

SPHS Academic Booster Club Newsletter

June 2020

The Academic Booster Club is a parent organization that provides support for our school through Academic Awards, Senior Scholarships, Teacher Mini-grants, Teacher Appreciation events, and Student Incentives. We are looking for parents who want to make a difference at SPHS. If you are interested in being involved in the Academic Booster Club, please contact Michelle Greenlee at sphsacademics@gmail.com.

Looking Back on this Last Quarter.....

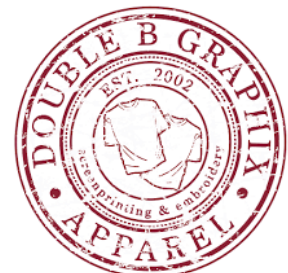

This newsletter was meant to be a reflection of all that was accomplished by our Academic Booster Club, but honestly any reflection has been interrupted by Covid-19. This year did not end with our Inaugural Academic Gala as we had planned. We learned that we have to be adaptable and ready to help when and how we are able. We officially cancelled the Academic Gala when schools were closed for the year. We approached our Gala Sponsors with a proposal to use their sponsorship money to celebrate our graduating seniors in another way, and they were all in.

Each graduating senior was given a Senior Class T-shirt complete with every graduating senior's name listed on the back.

The graduating seniors that had their cap & gown photos taken will also receive a banner. Look for these banners lining the fences on campus at graduation.

Thank you to the following Community Sponsors. We could not have honored our seniors in the manner they deserved without your help.

The Academic Booster Club awarded Scholarships to two well-deserving graduating seniors.

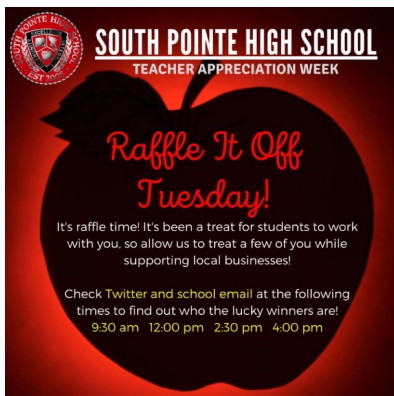

Ahmad Hall was awarded a \$1,000.00 Scholarship. He will be attending Coastal Carolina University in the fall.

Carson Gaynor was awarded a \$500.00 Book Scholarship. He will be attending USC-Lancaster in the fall.

We celebrated our teachers with a Stay at Home Teacher Appreciation.

We held a “Raffle It Off Tuesday” and raffled off Knowledge Perk Gift Cards four different times throughout the day. Mr. Bennett King, Mr. Matthew Alford, Mr. Brandon Machin and Ms. Dorris Frazier were our winners.

Later in the week our staff received a thank you note and an ice cream coupon to be redeemed at their convenience.

Teachers and Staff, thank you for all you do for our students, even in uncharted times. You make our Stallion Nation Strong and we recognize your dedication.

And one of the best parts of the year.....

In the last couple of weeks, the boosters helped put together the Academic Awards Ceremonies for both the Seniors and Underclassmen, and distribute the Graduation Regalia. That truly is the fun part!

Thank you again to our Stallion Family for working together to navigate this unprecedented time in our history. We are so proud to be a part of this fantastic community and look forward to what the future holds.
