 - Jan 30th- Adventure Air spirit night 5:30pm-7:30pm
- New Business
- Meeting Adjourned

Reagan-Faile Pilcher called the meeting to order.

Reagan moved to approve 10/10/18 meeting minutes. Approved.

Reagan explained that a survey went out to the teachers for their top wish items to use the Jump A Thon money on. Reagan is also looking into ways to take the money raised and double it.

Cookies for Teachers, 24 dozen so far and we need 80 for December 17th. Reagan asked for a notice to go out to parents and Laura mentioned sending an email out in the PTA hub.

Reagan and Laura went over spirit wear and the proposed new prices for the next school year to cover online costs since orders will be online next. Also adding a round up option when buying spirit wear next year to be used on buying donation spirit wear items. No more big spirit wear orders this school year but we did talk about if the office is willing to keep track of orders we could still order spirit wear. If one item is order we'd have to add a \$5 processing fee that the vendor charges. Twelve orders or more and there's no \$5 processing charge.

Reagan talked about having a spring fundraiser to cover potential IRS fees for 2019. Krispy Kreme buy one get one free in February or March. Ms. Shackford to check the fundraiser book to see when the best time would be.

Reagan went over the upcoming dates.

New Business:

- PTA Facebook page will be up today
- Kelly went over service project, maybe Back the Pack or something for Miracle Park
- Reagan mentioned that we'll need a new treasurer for the next school year since this is Karen's last year and Karen is willing to train someone this year for next year.

Meeting adjourned at 8:15am
