**Mr. Ahl's Notes:**

**Branding** - There will be another phase coming soon that will include Downstairs A Building windows, the A Building stairwell in the main lobby, and a fence wrap to hide the generator by the Café entrance. I imagine these may get done before your meeting next month or soon thereafter.

**Landscape** - There may be some more removal coming in front of B-Building facing the parking lot. This will allow for more manageable plants to be planted and possibly some more branding in those areas.

The District Office Staff continues to monitor our COVID situation. Discussions are taking place as the feasibility of us actually going face to face at the beginning of 2nd semester. Social distancing guidelines make it challenging to have larger numbers of bodies in some classrooms and especially in the café. More announcements will be coming regarding the results of the conversations.

We have started the contract process for the 2021-2022 school year in Rock Hill Schools. We will be posting positions for teachers that will be retiring or leaving our school. Currently we have been notified that we have two teachers retiring at the end of the school year.

**Open Floor:**

Ms. Mona Letigio asked if the school is doing something to help the social and emotional aspects of students in support of this challenging time. Mr. Sawyer will reach out with guidance and will relay information once obtain.

**Closing:**

Meeting adjourned at 6:40 p.m.
