

We are Oakdale STEAM

Oakdale Elementary a STEAM school has been an integral part of the Rock Hill Community for many years. The original Mount Holly School, located on Highway

901/Mount Holly Road was destroyed by fire, and students had to be relocated. They first met in the basement of Mt. Holly United Methodist Church and later in the National Guard Armory on Saluda Street. The new Oakdale School building opened in September 1950 to replace the original Mount Holly School. The school was named for a large grove of oak trees in the area when the school was built, most of which are now gone. Oakdale has been renovated twice (1979 and 1998) since the school opened. The colors and mascot for Oakdale School were chosen by the first graduating class, who were in the eighth grade when the school opened. The colors are Kelly green and white, and the mascot is the Green Dragon. Many generations have attended Oakdale, and we are proud of our rich heritage.

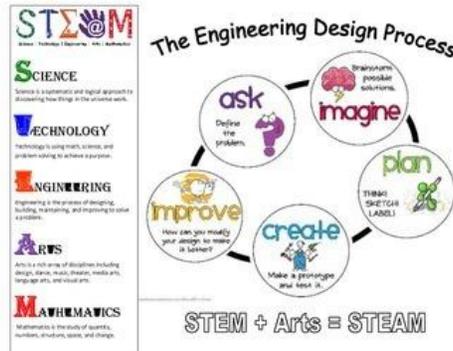

Oakdale Elementary School offers a STEAM program focusing on integration of science, technology, engineering, arts and mathematics. Building upon students' interests in real-life issues and the world around them, Oakdale will prepare students for the 21st Century through project-based learning.

Academics

We are committed to providing a strong, well-rounded education through a comprehensive curriculum. Our experienced educators provide the instruction and motivation for students to perform at their instructional level utilizing the highest quality teaching tools, methods, and materials. We open the door to the arts by exposing students to plays, musicals, and other performances at local theatres. Our students also participate in various art and musical productions throughout the year.

Some of our favorite events this year:

- Veteran's Day Musical
- Angelo Jeter, Poet Laureate, Visit
- Author Jeryl Christmas Visit
- Movie Night Under the Stars
- Opera Xpress – Green Eggs and Ham
- Piedmont Region III Science Fair – We had eight students place this year!

The engineering design process emphasizes open-ended problem solving and encourages students to learn from failure. This process nurtures students' abilities to create innovative solutions to challenges in any subject!

Learning Tools

- 1:1 in grades K-5
- Canvas Learning Management
- ClearTouch and Promethean panels
- Discovery Education
- Document Cameras
- MasteryConnect
- Project Lead the Way (Grade 5)

Enrichment

Developing the whole child is very important to us. We provide a high-quality learning environment that is balanced with life-enriching experiences. Our ultimate goal is to establish a solid foundation upon which students can build successful, happy, and prosperous lives.

Clubs and Activities

- Safety Patrol
- Dragon News Network Team
- Braggin' Dragons
- First Grade Vegetable Gardeners
- Recycling
- Coding is Fun!
- Girls Who Code
- Beyblade Blast-off

Purpose of SIC

Mandated by law, School Improvement Council (SIC) serves as an advisory group to our school. SIC brings together parents, school faculty, and community stakeholders to work together to collectively establish, monitor, and evaluate specific long and short range goals for student achievement. In addition, SIC is a resource for parents, community members, and faculty members to share ideas and concerns about our school. Other functions of SIC is to provide an annual school report to parents and the community and increase parental awareness and involvement of SIC initiatives.

2021-22 SIC Leadership

Mniokhi Sims-Brewton, Chair
Kay Owens
Ayenne Smith
Ayanna Brice
Standrick Rhodes
Jacob Moree

2021-22 SIC Action Items

- 1) Improve safety of car line by installing dividers
- 2) End of Year Parent Survey
- 3) SIC Awareness – Increase Membership

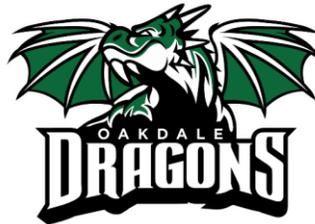

Mission of Oakdale STEAM

Oakdale STEAM Elementary School will ensure that ALL students are empowered to think critically, collaborate, and become lifelong learners in a positive learning environment.

Dragons SOAR when they choose to be:

Safe
Responsible
Respectful
Ready to Learn
