

The Rock Hill School District Library Media Specialists are excited to announce the return of **Battle of the Books**. Battle of the Books is perfect for students who love to read and compete. Our goal for this program is to introduce our 4th and 5th grade students to a variety of literature while at the same time allowing them to work as a team with fellow students, improve their reading skills, and enjoy the thrill of competition.

All elementary schools in Rock Hill School District Three will be participating in Battle of the Books this year. Each school will develop teams of students, who will compete for a school level Battle of the Books winner. The school winners will advance to a district level competition to be held in the spring. We are so excited to begin this program and need to know how many of our students want to be involved. Each school will structure their Battle of the Books participation individually.

If your 4th or 5th grader is interested in participating in the Rock Hill Battle of the Books this year, please be on the lookout for a permission letter coming home in the coming weeks! We are excited to get this program up and going again for this school year!
