

Sunset Park Center for Accelerated Studies Title I Compact 2024-2025

Please sign & return to school by Friday, September 20, 2024.

Mission Statement for Sunset Park Center for Accelerated Studies: We will create a child-centered learning environment where ALL children learn at high levels.

As A Parent/Family Member, I Agree To:

- Support my child's teachers and school
- Attend school conferences, activities, and programs
- Spend time with my child/children doing educationally related things like homework
- Provide for my child the best I can
- Be in frequent contact with my children's teachers
- Show respect and support for my child, the teachers, and the school
- Work as a partner in the quality education of my child
- Participate, whenever possible, in school sponsored activities

Parent/Family's Signature _____

As a Teacher I Agree To:

- Provide a high-quality curriculum and instructional process for students
- Provide frequent reports on student progress
- Provide opportunities for parents to volunteer and participate, as well as observe, in their child's class
- Exhibit a special commitment to helping all of my students succeed
- Build on the unique strengths of each student and celebrate their increments of growth
- Provide advice and counsel to my students so they know I care and understand their feelings
- Display positive attitudes, finding the good in every student
- Be courageous in my support for my classroom
- Continue learning, bringing new, state of the art practices to my classroom
- Involve my students' families totally in the learning process through frequent contact and interaction including two parent- teacher conferences per year

Teacher's Signature _____

As A Student I Agree To:

- Show **RESPECT** by treating others with kindness
- Show **RESPONSIBILITY** by owning up to my actions
- Show **DETERMINATION** by always trying my best
- Show **INTEGRITY** by doing the right thing, even when no one is looking

Student's Signature _____

As A Principal I Agree To:

- Provide a high-quality curriculum and instructional process for students
- Provide frequent reports on student progress
- Provide opportunities for parents to volunteer and participate, as well as observe, in their child's class
- Involve my students' families totally in the learning process
- Provide an environment that allows for communication between the teacher, parent, student, and principal

Principal's Signature *Dr. Namia H. Barnes*
