## Parent Accounts in Canvas

Canvas gives parents the ability to monitor their child's performance by setting up a parent account.

The links below show parents how to create their accounts:
- [Creating Parent Account using the Canvas Parent App on mobile device](#)
- When creating a parent account, parents will need a pairing code. This link shows how students can generate that code: [Creating a Parent Code from the Student Perspective](#) ([more help here](#))
- [Canvas Parent Guide (Apple)](#)
- [Canvas Parent Guide (Android)](#)
- [Setting Up Canvas Parent Account on Computer/Web](#)
