Purpose of the Report

“This Report is issued by the Sullivan Middle School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.”

Sullivan Middle School

Annual School Improvement Council “Report to the Parents” 2016-2017

1825 Eden Terrace
Rock Hill, SC 29730,
803-981-1450

<http://sms.rock-hill.k12.sc.us>

Mission

Our mission is to prepare today's learners
to be tomorrow's leaders.

School of Choice

Sullivan is a district school of choice. Any student residing in the Rock Hill school district attendance zone can choose to attend Sullivan. We are proud to offer the International Baccalaureate Middle Years Program (MYP). Students are exposed to a rigorous curriculum with a focus on three fundamental concepts:

- intercultural awareness
- holistic learning and
- communication

More information on the program can be found on our website or by calling our IB coordinator at 803-981-1450.

Student Achievement

The Absolute Rating on our last State report card was “Average” and we had an “Average” growth rating. No state report card rating was provided to any SC school for this year.

For more information on our school's performance, you may view Sullivan's "S.C. School Report Card" for the previous school year online at www.ed.sc.gov.

Additional Information

Sullivan Middle School is helping all students develop the world-class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically

challenging learning environment. We provide such an environment through the implementation of our school vision: “Learning Today and Leading Tomorrow.” We demonstrate this vision by challenging our students with rigorous academic work through participation in the IB Middle Years Program and through carefully crafted professional development opportunities for our teachers.

Sullivan Middle School teachers continue to seek to learn new and effective strategies to use in the classroom such as: Approaches to Learning Skills for Students, Student Practice Labs for Deeper Understanding, Curriculum Mapping, Science Inquiry, Facilitated Reading and Writing Skills, STEAM Programs, English Language Learner University Level Training for all staff, and three World Language offerings (Spanish, French, and Chinese).

At Sullivan Middle School, we have various programs outside the academic curriculum to focus on the development of the whole child. We believe it is important that our students learn what it means to be a leader and that learning these skills will help to ensure both their success in life and the success of our collective future.

We continue to demonstrate excellence in the arts with our music department earning several awards for superior performances and our arts programs being featured in many ways throughout the community,

state, nation, and world. Our athletic programs also excelled this year and we built strong partnerships in the community that assist our students with community service, personal fitness, and the formation of lifelong healthy habits.

Sullivan staff and students worked together to provide food for hungry families, strengthened a partnership with a school in Timmonsville, South Carolina around the theme of “Art and Hope” and read “Wonder” by R. J. Polacio. “Wonder” is the story of Auggie, a fifth grader entering school for the very first time. He's been homeschooled for most of his life due to his facial deformities but now he is ready to venture into a larger social setting. As student interact with the story, they discover each of the IB Middle Years Program Learner Profile Qualities. Our activities around this school-wide book have created engagement in both the local and global community and help our students discover their place in the world as a global citizen.

Thank you for all of your support in helping in the development of our future South Carolina graduates and world leaders!

Mrs. Kelly Scott, Chair of the School Improvement Council
Mr. Shane Goodwin, Principal
