

Dear Parent/Guardian:

Thank you for allowing me to help meet your child's health needs while at school this year. The end of the school year is rapidly approaching so the school is preparing to close the Health Room for the summer break.

The school district does not permit **ANY** medication to be stored at school over the summer. **For safety reasons a parent/guardian MUST pick up all medication by the end of the school year.**

Please stop by the Health Room to pick up your child's medicine. If your child's medication is not picked up by 3:30 pm on May 23, 2025, it will be destroyed.

If your child requires a prescription medication while at school next year, please have your physician complete the prescription permission form. Medication permission forms can be requested from the school or printed from the district website.

Please call me with any questions regarding medication pick up at (803) 981-1527.

Sincerely,

Jillian H Knight RN
