

**Rock Hill High School**  
B-103 Ms. Lee's Classroom  
Student Council Meeting  
Rock Hill, South Carolina 29730

**School Improvement Council Meeting Notes**  
**November 16, 2022 12:15-12:45**

Members Present: Kelly Scott (Vice Chair/Parent), Laura Lawson (Parent), Kevin Porter Hollie Yi (Parent), Nijae Bush (student), Hope Lee (Teacher)

Kelly Scott was introduced to the Student Council members. The group was over 50 students. Kelly talked a little about the School Improvement Council and what they do for the school and students. Kelly showed a powerpoint presentation (see below link)

Kelly reviewed this year's SIC goals with the group. Showed accomplishments through the use of the powerpoint and asked if there were any questions. Kelly informed the student council that we hope to partner with them by each of us sharing information and ideas on each other's social media accounts. Also that the SIC would like to help support student initiatives. The school dance is one place that SIC will assist with helping. Also, the SIC is responsible for a partnership with NAMI and their Ending the Silence program that educates students about mental health issues and tips and tricks. The SIC hopes to have NAMI come to school and present in health classes in Spring 2023.

There was no report from the school for this meeting.

Presentation was concluded and meeting was adjourned.

The next SIC meeting will be January 23, 2023 in the new year at the school.
