A Message from our Director

Assistant Director, Rock Hill Virtual Academy, K-12

Derek McQuiston

Welcome to the 2022-2023 school year! Like any year in school, this year is so important for the growth, development, and success of your child. With that in mind, we are committed to providing each and every student the best education we possibly can while maintaining a safe and nurturing environment.

I've had the pleasure of working in Rock Hill Schools now for over 15 years. I come from a military family, born in Chicago but was raised in Charleston. I attended the University of South Carolina for both my undergraduate and graduate studies. I've been in Rock Hill Schools for my entire career in education spanning several schools and numerous titles. I have been so fortunate to have so many professional opportunities to learn and grow. The work of public education is so critical to the success and life of a child, the responsibility I have to help all students is one I hold in very high regard. In my free time I explore many interests and passions like pottery, cooking, travel, and being on the water!

Please feel free to contact me at any time if I can be of assistance to you and your family, we stand ready to serve. Again, I am so excited to welcome you all to virtual learning in the 2022-2023 school year in Rock Hill Schools.

Eager to work with you this year,

Derek McQuiston

Synchronous Learning

RHVA will be using **synchronous learning**. Synchronous learning refers to a method of learning in which a group of participants is engaged in learning at the same time. There is real time interaction with other people, therefore, the Zoom conference platform makes this possible because students can interact with the instructor and other participants.

Additionally, synchronous learning requires:

- ❖ Students log in each school day to meet with a virtual teacher.
- ❖ Flexible class structures, including but not limited to, small group instruction, individual conferencing and interventions.
- ❖ Teachers collaborate with parents/guardians primarily through emails, messages within the learning platform (Canvas or Seesaw), virtual conferencing tools, or by phone call if necessary. When needed, teachers are available for virtual support and interaction.

Student Expectations

RHVA students are expected to:

- ❖ Work from a suitable space free from distractions, preferably with a solid wall directly behind the student (Bed is not a suitable space). This includes but is not limited to a school appropriate virtual background free of profanity and/or references to drugs, alcohol, political affiliations or any content/material that is a distraction to the learning environment.
- ❖ Log in 5 minutes before the virtual classroom session begins.
- ❖ Sign into all classes on time each day and remain for the duration of class until dismissed.
- ❖ Cameras must be on upon entering the virtual classroom and remain on at all times.
- ❖ Show your entire face (chin and up).
- ❖ Dress appropriately.
- ❖ Use a school appropriate background.
- ❖ Actively participate in the virtual community.
- ❖ Complete and submit assignments on time.
- ❖ Work independently and in groups (when assigned).
- ❖ Show respect for everyone.

Virtual Parent/Guardian Expectations

Parents/Guardians are expected to:

- ❖ Provide a positive learning space where students can work uninterrupted in a suitable space free from distractions, preferably with a solid wall directly behind the student (Bed is not a suitable space). This includes but is not limited to a school appropriate virtual background free of profanity and/or references to drugs, alcohol, political affiliations or any content/material that is a distraction to the learning environment.
- ❖ Ensure students are signing into all classes on time each day and remaining until dismissed.
- ❖ Ensure background noises are minimized. Examples of noises that can disrupt your student's learning are music, television, video games, pets, conversations, other children, etc.
- ❖ Remind your student not to share his/her login information for any virtual class.
- ❖ Remind your student to adhere to the honor code regarding plagiarism.
- ❖ Ensure that your student is dressed properly for participating in virtual classrooms.
- ❖ Provide necessary documentation for student absences.
- ❖ Ensure students complete assignments and turn in the work on time.
- ❖ Monitor their child's grades and assigned work using Canvas/Seesaw.
- ❖ Review and remind your students to adhere to all expectations identified in the district's [Personal Mobile Computing Guide](#), which can be found on the district's website.
- ❖ Remind your students of the following unacceptable behaviors:
 - Vulgarity (avoid cursing, vulgar language, inappropriate gestures, memes, etc.)
 - Posting negativity or cyberbullying others within class discussion or chats.

- Smoking, vaping, drinking alcoholic beverages, or using drugs as well as pretending to participate in these activities.
- Brandishing weapons or look-a-like weapons.
- Trespassing into and/or disrupting another virtual class session where the student is not a member.

*****All inappropriate behaviors will receive appropriate consequences in accordance with *the RHVA Handbook* and may result in permanent removal from the RHVA.*****

Plagiarism and Cheating

Students who participate in RHVA are held to the same academic standards as students who choose face-to-face instruction in any of our schools. Academic integrity must be maintained at all costs. Virtual students who choose to resort to plagiarism, cheating, or using social media to transmit any work will be subject to disciplinary action and parents will be contacted should a violation occur.

If violations are repeated, the student could lose the opportunity to continue his/her education through the virtual program. For consistency across the district, the following definitions will be used to define plagiarism:

Plagiarism is defined as "**presenting someone else's ideas, research, or opinion as your own without proper documentation, even if it has been rephrased.**" It includes, but is not limited to, the following types:

1. Copying verbatim all or part of another's written work;
2. Using phrases, figures, or illustrations without citing the source;
3. Paraphrasing ideas, conclusions, or research without citing the source;
4. Using all or part of a literary plot, poem, or film without attributing the work to its creator.

