Subject: New iPads

The Board will receive new iPads at the July 9th Board Retreat. A training session will be conducted at the end of the retreat. In preparation of that transition, please update your iPad with the most current update and then back up the device. Bring the device with you to the retreat. If you need help with updating or backing up your old iPad, please contact William Rice in the Technology department (985-3531; located @ FLEX) to set up a time to do that *before* the retreat.

When you come to the retreat, bring your iPad **AND** your Apple ID and password.

Thank you!

Memo

FROM: Kevin Wren
DATE: June 6, 2018
SUBJECT: **Speed Limit Change**

The South Carolina Department of Transportation has been conducting a traffic study for Mt. Gallant Elementary and Dutchman Creek Middle. They have concluded that the existing 45 miles per hour speed limit, with a school zone of 35 miles per hour at let-in and dismissal is to be changed. Before school starts next year, they will remove the flashing lights and extend the school zone to cover Dutchman Creek. Essentially, they will be creating a school zone for the entire day Monday through Friday by dropping the current 45 miles per hour limit to 35 and allowing 45 miles per hour only on Saturday and Sunday. This change should help create safer driving conditions around both schools.
