Sullivan Middle School is a Middle Years International Baccalaureate program school in the Rock Hill School District. We pride ourselves on providing an education that goes beyond the standards of academics.

We are preparing our students to be leaders of our future. We strive to build relationships first through the IB Learner Profile Qualities: Caring, Reflective, Principled, Communicators, Inquirers, Open-Minded, Risk-Taker, Knowledgeable, Thinkers, and Balanced. We are building change makers in the world, the ones who know they have a voice and want to be active in being the change they want to see.

Sullivan trains teachers as nationally recognized International Baccalaureate educators and encourages them to be a voice in the field of education. We offer a unique combination of IB and dual language immersion.

Sullivan Middle School will provide a safe learning environment in which faculty and families support and encourage lifelong learning to create and foster physical, emotional, intellectual and social growth, inspiring students to be responsible, productive citizens of the world community.
