrates the skills and attributes that employers value.**

**Aidan Ruman is an exceptional student. I have the pleasure of teaching Aidan in my Level I program and I am more than happy to. He is very diligent, intelligent and his aptitude impresses me. Not only is Aidan a well-behaved student but he takes pride in all his assignments ensuring that everything is done to standard and on time, which is a result of him having the achieving average of (98.57%.) He always shows interest and participates in group/class activities. On lab days he always ensures that his group's duties are done and done correctly. Aidan always displays initiative on his behalf ensuring that the kitchen always looks the same as it did when we enter. Aidan displays good communication skills that are essential in the kitchen and classroom. His interpersonal skills are stronger than others which will result in him becoming more successful and benefit him both professionally and personally. He always takes advantage of extra time to set his future goals. He is very resourceful and works without always being told what to do.**

**He demonstrates all the abilities to take initiative and enterprise for others to follow. When call upon to do something Aidan achieves superior results with minimum guidance; this is why I am so delighted to have him in my class. I can sincerely say that knowing and teaching Aidan is a pleasure. As a teacher, it is rewarding to teach students like Aidan, who doesn't only work to excel but challenges the status quo and stand-up for what he believes. He is definitely someone I'd love to see in the food industry.**

**#AWESOMEJOB!**

# AG SCIENCE Power Equipment

- ▶ Haley Renegar is the Star Student for the Agricultural Mechanics program. Haley is being honored because she demonstrates the skills and attributes that employers value.
- ▶ Haley demonstrates exceptional interpersonal abilities. Haley is willing to work to the best of her ability regardless of distractions in class. She has great communication skills and is willing to let me know when and why an assignment may be late or if she has to miss class. She is also able to adapt to various situations and is always willing to help where needed.

# Health Science 3 Tinkler

Solina Long is the Star Student for the Health Science 3 program. Solina is being honored because she demonstrates the skills and attributes that employers value.

Solina is a very outgoing student who always prepared when she comes to class. You can tell she is a planner is very organized. She demonstrates great time management and self management skills by looking ahead at the big picture at what needs to be done and pacing herself and ultimately working ahead. She is always eager to learn new material or lend a helping hand to a fellow classmate. She has great communication skills with her fellow classmates as well as staff on campus. She also demonstrates leadership qualities that will help her within her journey in medicine. She has the desire to not only be an orthodontist but to also own her own practice one day, I have no doubt that she will achieve this goal. She will blossom in that field patients will love her. Keep up the great work Solina!

# WELDING

- ▶ Tristan Scott is the Star Student for the Welding 1 program.
- ▶ Tristan is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Tristan is a Junior at Northwestern High School . He has completed stick welding through flat, horizontal, vertical and is now working and improving on tig welding as well as cutting in level 1 weld tech. He has demonstrated a desire for the welding work force. He is always using a piece of equipment in the shop. Tristan has demonstrated perseverance when an issue develops while welding and using machinery. He has demonstrated effective work readiness and understands where to start to complete a task. He has effectively shown his interpersonal skills and he understands what to do when being asked to do a task.
- ▶ Tristan is taking welding to be able to complete his career in the welding field after he graduates.