Cheating is defined as representing any other person's work or work from any source as your own.

Consequences of Plagiarism/Cheating

Plagiarism and cheating are two (2) types of academic fraud. Teachers will follow the following protocol for those students who are found guilty of plagiarism and cheating:

First Offense: *Warning, documentation, and parent contact.* Assignment will be reassigned with the highest grade possible of 80% (or 20 point reduction of grade). *Note: If a student has not completed the reassignment, the original score will be replaced with a '0'.*

Second Offense: *Documentation and parent conference.* Assignment can be redone only after parent, teacher, administrator and student have met to discuss assignment expectations. The student must

be present in the conference to review the guidelines. The highest grade possible will be 60%. *Note: If a student has not completed the reassignment, the original score will be replaced with a '0'.*

Third Offense: *Parent and administrator conference.* Parents will be notified of probable removal from RHVA. The student will receive a '0' on the assignment.

*****If the student plagiarizes or cheats on a cumulative assessment such as final course exams, project, and End of Course exam, a score of '0' will be recorded and is ineligible for make up.**

Assessment and Missing Assignments

Retesting/Reassessing

Students will be provided an opportunity for reassessments after reteaching. Reteaching occurs when the teacher or student determines that the student is not meeting learning goals. Reteaching can occur with a teacher's computer-based instruction, or additional practice opportunities at home. Reassessment opportunities will be offered to students that score below a standard as follows:

- ❖ Below a 70 in elementary/middle summative assessments in the areas of reading, writing, and math
- ❖ Below an 80 in CP/Honors Courses on major assessments
- ❖ Below a 70 in IB and AP Courses on major assessments

Only one (1) reassessment opportunity is offered per task/assessment. When tasks/assignments are re-assessed, they may be reassessed partially, entirely, or in a different format, as determined by the teacher. However, all reassessments will have the same level of difficulty.

The following assessments/tasks indicate a final measure of learning and may not be reassessed:

- ❖ End of course or semester exams
- ❖ An assessment that ends an instructional period such as
 - Benchmark/Midterm exams
 - Final research papers, reports, or essays
 - Culminating projects or performances

When re-assessment is offered, students scoring below the standard will have one opportunity to retest within five (5) school days for a maximum grade of 70 for elementary students, 80 in CP/Honors courses and a maximum grade of 70 in an Advanced Placement or IB course. This will not apply to Dual Credit courses because they are administered by outside institutions of higher learning.

Making up missed work

Students will be permitted to make up all work missed for lawful reasons. It is the responsibility of students to contact their teachers within three (3) days of returning to school concerning all make-up assignments. Students will be afforded a period of time equal to the number of days absent to make up missed assignments if other arrangements are not made with the teacher. Parents and students may also access Canvas from the school's home page. Canvas provides access to class work and assignments, as well as due dates via the calendar. Students may ask teachers questions through Canvas Inbox.

Content and Instruction

RHVA is committed to adhering to the Profile of the South Carolina Graduate as seen below:

Student Support Services (Special Education, 504)

The RHVA is committed to providing free and appropriate educational opportunities for students with disabilities. We will follow the District Policy with regards to scheduling meetings and delivery of related services.

South Carolina State Testing

Virtual Academy students will be expected to take all state assessments associated with their grade level or chosen course work. All state assessments will be taken on campus at times scheduled by the school within the required testing windows.

Grading Policy

Assessments and Grading

Teachers will provide a variety of assessments to determine student mastery of the course content. Assessments may include multiple choice, discussion-based, essays, project-based, major unit tests, etc. The gradebook in Canvas shows the most up-to-date grades for your child.

Grading Scale

RHVA will follow the statewide uniform grading scale as approved by the State Board of Education. This uniform grading scale and the system for calculating grade point averages (GPAs) and class rank will apply to all courses carrying Carnegie units, including units earned at the middle/junior high school level.

The uniform grading scale is as follows:

- A** 90-100
- B** 80-89
- C** 70-79
- D** 60-69
- F** 59 and below

Kindergarten, first, and second grade students are assessed using a mastery-based report card.

Middle School Grading/Information

6th & 7th Grades: No final exams are required.

8th Grade: Cumulative year-end exams (End of Course - E.O.C.) are required in all courses in which the student receives high school credit.

Each semester, the two nine-week grades are averaged to determine the semester grade. The two semester grades are averaged for the yearly final grade. If the student is enrolled in a high school credit course with an EOC (end-of-course) exam, the two semester grades count 40% and the EOC counts 20% of the final year grade.

Attendance Policy

RHVA will adhere to the South Carolina Attendance laws. Please refer to the links below for specifics on Elementary, Middle, and High School attendance. Email excuse notes to interim attendance clerk Ms. Debra Harrison at DHarrison@rhmail.org or call her office at (803) 981-1398.

