Sullivan Middle School is a Middle Years International Baccalaureate program school in the Rock Hill School District. We pride ourselves on providing an education that goes beyond the standards of academics.

We are preparing our students to be leaders of our future. We strive to build relationships first through the IB Learner Profile Qualities: Caring, Reflective, Principled, Communicators, Inquirers, Open-Minded, Risk-Taker, Knowledgeable, Thinkers, and Balanced. We are building change makers in the world, the ones who know they have a voice and want to be active in being the change they want to see.

Sullivan trains teachers as nationally recognized International Baccalaureate educators and encourages them to be a voice in the field of education. We offer a unique combination of IB and dual language immersion.

Sullivan Middle School will provide a safe learning environment in which faculty and families support and encourage lifelong learning to create and foster physical, emotional, intellectual and social growth, inspiring students to be responsible, productive citizens of the world community.

Additional Information

Finally, our Sullivan S.I.C. is especially proud that we were named 1 of 11 Finalists in the state of South Carolina this year for the Dick and Tunky Riley Award for School Improvement Excellence!

Additionally, because we are all I.B. teachers and learners, our S.I.C. members, P.T.A. members, faculty and staff joined together to form our first community service group called Falcons Serve. We look forward to more ways

that this group can serve our community together.

Our S.I.C. also collaborated with school administration to begin a successful partnership with community partner, Oakland Baptist Church and we both are excited about the synergy created here. Sullivan Middle School Falcons will continue to soar higher and higher each year on our way to becoming the premiere middle school for I.B. and Dual Language Immersion in the state of South Carolina and the nation.
