Reagan-Faile Pilcher called the meeting to order.

Reagan went over the bylaws and passed around the budget. She explained with this being our first year as a PTA that we have a budget but we can adjust it and that this is a learning stage for us with being a PTA for the first time.

Question was asked why we switched from PTO to PTA and Reagan explained for unforeseen reasons we had to switch and with us being a PTA there's more structure and support that we wouldn't get as a PTO.

Vote of 8-0 to approve both 2018-2019 budget and Sullivan Middle PTA Bylaws

Bylaws and budget are on the PTA Memberhub

PTA meeting minutes to be posted on PTA Memberhub, Facebook & Sullivan website PTA page

Reagan went over Publix Partners: Publix no longer offers a card. You now have to create an account on Publix, include a phone number and link your account to Sullivan. Then when you checkout you just enter your phone number and a percentage of your purchases will be donated back to Sullivan. We discussed how we can get this out to the school and get parents and grand parents registered and participating. PTA will create a flyer that will have step by step instructions, explain benefits and then will be sent home with students as well as on the Falcon Flyer. A link will also be on the school website on the PTA page with the link to sign up and instructions. It was also suggested that we offer some kind of incentive to the student to help get parents to sign up (for the most sign ups in a home base class: ice cream party, pizza party or something similar)

Reagan went over the upcoming dates.

New Business:

- Discussed the current PTA member count is now 78 and the school's enrollment is 847 students
- Discussed a sport banner fundraiser for 8th grade students in sport. We'd sell the banners for \$100 and they'd be up for the length of the sport and then the parent would get to have it. Has students photo, name and anything else we want to allow
- Discussed next school years major fundraiser, maybe a Color Run using the Sullivan track: March/April
- Kelly Scott discussed emailing out a PTA/SIC Parent survey to learn more about our parents

Meeting adjourned at 8:30am
