

Proposed Parent and Family Engagement Sessions for Title I
2019-2020 Richmond Drive Elementary School

1. **Night at the Museum.**

Thursday, September 5 – 4:30 – 7:30 pm

Families will tour the Museum of York County, attend a planetarium show, and view the exhibits. The first 100 students will receive a safari hat. The special exhibit, *In the Dark*, will invite families to discover the intriguing lives of nocturnal animals. This hands-on family-friendly exhibit delves into dark environments and the unique animals and plants that adapt to areas with little to no light. Visitors to *In the Dark* will learn about the mysteries of nature after dark through dioramas, lifelike models, interactives and graphics.

2. **Picnicking with Reading!**

Wednesday, September 18th – 10:30 – 12:30

This is a non-threatening event held during the first 6 weeks of school to get all parents and families involved AND it does not take any time away from classroom instruction! Parents are invited to have lunch with their child. Parents receive a listing of all the family engagement sessions for the year. Each child whose parent / family attends will receive a free book for his/her home library. Using their cell phone, families can take a photo with their children and their books.

3. **Title I School Level Meetings/What Does the Electric Slide, the Hokey Pokey, and Reading Have in Common?**

Tuesday, October 22

5:30 – 7:00 pm

1. All parents and families are invited to attend a morning or lunch session with the principal, assistant principal, Title I technology specialist, District literacy and math coaches, and Title I Parent Teacher specialists to discuss curriculum, technology, and parent involvement in their school.

2. Come have fun line dancing and experience a Reader's Theatre where everyone reads and ACTS OUT. Leave with a book and ways to get your child excited about reading.

4. **Title 1 School Level Parent and Family Engagement Meeting**

Tuesday, November 12th

8:00 am

5. **Morning Mingle**

Wednesday, January 15th

8:00am

Number Sense We will promote number sense activities by having quick games on the tables for the family members to engage in while eating. Families will receive a copy of all the activities and each child will receive a book for their home library.

6. **Math Night at Publix.**

Thursday, February 27th

5:00 – 7:00 pm

Families will experience how math concepts connect to the real world. They will search the aisles to answer math questions and apply their skills. Each child will receive a free book.

7. **Summer Lunch and Learn: IMAGINE all the WAYS to LEARN!** Tuesday, May 19th Parents and families are invited to eat lunch with their child. Parents attend the first 30 minutes to learn and receive the engagement activities their children can do to prevent the "summer slide." The York County

Library will join us to share the YCL Summer Reading Program. Materials and books are given to the families attending.
