W O W !

What an amazing 2024-2025 SY for the Rock Hill Workforce Development and Adult Education Program! But hey...Don't just take my word for it...let me share with you how rocking it was and show how this month brought it all together with a celebration to commemorate it all.

At the Rock Hill Workforce Development & Adult Education Program the month of June was once again AWESOME!

We were able to support 11 students in achieving their goal of graduating high school. We did this all within the first 3 weeks of the month. So you can say we totally ended the 2024-2025 SY with a huge **BANG!**

Deshaun Booth passed the Reading Language Arts GED Subtest and Graduated!

Our students really pushed themselves this month and it showed. They truly had a great month. But I would be amiss if I didn't express my gratitude for the work that our teachers and staff put in to make this happen. Even though it was sunny and warm outside, and other folks were enjoying their summer vacation, the RHWD&AED team was busy working one-on-one with students, teaching regular classes, doing WRC testing and NSDL testing.

Mrs. Shanell Wilkes, Mrs. Kelly Lynah, Mrs. Nicole Jordan, Mrs. Linda Rushing, and Mrs. Kellie Conner provided our students with never-ending support so that they could achieve their goal.

They are indeed the MVP's of the Adult Education Program.

We culminated this phenomenal year in style with a graduation ceremony that focused on our students and their inner circles. We made sure to highlight the fact that no matter what obstacle stood in their way or how difficult the journey was, they persevered. This was truly a year we will remember for quite some time.
