Tips and Timeline:

We do not know what the school year will look like next year, therefore we do not currently have a timeline for Battle of the Books. Here are a few tips as you read:

1. Remember you will have to take a 10 question quiz on each book you read. You may want to take notes as you read about characters, plot, and any other details that will help you remember the book.
2. You need to read 6 out of 10 of the titles and pass each 10 question quiz with at least a 70% for it to be considered read and understood.
3. Check with the York County Public Library system to see if they have any of these books in digital format. You can apply for a digital library card at <https://tinyurl.com/ycplecard> to borrow from their library collection.
4. Don't forget to sign up for Summer Reading with York County Public Library! Reading these 10 books can count toward your summer reading goals. To enroll visit <https://www.yclibrary.org/slc> today.
5. We will have some form of Battle of the Books for our middle school students in the 2020-2021 school year. We don't know what it might look like now, but if COVID-19 and this adventure in eLearning have taught us nothing else, it has taught us we can find creative solutions for tough situations. One way or another, we will be together for another school year!