DIFFERENCE BETWEEN TRUANCY AND CHRONIC ABSENCE

TRUANCY

Counts only unexcused absences

Emphasizes compliance with school rules and compulsory attendance law

Relies on legal and administrative solutions

CHRONIC ABSENCE

Counts all absences: excused, unexcused and suspensions

Emphasizes academic impact of missed days

Uses community-based positive strategies

****If an absence is due to technology issues, a tech support ticket must be entered immediately on the day the issue takes place. It is important to remember that when calculating chronic absenteeism, all absences count, regardless of reason or issue, even if excused.***

****Students who accumulate 5 absences will be required to bring their parents and meet with school personnel to develop an attendance intervention plan. Violations of the plan will result in a court referral for truancy. If a student misses 10 consecutive days, he/she/they will be dropped from enrollment. Please see your administrator if an appeal needs to be made.***

****Per district policy, parents/guardians must submit absence notes, medical notes, etc. directly to the RHVA attendance clerk within 3 school days or their return or the absence will be considered unlawful.***

Harassment, Bullying, and Intimidation

(Refer to District Policy AR JIAA-R for more information on sexual harassment)

Definition of Sexual Harassment

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. Sexual harassment is prohibited against members of the same sex as well as against members of the opposite sex.

Sexual harassment may include, but is not limited to, verbal harassment, including sexually offensive comments or slurs; physical harassment; physical interference with movement or work; or visual harassment such as sexually offensive cartoons, drawings, posters, images, or video. Not all behavior with sexual connotations constitutes sexual harassment under federal law.

In order to qualify as a complaint under Title IX, sexual harassment must be sufficiently severe, persistent, or pervasive that it does one of the following:

- ❖ Adversely affects a student's education
- ❖ Creates a hostile or abusive educational environment

Behavior Prohibited of All Employees and All Students

- ❖ No employee or student of this district will create a sexually hostile or offensive school environment for any other student by engaging in any sexual harassment.
- ❖ No employee or student of this district will assist any individual in doing any act which constitutes sexual harassment against any other student.

Reporting Sexual Harassment

- ❖ Any student who feels that he/she has been the object of sexual harassment is encouraged to file a complaint with the student's principal unless the principal is the person the student is accusing of the harassment. In such cases, the student or the student's parent/legal guardian will contact the director of personnel. Sexual harassment complaints may be filed by the student's parent/legal guardian.

Any employee or student who is found to have engaged in sexual harassment or inappropriate conduct of a sexual nature will be subject to disciplinary action, up to and including termination in the case of an employee, or expulsion in the case of a student. The district will take appropriate steps to correct or rectify the situation.

The district prohibits retaliation or reprisal in any form against a student who has filed a complaint of sexual harassment.

The identity of the complainant and the facts stated in any complaint will remain confidential.

*****To file a complaint, please contact your RHVA administrator.**

Cyber Bullying

Cyberbullying occurs when people use laptops, cell phones or social media to send harassing, threatening, or intimidating messages to others.

- Students should recognize the responsibility, legal consequences, and emotional effects of cyberbullying.
- Students will recognize that bullying online is the same as real life bullying and can carry significant legal consequences depending on student age and the offense.
- Students will refrain from repetitive, unwanted digital communication which can carry legal consequences.

- Students should understand that digital content can affect college admissions and employment.
- Students should understand that Internet content can be archived and can exist forever.
- Students should understand that digital content sent via phone, cameras, and other digital devices can be archived and can exist forever.
- Students should understand that online communication, including email and text messaging, is never private and may be shared with others without your knowledge.
- Students should understand that legal consequences are more serious once the age of majority is attained (Prosecution and inclusion on the sexual predator list are possible consequences of taking or sharing inappropriate pictures and videos).

Devices are used for school purposes and can be inspected. Activities completed online are public and permanent. Devices are expected to be taken care of properly and used to increase educational knowledge.

Cyber Safety Quick Tips:

- ❖ Once you hit send, you can't take it back.
- ❖ Once you hit send, you lose control of the information. Even if you send it to a best friend or family member, you no longer have control of the information, it can be altered, shared, and posted with a different intent.
- ❖ Once you hit send, the information (picture, video, etc.) can become known to an entire school, entire community, country, world. Nothing is private.
- ❖ Snapchat photos do not disappear, they can be recovered
- ❖ Students and adults need to think about what is in a text, email, or post before sending. Always think, "What would this email, text, picture, or post look like on the front page of YAHOO, Facebook, or a newspaper?"

Consequences for Violating Expectations

- ❖ In-Zoom conversation
- ❖ Personal reflection time in waiting room
- ❖ Virtual Student-Teacher Conference
- ❖ Communication with parent/guardian
- ❖ Virtual Parent-Student-Teacher Conference
- ❖ Administrative Conference I
- ❖ Administrative Conference II (Potential removal from RHVA)

Students are expected to attend conferences.