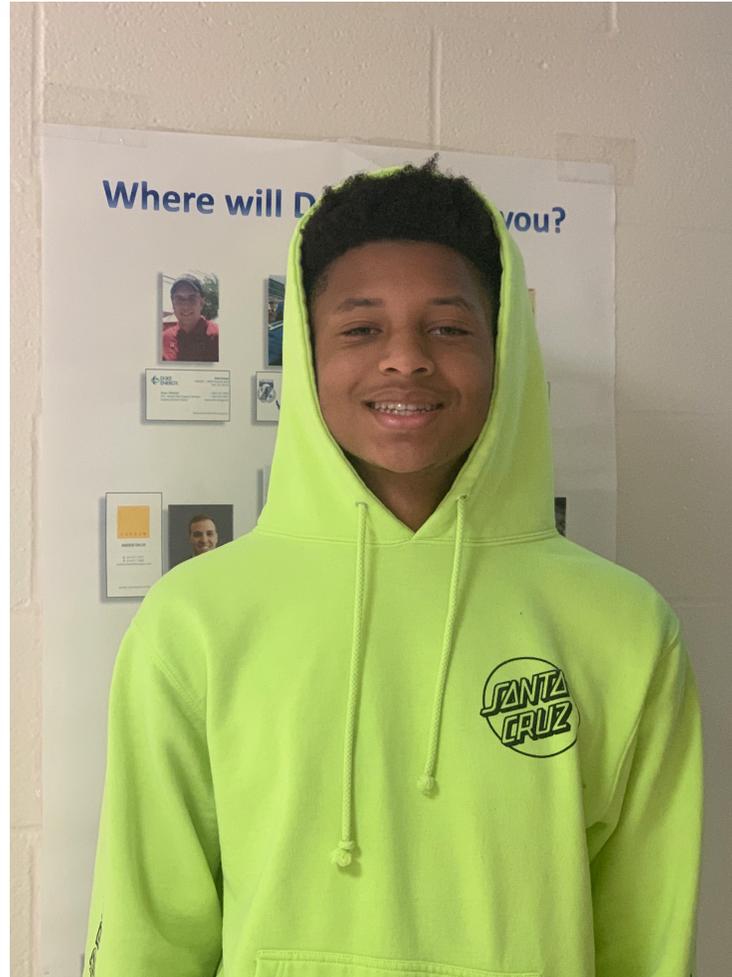

# Mechanical systems for ADV. Production

**Wyatt Barnes is the Star Student for the Mechatronic Systems for Adv Prod. program. Wyatt is being honored because he demonstrates the skills and attributes that employers value. Wyatt is the true example of a hard worker. He has also shown great leadership skills. His work ethics are note worthy, paying attention to detail to every part of his assignments. He is always on time and shows the enthusiasm and willingness to work hard to get things right the first time. He ensures that his team members have all of their assignments and helps when any one of them needs it. Wyatt is a true team player.**

# STAR STUDENT FOR Mechanical Design 1.

**Andre Mills is the Star Student for Mechanical Design I. Andre is always diligently working in class. He takes pride in his work and strives to do his very best. Andre's quiet perseverance will serve him well in the future as he works to obtain his goals. Congratulations, Andre!**

# Media Technology

Ava Robitaille is the Star Student for the Media Technology program. Ava Robitaille is being honored because she demonstrates the skills and attributes that employers value.

Ava is a self-initiated, hard working student who demonstrates excellent creative skills. Ava places great attention to detail in her graphic design and often goes the extra mile to perfect what she envisions. She is always willing to listen to and take constructive criticism and apply it to her work. When it comes to trying new techniques or learning new skillsets, Ava always meets these challenges with passion.

# Intro. To Teaching

**Rayna Sistar is the star student for Introduction to Teaching because she demonstrates excellent workplace skills. Rayna arrives to class on time each day and stays on task throughout the block. I think she's only ever missed 1-2 classes in the 3 semesters I have had her as a student. She always turns in assignments on time and works hard to complete her work efficiently. She designs quality activities for her K4 buddy and was a valuable asset to her internship classroom.**

# CLINICAL STUDIES George

Allyson Beers is the star student for Clinical Studies class for May, 2021. Ally is taking this class to help benefit her in her future career goal of becoming a nurse. She also was an active member of HOSA to further her goal of the medical field. Ally ultimately wants to be a pediatric nurse.

Ally is a hard worker and is able to manage her time. She has taken dual credit York Tech courses this year for Intro to Sociology, Intro to Psychology, European History 2 and English Comp 2. She is managing her own time and being prompt with her assignments and even early with some. She is going above and beyond and showing initiative when appropriate. She notices what needs to be done in the classroom and does it without being directed or asked. She is motivated to practice on her own initiative as well. Ally is prompt, usually one of the first ones in class. Ally understands and applies infection control and resident privacy and rights. She shows excellent soft skills as well as accurate and careful hands-on/patient care skills. She is thorough in her care plans.

