CREDIT RECOVERY:

A passing grade is a 60 or higher. Any student who received a 50-59 in a class needs to talk to their school counselor about credit recovery. Most core classes offer credit recovery to allow students the opportunity to earn the credit. Any student who received a 49 or lower in a core class might have to take the class again and should talk to their counselor about how this impacts their promotion or graduation.

MAKEUP SCHOOL:

Students are allowed 6 absences each semester. State policy says that students must make up every hour missed after they've reached that number. If your student's report card had a FA received for a grade that means the student failed the class due to attendance and must come to make up school.

Makeup school will run from:

Tuesday-Thursday—4-7pm

Saturdays—8-2

Makeup School will end on February 14th. No hours can be completed after that

12th grade

We are so proud of all our seniors and as we approach graduation we encourage seniors to finish the year strong. By this time we would hope that future plans are solidified. If your counselor can help in any way let us know.

- If you are attending college, complete the FAFSA by March 1st for maximum financial aid.
- If you want to take the SAT again sign up with Ms. Consentino by February 17
- If you did not receive a gold or higher on the WIN test please take that again this spring to potentially graduate with a seal of distinction.
