Hey guys,

First of all, I miss you and hope all is well with each of you.

We have 5 days of assignments for Round 2. April 1 is a guidance lesson. You have assignments from me April 2-3 and April 13-15. April 16-17 are to be used to finish up any assignments you have not completed.

You will have 2 options daily.

1. If you have wi-fi, you can work in Brightfish Reading for 20 minutes.
Use your first name, last initial (JaimeA) to log-in.
Password rrms2020.
2. Complete the reading activity in the packet.

You should not need more than 20 minutes daily to complete these assignments. If you choose Brightfish, just stop and save your work after 20 minutes.

I do want you to spend time every day reading- for yourself, for another course, to a sibling, to an adult- just keep reading.

Email or send me a message in Canvas if you have any questions or need help, even with another course. I will respond as quickly as I am able.

Love you- miss you!

Mrs. Arrington