## HEALTH SCIENCE 2 Brian Smith

- ▶ Luke Burgess is the Star Student for the Emergency Medical Services program. Luke is being honored because he demonstrates the skills and attributes that employers value.
- ▶ Luke works hard each and every day. Luke is a leader in the classroom and in the lab. Luke has good attendance and completes all assignments before the due date. Luke leads by example and will be very successful in the future. Luke volunteered his time to visit Health Science 1 classrooms to talk to students about EMS and Fire programs here at ATC.
- ▶ Thanks, Luke for being an excellent student leader

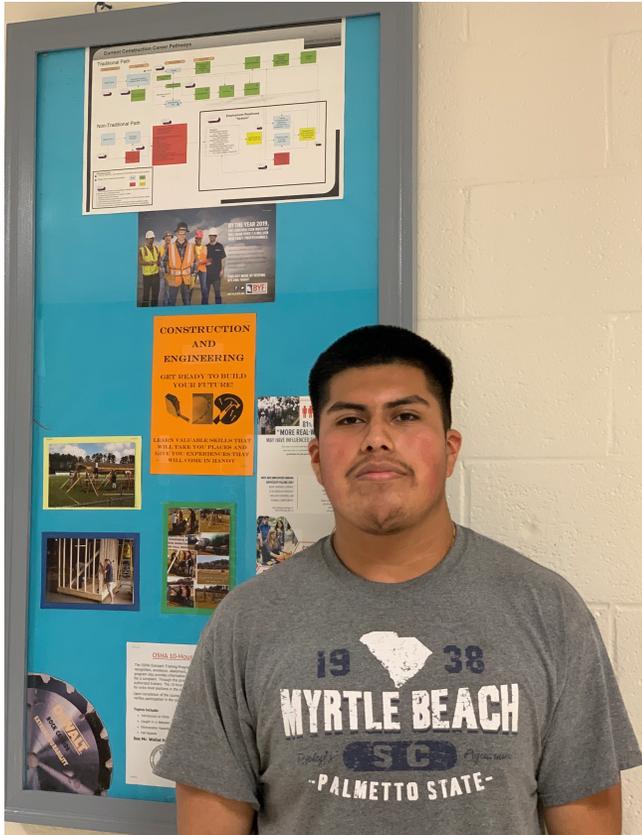

# HORTICULTURE

**Corbin Lennon** are the Star Students for the **Agriculture/Horticulture** program for the month of June. **Corbin Lennon** is being honored because he demonstrates the following skills and attributes that employers value.

Over the course of the semester, Corbin has proven to be one of the brightest and most accomplished students in his Horticulture class and in our Agriculture program. He dedicates more than his fair-share of time to his work in all of his ATC courses including his ongoing Maintenance and Repair SAE with the Agriculture lab Equipment. Corbin stepped into a leadership role in the FFA in his first year of activity and has become a leader to others by demonstrating teamwork skills, huge initiative, self-management and dedication to any and all causes he's passionate about. I'm so excited to see where Corbin's future takes him!

# CONSTRUCTION<sub>WALLAT</sub>

- ▶ Frank Garcia is the star student for the Construction Program this month.
- ▶ Frank is being honored because he demonstrates the skills and attributes that employers value. He is dependable with his attendance and punctuality. He is caught up with all of his assignments. He is always focused on the task at hand and is not easily distracted. Frank puts great effort into each project he completes and takes pride in his work. Frank works with initiative, and is always ready for the next task. He possesses excellent communication skills and is courteous among his team members. Frank shows the willingness and eagerness to learn, and apply what he has learned into his life. He demonstrates critical thinking and problem solving skills.
- ▶ Frank would be a successful and welcomed member of the construction industry.
- ▶ Congratulations Frank!

# Logistics and Distribution Massey

Eryk Dickerson is the Star Student for the Logistics & Distribution program.

Eryk is being honored because he demonstrates the skills and attributes that employers value.

It has been a pleasure to teach Eryk. Every day, Eryk comes to class prepared. He checks on the previous day's assignment, inspects the Lab and straightens up the stray material. Eryk will seek out things to help with and do. His initiative and leadership of his peers are the qualities that employers are looking for.

# STAR STUDENT FOR COSMETOLOGY

Courtni Durham is the Star Student for the Cosmetology program this month. She is an outstanding student and has finished strong this school year!

Courtni has excellent attendance and always willing to help in the lab. She stays on top of her assignments and a joy to have in class.

I am so proud of Courtni for successfully passing both her practical and theory exams! She has also completed her 1000 Cosmetology hours and is now a registered Cosmetologist! She has a bright future ahead of her and I'm excited to see how this journey leads her to success. I will miss seeing you daily!
