

# COUNTDOWN TO KINDERGARTEN!

**DO YOU HAVE A RISING 4K OR KINDERGARTEN STUDENT?**

Rock Hill Schools partners with York County First Steps to offer Countdown to 4K and Countdown to Kindergarten. These are FREE programs to assist your child and family with their transition from home to school.

## HOW IT WORKS:

Teachers complete six, one-hour visits with each child's family, five visits in the family's home, and one final visit in the child's future kindergarten classroom.

These visits include:

- In-home coaching with trained parent educators
- A focus on language and literacy development
- Learning experiences for professionals
